

DOCTOR LOSES FIGHT FOR LIFE OF BRIDE

MRS. HAROLD WALKER, BRIDE OF FOUR DAYS, DIES OF PNEUMONIA.

Married While Critically Ill After Engagement of Five Years.

From Saturday's Daily. Dr. Harold H. Walker, a young physician of Kansas City, lost a desperate fight Thursday afternoon to save the life of his bride of four days whom he married when hope of her recovery from pneumonia had almost been given up.

The bride was Miss Wanda Ramsey, daughter of Mrs. L. F. Ramsey, 2211 Locust street. Two weeks ago Miss Ramsey became ill of influenza. Last Friday pneumonia developed and Dr. Walker, to whom she had been engaged five years, was notified and he hurried to Omaha.

Sunday, although there was little hope of her recovery, relatives and a few intimate friends gathered about the bedside and Miss Ramsey and Dr. Walker were married. Then Dr. Walker took up the fight to nurse his wife back to health.

For four days and nights he scarcely left her bedside. Tuesday, she seemed better but Wednesday her condition became serious. She was kept alive by oxygen and an electrical device to stimulate respiration. This afternoon she died.

Dr. Walker is a nephew of Dr. W. H. Walker, 2965 Harney street. Miss Wanda Ramsey, it will be remembered, formerly lived in this city, and is the young lady, whom mention was made in this paper of yesterday.

About Croup.

If your children are subject to croup, or if you have reason to fear their being attacked by that disease, you should procure a bottle of Chamberlain's Cough Remedy and study the directions for use, so that in case of an attack you will know exactly what course to pursue. This is a favorite and very successful remedy for croup, and it is important that you observe the directions carefully.
