NEBRASKANS WILL STOP IN CITY OF OMAHA

CONTRARY TELEGRAMS FROM ADJ. GEN. HARRIS FINALLY UNTANGLED.

CASS COUNTY BOYS IN UNIT

To Stop in Metropolis Last of the Week while Enroute to Camp Funston for Discharge.

From Monday's Daily. Official confirmation that Nebraska troops of the 59th division would stop over in Omaha for three hours on their way to Camp Funston this week came yesterday in telegrams received by Mayor Smith and the Omaha Chamber of Commerce. The telegrams came from Adjutant General Harris, who on Saturday wired the Omaha parties that the Nebraskans would not stop off in the city, while enroute to Funston. No explanations were offered in regard to the contradictory messages.

Though the exact date of the visit of the soldiers remains undetermined, the news that the Nebraskans would surely stop off the allotted time spread over the city like wildfire. It will be Omaha's biggest day and no effort will be spared to make the preparations come up to the greatness of the occasion.

It is quite probable the unit will arrive in the city either Friday or Saturday of this week.

HAS FAITH IN HIS OWN BUSINESS

From Wednesday's Daily. The paper hanger is pretty busy just at this time, as he always is at this season of the year and especially now, on account of the shoving

off last year of the work which could well be put off on account of the war, and it is not the easiest thing to get work done just when one wants it. Still with the time there will be plenty of opportunity for all the work to be done and maybe the workmen will be idle at that a portion of the time. Jesse F. Warga having faith in his own line is decorating not alone the ceilings but the walls of his business room with pressed steel, and then painting the same which makes a very pleasing effect. We believe a man should believe in himself if he expects others to believe in him, and this is surely what Mr. Warga is doing.

THREE MORE PLATTSMOUTH BOYS HOME

VERDON VROMAN ARRIVED IN CITY LAST NIGHT. HAD BEEN DISCHARGED FEW DAYS AGO

EVERETT WARD ALSO ARRIVED

Had Been Stationed In East Assisting In Demobilization Of Forces.

From Wednesday's Daily.

Last evening Verdon Vroman, who has been back in America for some time, and was confined at the hospital at Des Moines for a number of days, was discharged from the service from Camp Dodge a few days since, and has been visiting with some friends in Iowa, arrived home on the late Burlington train last evening, just in time to enjoy a reception tendered Paul Smith, and made a portion of his also. Mr. Vroman has been in the service for more than a year, and spent a long period overseas, seeing much of the war before the armistice was signed. Since he had remained there until a few weeks since when he landed in America. Mr. Vroman was very pleased to be at home again, as were his friends to have him.

This morning Everett Ward who has been in the service for more than a year, stepped off the train with that same bright cheery smile which he has made his very own, for life. Everett was discharged from Camp Dodge yesterday, and returned home to take up his work as an instructor of the youth. When departing for the service Mr. Ward had been an instructor in the city schools at North Platte, and was making good at his life's avocation.

While in the service Mr. Ward has made an excellent soldier and was sent at one time to Nebraska in charge of the remains of a comrade, who had died with the influenza. At that time he spent some ten days here and returned to the east where he remained until now. Mr. Ward will probably take up his school work again.

From another direction last evening arrived another young man of Plattsouth who gave up a good paying position to enter the service, and enlisted at Kansas City as a photographer. Ray Schappacasse was overseas nearly a year, and was one of the first who made the pictures of the positions of the enemy and in this way did his share in the winning of the war. In this position Mr. Schappacasse saw lots of the severest fighting, getting back to America on May 19th and being discharged from the service at Camp Funston yesterday and arriving home on the evening train of the Missouri Pacific last evening. Ray is looking fine and says he is feeling the same and is glad to get home again. His many friends are also glad that he is home again.

WILL TESTIFY IN CASE TODAY.

From Wednesday's Daily. Sheriff C. D. Quinton and Chief

of Police M. E. Manspeaker and John Frady, all witnesses in the case of the state vs. Florence Milton and Charles Haley, who are being prosecuted at Grand Island for the theft of an automobile and masquerading as man and wife, departed this morning for out in the state to testify in the case which is to be heard today. It will be remembered that this couple came through this place last year and at the garage of T. L. Amick wished to borrow fifty dollars, which they offered a note for, and giving as security one Ford car which later proved to have been stolen. They were taken to Grand Island, and the trial comes at this time.

