*It is the man with cash in bank whose voice is heard.*

*Checking and savings accounts.*

Four per cent interest on time deposits.  
Our deposits are protected by the State Guaranty Law.

### MURRAY STATE BANK

Oliver Gopen and sister Villa were taking in the State Fair Tuesday and although they encountered some very muddy roads they report they were well paid by their visit.

Charles Tucker and family departed by auto for Roselle, Neb., where they will visit at the home of Mrs. Tucker's brother, Raymond Dill. W. B. Virgin is looking after Mr. Tucker's interests on the farm in their absence.

Jake Miller the junk man, shipped another car of iron to market this week. Jake considers he is a valuable patriot to his government, in his line of work, and so he is as the need of the iron which is laying around farms doing no one any good can be used now to great advantage in government war materials.

The fall term of school will begin Monday Sept. 9th, with the following well qualified force of teachers in charge. Miss Brundson of Peru, Neb., principal, Miss Epler of Julian, Grammar, Miss Buelah Sans, primary. A new heating plant has been installed in the building, and everything made in readiness for the comfort of the pupils the coming term.

Captain G. H. Gilmore departed Monday morning for Fort Dodge, where he entered upon his duties in the Medical Department of the army. In the leaving of Dr. Gilmore the community will greatly miss him where he has so long administered to the wants of the sick, but all realize the need and importance of physicians of his type, who will take care of our boys who are in the fight to make this world a better place to live in. And it is but another case of "where duty calls I will go," and this is the spirit of America always.

#### MURRAY BRANCH, A. R. C.

The Murray Branch, A. R. C., held its annual meeting on August 22, 1918, and elected officers for the ensuing year, as follows:

R. R. Nickels was looking after business in Omaha last Saturday.

Miss Margie Walker was attending the State Fair Tuesday.

Fred Warner was visiting with county seat friends Wednesday.

Mrs. George Parks was transacting business in Plattsmouth Tuesday.

W. P. Hutcheson and family are spending a few weeks with friends at Hastings.

George Nickels and Cecil Pettit were Plattsmouth visitors last Saturday evening.

Col. Seybolt was looking after business matters in the county seat on Wednesday of this week.

Lee Nickels and sister, Miss Etta, attended the funeral of Carl Lopp at Nehawka, last Sunday.

Chester Shrader had the misfortune to get his ankle badly sprained Monday while tending cattle.

Gussie Pullen and wife left Monday via the auto route for a trip to the northern part of the state.

Miss Jessie Barrows departed last week for Draper, S. D., where she will enter upon her duties as a teacher in the public school.

There will be preaching at the U. P. church in Murray on next Sabbath as usual. Dr. Jackson will arrive home in time to hold services as usual. A cordial invitation extended to all.

The Murray Hardware Company has been a very busy firm the past week setting up Corn Binders, of which they sold a goodly number, and these will be of great service to the owners in harvesting corn for the feeding of stock.

C. J. Tilson was in Plattsmouth a few hours Tuesday of this week, and in making the rounds he paid the Journal office a brief call. In conversation with him he tells us that he has one crop this year that was a dandy, and that was his broom corn. His patrons may look for a fine line of brooms from the Tilson factory this winter, as he will use it all in his own place of making brooms.

#### FAREWELL PARTY.

A farewell party was given for Claude Leroy Hutcheson, at the home of his parents, Mr. and Mrs. Wyette Hutcheson, on Tuesday evening, Aug. 29. Claude departed for Camp Funston the following, where he will enter training to help down the Kaiser, in his work across the sea.

About dark nearly 100 neighbors, friends and members of the family came in to spend a few hours with their host before his departure to the service. There were numerous musical numbers on the program, and the evening was most pleasantly spent by all. The ladies contributed a beautiful supply of cake, and a delicious luncheon of ice cream and cake was enjoyed. Following this a offering was taken up as a memento of the good will and esteem of those assembled guests toward their young friend, and this was used to purchase a very nice army wrist watch, and Claude was justly proud of the same.

We all hope that this clean, stalwart young patriot may help to strike terror in the hearts of the Huns and be permitted to return safe and well to his relatives and friends after the war.

From One Present.  
(The above writup in some way became mislaid or delayed in the mails, thus the cause for its late appearance.—Ed.)

