ELKS HOLD FIRST DANCE OF YEAR

COMMITTEE PROVES ADEPT AT FURNISHING PLEASANT ENTERTAINMENT

From Saturday's Daily.

Last night at the home of Plattsmouth Lodge No. 759, B. P. O. E., the members and friends of that fraternal brotherhood and their wives and feminine friends enjoyed a very pleasant dance, the first of a series of bi-monthly entertainments to be furnished through the winter. The committee in charge had secured excellent music in the Kroehler orchestra and the hours passed rapidly as those present tripped the light fantastic. Commendation is due Robert Kroehler, popular young Plattsmouth musician, for the manner in which he now handles the saxophone, an instrument upon which he was unable to play when this writer left Plattsmouth scarcely more than six months ago. Robert is a promising young musician and we are pleased to note the progress he has made.

It was a very late hour when the strains of Home Sweet—were wafted forth, and the crowd dispersed for their several homes.

HAS LETTER FROM BROTHER IN FRANCE

Mrs. A. H. Shindlebower Received a Letter From Brother in France Today.

From Saturday's Daily.

This morning Mrs. A. H. Shindlebower received a letter from her brother Harry L. King, who last summer enlisted in the service, though not then quite the age, but since becoming nineteen years. He tells of having been on the Verdun front from the fore part of October until the 15th of November, and was there during the severest fighting of the close of the war. He has since been transferred to Nixville, where the portion of the army

are doing some work. He is a member of Company C, 304 Engineers Corps, and wrote his letter on December 15th. He was in London during September, and had a nice trip from here to England, and then to France. He sends Christmas greetings and hopes to be able to return home soon.

RETURNED TO HER HOME TODAY

From Saturday's Daily.

Mrs. George W. Horn of Creighton, who has been here for some time past coming to accompany the remains of her husband, who died some weeks since with pneumonia, departed for her home this morning. Mrs. Horn was accompanied by her brother J. J. Meisinger, who will remain at Creighton for the present, and assist at the farm in order to get the things arranged, as there has not been any one there since the death of the husband to look after the matters except the hired help.

Cured at a Cost of 25 Cents.

"Eight years ago when we first moved to Mattoon, I was a great sufferer from indigestion and constipation," writes Mrs. Robert Allison, Mattoon, Ill. "I had frequent headaches and dizzy spells, and there was a feeling like a heavy weight pressing on my stomach and chest all the time. I felt miserable. Every morsel of food distressed me. I could not rest at night and felt tired and worn out all the time. One bottle of Chamberlain's Tablets cured me and I have felt like a different person."

HUN SURRENDER TO POLES NOT PLEASING

BERLIN PAPER BITTERLY ATTACKS "CHINESE APATHY" IN PERMITTING IT.

WHAT ELSE CAN THEY DO?

Defeated Nation Must Expect to be Invaded and Forced to Surrender Its Army.

Berlin, Jan. 3.—A protest against the "abject surrender to the Poles," which is advocated by Herr Ernst, of the Prussian ministry, is printed by the Zeitung Am Mittag today. The minister, who has just returned from the border, declares that while the invasion by the Poles could have been prevented a fortnight ago, the situation is now hopeless, and that Germany could not regain the territory occupied by the Poles even with the division ordered to the district—a division, he declared, which it now was impossible to assemble.

The Zeitung Am Mittag declares that these statements cannot be true and it asks why the government has done nothing in the matter. It characterizes the attitude of the government as "Chinese apathy."

Fears Bolsheviks

The Zeitung Am Mittag also expresses disquiet over the evacuation of Riga by the Germans and the danger of a bolshevik invasion of Germany. The government members are in session today and are reported to be considering what action to take for the protection of German cities from the Poles.

RETURNING TO HER SCHOOL.

From Saturday's Daily.

After about two months of absence from her school, Miss Edna Morrison departed yesterday for Neligh, where she will take up her work again. The schools at Neligh have been closed for some two months, on account of the prevalence of the influenza there and during the time Miss Morrison has been at the home in this city awaiting the call to return to her work. She started yesterday, in order that she might stop for a visit over Sunday with her friend Miss Crete Briggs, who is teaching at Westpoint, from where she will visit over the week end, and go on from there to her school at Neligh tomorrow.

CLIFF WESCOTT NOW IN PARIS.

From Saturday's Daily.

A letter from Cliff Wescott, written December 18th, tells of his arrival at Paris, and while in a way gives his impressions of both England and France, has not had time or opportunity to gather an adequate conception of the countries, as he has been so busy with the tasks before him as a member of the Y. M. C. A. who are working for the betterment of the young men over there.

WILL DEPART MONDAY FOR CAMP STANLEY

From Saturday's Daily.

Wesley J. Kalasek will depart on Monday for his station at Camp Stanley at San Antonio, Texas, where he will be stationed for the present, but hopes that he may be discharged as soon as the authorities can get around to the matter. Since returning home he has improved greatly in his health. While he was in the hospital he was extremely sick with the pneumonia. This morning his sister Mrs. N. P. Neilson of Omaha and daughter Mable, arrived to visit with the brother and uncle, before his departure, and to see the other members of the family.

