HAS GOOD ADVERTISING STUNT

From Tuesday's Daily.

The Farmers State Bank has a clever advertising stunt, in front of its place of business, in the fact that they have a semaphore erected and the arms extending in opposite directions, on across the walk and the other across the street, each saying stop. This arrests the attention of the passerby, and on the staff which holds the arms is the words, on a white staff, letters in blue, "Buy a Liberty Bond." A very clever idea, and should challenge every one's attention to the Liberty Bonds. This is a time when every effort should be put forth for the utmost sale of these bonds, as the resources of the country are taxed now as never before. We have had an offer by the disturbing nations of the world, saying, "Let us have peace," when they done damage to the utmost, and have destroyed every nation and works possible, the answer will be, Force to the utmost, and Money without stint.

SHORT SESSION OF W. C.

Last night was the regular meeting date of the Woodmen Circle, at which time two new members were taken into the order. The attendance was very good, and although brief, a very interesting meeting was held, but cut short owing to the recent and present Spanish "flu" scare in the city at the present time. The members greatly missed their Guardian, Mrs. M. E. Manspeaker, who on the account of illness was unable to attend, and the members present were unanimous in extending sympathy for their more unfortunate sister and leader whose absence is always keenly felt by all members of the order.

RED CROSS ELECT OFFICERS

AT MEETING THE CASS COUNTY CHAPTER SELECT OFFICERS FOR THE COMING YEAR.

From Monday's Daily.

The meeting of the Cass County Chapter of the American Red Cross, which was held at the court house last Friday was well attended, and at the meeting they elected officers for the coming year. The reports furnished by the retiring officers showed a large amount of work done, for which the people of this county should feel justly proud. In turning the work over to those who are to assume charge, the officers and all who were connected in any way with the work done this year, can look upon their work as being well worth while, and the one considers the vast amount they have accomplished, they are almost baffled in believing it. In turning the affairs over to the new officers they feel sure that the same earnest effort will be put into the work, and that the work will go ahead as well as heretofore. Those retiring will have a personal interest in doing their best for the Red Cross. Those elected were:

Chairman—E. J. Richey.
Secretary-Treasurer—Miss Bernice Newell.
Purchasing Agent—Mrs. Thomas Parmele.
Civilian Relief Committee—Miss Marjory Walker, Mrs. J. E. Wiles, Mrs. C. A. Rosencrans.

War Conditions

We are realizing more and more every day that this country is at war. WAR is our business just now—other activities are subservient. Nothing is normal. One thing we have learned is that we cannot go in and buy what we want just when we want it. Some things we cannot buy at all. Now the point with us is here—there are many things in this store today in men's and boys' wearables, which by reason of early contract we are able to give you today, but which we or no one else can furnish later on. The thing to do is to anticipate your actual needs and buy NOW to avoid disappointment. Think it over.
