

CZAR'S DAUGHTER FLEES SIBERIA TO COME TO THE U. S.

FORMER RUSSIAN GRAND DUCHESS ESCAPES PRISON BY MEANS OF RUSE.

Fictitious Marriage Turns the Trick and Now the Lady is on Her Way to the U. S.

New York, Nov. 25.—Miss Tatiana Nicolaevna Romanoff, second daughter of Nicholas Romanoff, deposed emperor of Russia, was escaped from Siberia through a fictitious marriage to a son of a former chamberlain of the czar and is now on her way to the United States, chaperoned by an Englishwoman, according to information made public here tonight by persons connected with the Russian civil relief.

The former grand duchess, who is 20 years old, made her escape from Tobolsk, the present home of the exiled emperor, to Harbin, in Manchuria, and thence to Japan, where passage was taken on a steamship for the Pacific coast.

The New York officials of the Russian civil relief, including Daniel Frohman, Ivan Narodny and Dr. Thomas Darlington, have been informed the young woman will arrive in New York some time in December to play a prominent part in the work of the recently formed organization.

According to an announcement tonight by the news bureau of the Russian postoffice department, Miss Romanoff intends to remain one year in this country and while in New York her guardian and companion will be Mrs. Margaret Barrett Carter of Denver, who left this city on last Friday for the Pacific coast.

Secretly Leaves Tobolsk.

Mr. Frohman is a temporary member of the board of governors of the Russian civil relief.

Ivan Narodny, who is connected with the Russian-American Asiatic corporation, told tonight how Miss Romanoff succeeded in leaving Russia. He said news of her escape was sent to him by the emperor's former second chamberlain named Frederick, an old friend, and that the young woman's flight had been well known to a close circle of friends.

Narodny explained that the daughters of the former emperor were permitted to leave Tobolsk and to visit relatives elsewhere, but that they were forbidden to leave Russian territory. The plan was then conceived of having her "marry" a son of Frederick, as this would give the former grand duchess greater freedom of movement about Russia.

"Miss Tatiana Romanoff does not care," a statement issued said, "as to whether her father or the Romanoff dynasty ever regain the throne, but she is very much concerned about a strong democratic government, or rather a United States of Russia. She will try to explain to the American people that they had not ought to desert Russia and leave her to the socialist adventurers and the Germans, but help to get united and work for the allies."

The purpose of the Russian civil relief, it was stated, is to "promote and foster mutual understanding friendly relations and the spirit of brotherly love between the Russian and American peoples; to raise funds solicit volunteers to aid so far as possible in alleviating the suffering of the masses affected by the war or revolution, and to make a propaganda for the establishment of an im-

mediate stable democratic government and counteract the socialist adventurers."

The Grand Duchess Tatiana was born in Peterhof in 1897. In August, 1913, it was reported that she would marry Prince Charles of Roumania, and her betrothal to the prince of Wales also was reported in October of the same year, but later denied.

WOMAN'S COMMITTEE NEBR. STATE COUNCIL OF DEFENSE

From Tuesday's Daily.

Why the Women Need Money.
Lincoln, Neb., Nov. 20, 1917.

The Woman's Committee of the Nebraska State Council of Defense needs funds. BIG DRIVE ON DECEMBER 16TH.

What is the Woman's Committee of the Council of National Defense for the purpose of so coordinating the activities and the results of the organized—and the unorganized women of the country that their power can be immediately utilized in time of need. It supplies a new and direct channel of co-operation between women and governmental departments.

How is the Woman's Committee coordinating the Woman's power? By the organization of state divisions. In Nebraska the state division in turn organized the county units of all women's organizations and societies without regard to creed, purpose or color. Its membership is always open to women not belonging to any organized societies. Any woman who believes in American principles and American institutions is entitled to membership.

What are the departments of work in the Woman's Committee?

1. Registration for Service.
2. Food Production.
3. Food Conservation.
4. Home Economics.
5. Women in Industry.
6. Child Welfare.
7. Maintaining Existing Social Service Agencies.
8. Creating Moral and Spiritual Forces (Health and Recreation).
9. Educational Propaganda.
10. Americanization Naturalization of Foreigners.
11. Liberty Loan.
12. Red Cross and Allied Relief.