## CAPTAIN GILMORE WAS HONORED

THE MANY FRIENDS OF CAPTAIN G. H. GILMORE HONOR HIM ON HIS DEPARTURE.

### HIS STATION AT CAMP DODGE

Where He Will Be One of the Surgeons in the Service in the Army.

From Tuesday's Daily.

Incident to the departure yesterday for Camp Dodge, where he will be stationed for the present, the friends of Captain G. H. Gilmore tendered him a public reception at the hall at Murray. The occasion was one of much patriotic interest, and was entered into with much zest and enthusiasm by his many friends at Murray and throughout the county. The occasion was one in which all the people who desired to show him honor, and who felt that they would like to express their feelings of thankfulness for the good work which he has done in the matter of service in a patriotic nature. Judge Bentley of Plattsmouth and J. P. Falter also made excellent addresses and presented the Captain with an elegant wrist watch for his use in the army. Captain Gilmore responded to the addresses, and thanked the donors for the present, but more especially did he say that he felt the honor of their friendship, and the feelings which had prompted the making of the present, and the coming together of his friends to say good-bye and Godspeed on his journey.

#### Murray Christian Church.

Last Sunday was a big day for the Murray church. After the morning service, nearly two hundred people ate a delicious dinner of fried chicken and its accompanying good things. The fellowship enjoyed at this church dinner will long be remembered. After dinner Mr. S. P. Cresap of Nebraska City and Mr. Ralph Graham of Avoca, each gave a very good patriotic address. One hundred fifty people including the Home Gards, who attended in a body, lead by a Civil War veteran, bearing the flag, crowded the church to hear the speakers. The rain did not break up the evening services, as was the case in a number of churches where the rain was no worse than at Murray.

We had 23 On-Timers last Sunday. Let's make it 25 next Sunday. A class for everyone in the Bible school.

Subject for the morning worship next Sunday, "Important Miracles of Christ."

In the evening the subject will be "Am I my Brother's Keeper?" Come to the church that has a message and a welcome for everyone.

C. E. HANNAN, Pastor.

#### CLARENCE MURRAY.

Clarence Murray was born January 21, 1873, on a farm south of Plattsmouth, Neb., and died at 10 o'clock, Aug. 26th, in a hospital in Parsons, Kansas, at the age of 45 years, 7 month and 5 days. He was the son of Mr. and Mrs. L. C. W. Murray, of Weepin Water, Neb.

He was married in December, 1895, to Miss Dora E. Shrader, at Nehawka, Neb. and to this union eight children were born, who with

## Our Service AND WHAT IT MEANS TO YOU

What If You Were Buying An Airplane to Use?

**You Would Insist on Knowing All About that Machine Before You Bought It, Wouldn't You?**

If you had to make airplane trips frequently and had to buy a machine for the purpose, you would take the utmost care in selecting it.

You would realize that your life, to a great extent, depended upon the judgment you used in making the selection.

Buying directly from a catalog wouldn't interest you.

You would be interested most in a machine made by a manufacturer who was widely known as a maker of reliable airplanes.

You would rather buy from a friend that you know was interested in your welfare.

Most of all, you would want to see that machine—to go over every part of it before you bought it.

The same principles ought to hold good in buying a farm implement.

In such buying, also, much depends upon your judgment. Your crop-production profit depends largely upon it. You want an implement that you can absolutely rely on to help you make the most of time.

Why not take the same care in selecting farm implements that you would take in selecting an airplane? It will pay you—always.

Our store has every advantage that such careful buying requires. Come in and see for yourself.

# ALAMO

## Farm Light Demonstration

HERE is the farm lighting and power plant you have been waiting for. It is the perfected unit—a single unit—that runs without vibration or noise and requires no special foundation. The perfectly balanced electric unit.

All the Light—All the Power You Need

Come and see it. Compare it, in every way, with all others. Make us prove to you where it is better, and more complete—in fact, the plant you want.

**Perfect Light on the Farm!**

There is no need at this day and age of the world for the farmer not being up-to-date with all modern conveniences about his farm home. If you were buying an automobile, you would make sure to buy one with the best lighting system. Why not apply the same forethought to your home. The Alamo will give you everything that is desired in the lighting of your home and all outbuildings. See yourself comfortably seated about your home this winter with all the advantages of one of these plants on your farm. Let me talk to you right now—today.
