Paris, June 16.—Inclusion in the telegram to Bela Kun, Hungarian foreign minister, ordering him to stop hostilities against the Czechs, of an announcement that the council of four was going to summon delegates of the soviet government to Paris was due, says the Echo de Paris, to a mistake. ## FULTON Economy

EFFICIENT hauling—whether horse or motor—reduces to a matter of dollars and cents. Fulton Motor Trucks, equipped with the Fulton Triple-Heated-Gas Motor, cover more ground, with heavier loads, at lower cost than either horse drawn trucks or any other make of motor truck. It was practical dollars-and-cents figuring that made Fultons the choice of Standard Oil Co., Borden Farm Products Co., Jones & Laughlin Steel Co., John Wanamaker, etc.