What has the Woman's Committee of the Nebraska State Council done to merit support from the public?

1. It has registered the woman power of state, necessitating an expense of over \$2,000 for registration cards, summary lists, express and postage charges. It has supplied through its registration service woman employes for industries that were short of help. It has put to work for the government and for patriotic service, thousands of women who had not done anything before this registration was taken.

2. It has assisted very materially in two food pledge card campaigns under the direction of the food administrator at Washington. The first food conservation campaign necessitated the expenditure of a considerable sum for food pledge cards, express, etc. Some of this was borne locally, but in most cases it came out of individual subscriptions, by the women themselves. In the second food pledge campaign, the women gave great assistance to Mr. Wattles' work.

The Child Welfare Committee is voluntarily guarding the youth of our state.

The Americanization Department has, by persistent and zealous work among the foreign element, brought about the naturalization of hundreds of foreign born women, and through them has influenced the men so that they, too, have taken out their papers and become bona fide citizens of this country.

The Educational Division is seeing

to it that every school public and parochial, conducts patriotic programs. That it expels from its books all undemocratic articles, and that an American flag waves over each school building in the state.

The Department of Health and Recreation has given careful attention to the safeguarding of the moral and spiritual forces of the soldiers in the permanent and temporary camps in the state. This Division provided the boys with many comforts and actual necessities with which they were not at first supplied by the government. All this came out of the funds of the earnest women who serve on this Committee.

The Department looking after the Maintenance of Existing Social Service Agencies is seeing to it that the standard of work in all home charities in Nebraska is maintained.

The Liberty Loan Committee through its women assistants throughout the state, has raised approximately \$1,900,000 for the second Liberty Loan campaign.

The establishment of a Speakers' Bureau to fill the frequent calls for addresses to explain problems connected with the war and woman's part in it, is one of the projects the Council of National Defense rightfully asks our Woman's Committee to effect.

In addition to above, what has the Woman's Committee done?

It has organized practically every county in the state for Woman's work. In each county, organizations of women are co-operating with the County Council to push local patriotic and war relief work.

The Red Cross work is almost entirely in the hands of the women of our state. There are about 200,000 members of the Red Cross in our state alone; whereas, two years ago there were only 200,000 members of the American Red Cross in the United States.

How is the Woman's Committee supported?

The Nebraska State Council of Defense provides headquarters. It paid \$500.00 of the expense incurred by registration. The Woman's Committee members have individually financed hundreds of dollars worth of work at their own expense; but the Committee is many hundreds of dollars in arrears at the present time, despite the capable individual support. The Chairman of the Executive Board of the Woman's Committee, Miss Sarah B. Hrbkova, and all her co-workers, are giving time and strength to the Defense labors, wholly without compensation of any sort.

How is the Woman's Committee to be enabled to continue its activities?

Only by the support of the public at large. The appropriation by the legislature has been so small that a public appeal has been necessary. The Woman's Committee appeals to the public in Nebraska to give support to this necessary coordinating work which is the backbone of all the war relief work among women. An special day, the 15th of December, has been set aside for the campaign to raise funds for the Nebraska State Division of Woman's Work of the Council of National Defense.

Will you help?

WILL SPEND THANKSGIVING AT FUNSTON

From Tuesday's Daily.

This morning the three Misses Holly, Elizabeth, Bess and Alma departed on the Burlington for Omaha, where they took the Rock Island for Junction City, Kansas, and where they will go to Camp Funston to spend the holiday with their brother Roy Holly.

They go to have a good time with their brother which is a fine thing. Miss Elizabeth who is teaching at Creighton is home for the week, having come in last Saturday, and the three girls with husbands provided with the good things which mother cooks, will make this a bright spot in the army experience of their brother.

There might be such a thing that a friend or two of Roy's in the service might help over the occasion. The girls will return in time for Elizabeth to return for the opening of her school at Creighton next Monday.

Why Buy Chance Land?

When you can get staple land in South-eastern Nebraska at very reasonable prices and on good terms, that will increase in value—because, we raise the crops, every year.

Take your car and drive to Sterling, Neb., and get back home the same day. Buy a farm near home that you can look after.

We have tracts of land from 5 acres to 800 acres; any size tract you want. We have sold several Cass county people. Drive over to Sterling, Neb., and see us.