Chamberlain's Cough Remedy.

Before using this preparation for a cough or cold you may wish to know what it has done for others. Mrs. O. Cook, Macon, Ill., writes, "I have found it gives the quickest relief of any cough remedy I have ever used." Mrs. James A. Knott, Chillicothe, Mo., says "Chamberlain's Cough Remedy cannot be beat for coughs and colds." H. J. Moore, Oval, Pa., says "I have used Chamberlain's Cough Remedy on several occasions when I was suffering with a settled cold upon the chest and it has always brought about a cure."

The new year starts in with genuine winter weather.

DR. E. W. COOK STILL SICK.

From Saturday's Daily.

Dr. E. W. Cook, who is at the home of Mrs. Cook's mother, Mrs. D. Hawksworth in this city, is still confined to his bed, and while feeling just slightly improved, is still far from feeling well. He still has some fever, and a hard cough at times. He is feeling as though he is making some improvement. Yesterday they had word from their son Harris Cook who is in a government hospital at Cleveland, Ohio, where he is under treatment by the government physicians for Auto-Toxic infection. A wire yesterday from the superintending physician of the institution says that his case is not serious.

CAN HAVE THEIR ORDERS FILLED NOW

From Saturday's Daily.

E. H. Wescott of the C. E. Wescott's Sons, clothing firm, reports that while they have been unable to receive goods ordered as long ago as mid-summer of last year, that letters are now coming in, saying that the orders can now be filled, though it was not possible to have made shipment before. The merchants have had a serious time in getting goods, during the past year and especially during the last half thereof. The goods will come easier now though, not at a recession of the prices which have obtained for some time.

MAX VALLERY STILL IN THE HOSPITAL

From Saturday's Daily.

C. F. Vallery and wife received a letter from their son Max, on New Year's day, in which he said that he was still in the hospital but was able to get around some with crutches, but not able to leave the hospital. He did not say what was the matter or how he was wounded, or in what action, Mr. Vallery wrote a letter the same day asking how he was wounded and to what extent he was injured which he dispatched the following day, but which may be a long time getting to his son, and it may be the young man may be able to be home before the answer could come. It is hoped that he may.

Last evening James R. Hunter of this place received a message telling of the death of his brother, Robert Hunter, aged 72 years. The message did not state the cause of death. Mr. Robert Hunter was 72 years of age, and had retired from active business for some time.

PAUL PAVILICH GOES TO LINCOLN

DID NOT GET PARDON WHICH HE ASKED FOR, BUT A TRIAL BEFORE FEDERAL COURT.

From Thursday's Daily.

After Wally Wilson, the state agent, had been here in the interest of Paul Pavilich, to four times, caught blockade runner, and dealer in the contraband, and not succeeding in getting his liberation, Thomas Carroll the deputy United States Marshall, came last Tuesday evening, with the necessary papers, and conveyed the young man to Lincoln, where he is awaiting in the Federal jail for a trial, which is soon to be given him for the infraction of the Federal Statutes, by bringing intoxicating liquors from a wet state into a dry one. This will add to the predicament which Mr. Pavilich is in, and will put him breathing the air of freedom, and seeing the friendly skies smiling o'er him.

BEATS THE NEW YEAR HERE.

From Thursday's Daily.

A young American named Stander, and being the son of Mr. and Mrs. Russell Stander, weighing ten and one half pounds, arrived at their home northwest of the city, yesterday at noon, beating the New Year here by some twelve hours. There is a happy family out where Russell Stander lives, you bet, and the smiles which they wear will not rub off either. Not alone is the joy confined to the immediate household, for they extend to the other portions of the family, see how Grandfather Stander smiles and Uncle John as well.

HAS THREE SONS THERE AND KNOWS

From Thursday's Daily.

The following little poem expressive of the feeling and the ways of thinking of the boys at the front, expressed as well as could be told, that they all are thinking of "Home". The poem was written by Elmer Bryan, who is a nephew of our fellow townsman W. R. Bryan, and lives at Trenton, Ill. He enclosed the poem in a letter which Mr. Bryan received today:

The Soldiers Dream.
There stands a sentry at his post,
The night is dark and cold and chill
No daring deed of which to boast
While his lonely duty, he'd fulfill.
Along the river Somme.
Hark! A shout, who goes there?
Rings out upon the cold night air,
Friend or foe or Comrade true,
Must stop, salute, or before passing
thru
The Sentry is dreaming of Home.

There stands at Pilot at the helm
To guide the good ship safely thru,
The dark blue sea, his native realm,
His colors, the Red, White and Blue,
When out upon the billows a periscope is seen,
The Captain shouted, it's another submarine,
The Pilot is dreaming of home.

Our Soldier Boys on the battle line
With faces turned toward the Rhine
The pride of Germans, all their own,
Hark! a sound, like the rushing sea
The Allies have gained the victory,
And the soldier is dreaming of Home

Will their dream come true? I should say.
For I saw a Soldier yesterday

Who like a bird had flown,
They're coming we can hear them shout,
And the war is over, without a doubt,
And the soldiers are coming home!
