## For Sale!

960 acres in Holt county, Nebraska, consisting of 600 acres under cultivation; 80 acres of alfalfa and balance hay land and pasture. This land lays level and is all good hard land. No sand. It produces as well as eastern Nebraska land; corn last year made 49 bushels per acre. Four sets of improvements, consisting of houses, barns, corn cribs and granaries, hog houses and other small buildings, wells and windmills. The land is fenced and cross fenced; four hog pastures in alfalfa, fenced hog tight. Running water in pasture; wells are 30 feet deep and furnish an abundance of good water. I am offering this tract at \$65.00 per acre and will take in an eastern Nebraska farm as part payment. As there are four complete sets of improvements this can be divided to suit purchaser.

220 acres lying 15 miles north of Aberdeen, So. Dakota. About one-half of this is under cultivation. The balance hay land. All can be cultivated if desired. This is good deep black soil and the best kind of wheat land. Two and one-half miles from town, no improvements. Will consider a small tract in eastern Nebraska as part payment. Price \$50.00 per acre.

160 acres four miles from Long Pine, Nebraska. This is a very choice quarter of land; well improved, consisting of a good six room house, new barn, hog house, chicken house, two wells, fenced and cross fenced, 18 acres of alfalfa, perfect stand. Price \$65.00 per acre. Will consider a small tract in eastern Nebraska as part payment. Good terms can be given on all the above described lands to suit purchaser.

For further information regarding any of these propositions see J. P. Falter, Plattsmouth, Nebraska. Phone No. 28.