ENTERTAINS IN HONOR OF COUSIN

AND WAS SURPRISED BY TELEPHONE CALL OF ANOTHER RETURNED OVERSEASMAN.

From Wednesday's Daily.

Miss Zella Elliott last evening at her home northwest of the city entertained in honor of her cousin Mr. Paul Smith, who had but recently returned from overseas service, and had been discharged but recently. The occasion was one of much gaiety and a large number of the friends of Mr. Smith and his cousin, Miss Elliott were there and all was going as merry as a marriage bell, when another bell chimed in, this time a telephone bell, and when it was answered, the voice of Verdon Vroman came rippling over the wires, telling of his arrival. A car was dispatched for him and the occasion was broadened into a reception for two returned overseas men, and very good friends themselves as well as with all present. It cannot be denied but the occasion was one of much pleasure for all. Refreshments were served by the hostess, assisted by her aunt Miss Ruth Jacks.

MAKES PURCHASE OF AN EXCELLENT FARM

From Monday's Daily.

W. H. Meisinger of near Cedar Creek, was in the city this morning looking after some business matters, and was a caller at this office, extending his subscription while here. Mr. Meisinger has just made purchase of an excellent farm of one hundred and sixty acres, for which he gave \$250.00 per acre for. This is the farm which was formerly owned by Ralph J. Haynie, and which is occupied by him at this time. This is an excellent farm, and has proved a good paying piece of property during the time which Mr. Haynie owned the place. Possession will be given on the first of next March. We congratulate Mr. Meisinger in the acquiring of this place, and are sure he will make a good paying investment.

ARE SCRAPPING OVER SUNDAY BASE BALL

From Wednesday's Daily.

At Elmwood the mayor, a Mr. Pennterman, is also the manager of the base ball team of that place, and essays to play ball on Sunday. Rev. D. A. Youtsey pastor of the Christian church not believing in Sunday base ball, has arose on a point of personal privilege and offers a motion that the minutes be corrected so as to read, there will not be any Sunday ball hereafter. The discussion is becoming very warm in the matter. The mayor claiming that the people have a right to play ball, while Rev. Youtsey says the community have a right to observe the Lord's day in a quiet manner.

Just how the matter will terminate is a difficult matter to foresee, but if anyone has an inclination to guess on the matter the field is open.

In Honor Of Mat Jirousek Who Was Buried At Sea During Recent War.

From Wednesday's Daily.

The following is general order number seven issued from the headquarters of the Woman's Relief Corps at Omaha, for this department, and sent to all the branches under their jurisdiction:

"Cherish their memories, these unsullied braves, Bring choicest of flowers to strew o'er their graves, Of thy tears and thy prayers unsparingly give, To the heroes who died that a nation might live."

Soon it will be time again for us to prepare for the sacred service of Memorial Day, and to express with fragrant flowers our love and reverence for those who gave their lives that our nation might be free, not forgetting the heroes of the Spanish-American War or those whose valor is still fresh in our minds today, the World War American soldier. Honor the American soldier or sailor dead.

Corps will attend Memorial Sunday service with their Post. Give the children a part in the work for Memorial Day and in a patriotic way teach them to honor this sacred day.

Corps will observe as far as possible the service to unknown dead, also our beautiful service of scattering flowers upon the water in memory of our sailor-soldier dead.

After the services which will be held at the Parnele Theatre, the relief corps will go to the river and hold their services for those who were buried at sea, the only one from this place being Mat Jirousek, who died with the influenza on his way to France. The services will be held on the ferry boat, just below the bridge.

From Wednesday's Daily. A. W. Jewell the assessor for Stove Creek precinct was a business visitor in this city this morning, coming down to make his report for the listing of the property of that precinct. Mr. Jewell is a believer in the best for all concerned in one's home country and town, and thinking that it were better for the state of Nebraska to carry the hail insurance risk for the farmers at a reasonable rate presented the matter in a way that out of the 112 policies written in the county he wrote 84 of them. He says he believes in keeping Nebraska's money in Nebraska. We are seconding his motion.
