# **REPORTS READ LAST NIGHT** SHOW RED CROSS FAIR TO HAVE BEEN GRAND SUCCESS

NEARLY \$4,000 REALIZED AFTER ALL EXPENSES ARE DEDUCTED-DISPOSITION OF ALL MONIES IS SHOWN BELOW

## LADIES HAVE EVERY REASON TO FEEL ELATED

They Extend Thanks to the Elks, All Who Donated Cash or Merchandise and Everyone Having Any Part in Making Fair Succeed as It Did.

The Plattsmouth Chapter, Red Cross, held a very interesting and enthusiastic business meeting at the Red Cross rooms last night. There was a large attendance, not only of Red Cross workers, but also of the general public present, which was most pleasing to the Red Cross workers, who are most anxious that the public shall know just what they are doing and how admirably the recent Red Cross Fair succeeded in raising money Farmers for the promulgation of the good work in which they are engaged.

In the absence of Judge J. T. Begley and W. A. Robertson, Mrs. F. H. Matthew Gering ..... Dunbar, the Plattsmouth Chairman, took charge of the meeting. Miss John Bergman ..... Bernice Newell, Treasurer, gave a most excellent and complete report, Alpha which was very pleasing to the ladies. Various other reports and business matters were transacted and then the ladies adjourned.

The Red Cross workers will hold these business meetings once a Adolph Giese month and a report of each meeting and every transaction will be published in these columns in order that the people may know just what disposi-G. G. tion is being made of the money they give so freely to aid in continuing lames Robertson the good work. The public is most cordially invited to come and co-operate with us in making it a success.

Below is given the Financial (monthly) report and a report of the H. Waintroub Red Cross Fair together with a list of those donating cash or merchandise Donation Lawrence Stull to the Fair. Other reports from the diffrent booths may be found elsewhere in this issue of the Journal.

ALMA LARSON, Chairman of Publicity.

COLARINE is the standard lubricant for ALL cars-the one oil that is as efficient in summer's heat as it is in winter's cold-the oil that no engine temperature can break up and nullify its lubricating qualities.

Polarine is a pure oil, not a drop of acid in a barrel. And it burns up so clean that carbon is reduced to a minimum.

The Polarine sign points out the place where you get the kind of oil your car needs.

For maximum mileage and power use Red Crown Gasoline.
