ITS A MIGHTY TRAINING CAMP

THE FOURTH OF THE SUNDAY SCHOOL ARTICLES, BY SUNDAY SCHOOL COUNCIL.

IT IS THE MAN WHO KNOWS
Who Does the Things And Does Them In the Way That Counts Most.

From Friday's Daily.
(By E. H. WESCOTT.)
These are days of intensive training. The accumulated wisdom of the world in science, art, and all branches of education and religion, is being summoned to make men, one hundred per cent efficient. Uncle Sam has demonstrated this in the unprecedented achievements of the past year and a half.
The eyes of the Nations are fixed upon "the man who knows," be he Statesman, General or Genius. His TRAINING has placed him in a position of trust and responsibility. He is not an accident of luck or fortune—he has been TRAINED.
The great laboratories are training our scientists, the schools our future leaders in commerce and statesmanship, the cantonments our valiant Soldiers. Great training camps are all these, but no less great is the Mighty Training Camp of the Church which is the SUNDAY SCHOOL.
The Church of Christ is the greatest institution among men. Through its training camp—the SUNDAY SCHOOL, has come a constant and ever increasing army of men and women, "trained" in the Scriptures, grounded in the fundamentals of our Christian Faith, and loyal to the lofty principles enunciated therein. It is to this army that the Church is looking for its future "Onward March." And with this in view, the "training camp" is being made more attractive today than ever before in its history.
SUNDAY SCHOOL has changed. It has grown with the times. It has a heart throb for every age from the youngest to the oldest person.
SUNDAY SCHOOL today is a place of action, instruction, inspiration. Not a dull moment during the entire hour. If you will attend some SUNDAY SCHOOL next Sunday you will be placed in a department especially designed for your age, whether you are six, sixteen or sixty. Attractive and spirited music will open the "study" hour. "Training" classes for instruction in God's Word will welcome you in primary, junior, intermediate or senior departments.
The SUNDAY SCHOOLS of Plattsmouth invite you to "come to SUNDAY SCHOOL." It is a privilege one should not deny himself, and an honor none should spurn.
The SUNDAY SCHOOLS of Plattsmouth are in a friendly contest with those of several of the neighboring cities for the largest percent increase before January first 1919.
Of course you want your city to stand at the head in this, as well as all other good things.
To PARENTS of children, the call of the SUNDAY SCHOOL is clear and urgent. The future Christian Citizenship depends much upon YOUR SUNDAY SCHOOL example.
To CHILDREN and older SONS and DAUGHTERS, the SUNDAY SCHOOL calls with loud and friendly voice to "come" to help and be helped in building a larger and more useful life for the individual and for the community.
Perhaps you have not been in SUNDAY SCHOOL for a long time. Try it again—attend somewhere NEXT SUNDAY, and then you will doubtless want to enlist in this mighty training camp for the "Onward March" of the Church and Christian Citizenship.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts through the blood on the mucous surfaces of the System thereby destroying the foundation of the disease, giving the system strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that fails to be cured. Send for list of testimonials, address H. crowded, and with the storage of the former registration and the continual accumulation of files, and filing cabinets, and the number of people working, made it very necessary that more room be had. This morning the two young men, Webster Russell and Elmer Hallstrom, removed the work and the paraphernalia to the Sheriff's rooms on the upper floor, where they have the needed room and the place for the supplies. They find it better working, and also are giving the county clerk and his force an opportunity to get their work done.

WILL SPEND WINTER IN WEST.
From Friday's Daily.
Mrs. Frank J. Morgan departed this afternoon for Hay Springs, where she will visit for some time with her son Paul Morgan, and was accompanied by her mother Mrs. A. Swift. After having visited there they will go to Portland, where they will spend some time, visiting with relatives, and then go to Los Angeles, where they will spend the winter.

WARNS AGAINST POLITICAL ACTIVITY
From Friday's Daily.
The officers, attorneys, and employees of the Burlington railway are warned in a bulletin, against any active participation in politics, and forbids an officer, attorney or employes from acting as chairman, officer, or candidate for any political party, and requires one taking part in anything of this nature shall be required to resign from his position with the road.
That no officer, attorney or employe, shall use any means whatever to influence or coerce any other employe of the road as to the exercise of his elective franchise. This looks like getting out of politics, as much as they have been heretofore accused of being in politics.

Contes Block Plattsmouth, Neb.

American Institutions:
Have always looked away, from following the trend of Monarchical Government, which have held that Kings reigned by divine right. The idea that rulers have been Kings and Princess, because they are considered past God, is erroneous. The practice of handing the offices down from father to son, is wrong and not supported by loyalty and patriotism. George Washington, Father of the Country and American Patriot, refused to allow his name to be used for the third term for the presidency. All his successors, loyal to their country, have followed his example. Their patriotism being greater than their desire for office. M. S. BRIGGS, for County Judge.
