She was able to get up though as soon as she stopped rolling, while the fall from the wheel, caused unconsciousness to ensue. The young man was picked up and taken to the office of Dr. Flynn where he was resuscitated and found more stunned than hurt, but had received a severe blow in his fall, bruising him considerably. He was able to walk from the auto to Barclay's restaurant, after a short time, and it is hoped that neither are injured severely.
