MURDOCK ITEMS

Glaubit was in Omaha on Tuesday. He went to Lincoln Tuesday week. Mrs. Sorich was home from her vacation Sunday. Mr. and Mrs. Harry Gillispie returned Saturday from a short motor trip to Fairmont, Nebraska, at which place they were visiting with relatives. Art Bornemeier and Gus Stokes went to Lincoln Saturday afternoon, where the latter purchased a fine new Oakland car, having sold his Dodge car to his father. Mr. and Mrs. Peter Vogler, of Manley, and Mr. and Mrs. Henry Hill and children of Cedar Creek, also Miss Kathryn Goehry, of Omaha were Sunday guests at the J. Goehry home. Mrs. Stuart McDermott and her daughter, Dorothy Jane, of Omaha, spent the week-end with L. Neitzel and wife. Dr. McDermott spent Sunday here, the family returning home Sunday evening. Wm. Weddell and family arrived Tuesday from Strassburg, Colo., and are settled in the Rickli property for a time until a more suitable place can be had. We welcome this fine family back to our town and here's hoping they'll stay. Mr. and Mrs. L. M. Amgwert received a message on Saturday from their daughter, Miss Anna, saying she had landed in New York after being in France since last September, when she went as a Red Cross nurse with Nebraska base hospital unit No. 49. Her relatives and many friends are waiting anxiously for her return to her home. Harry Davis and family are nicely settled in their former home on Main street after a year's absence. Homer Lawton and family arrived last Wednesday from Virginia, in which state they also spent the past year, while Mr. Lawton was working in the ship yards. Wm. Weddell and family will return about the first of July from Strassburg, Colorado, where they went March 1st of this year. Mr. Weddell will have charge of the new elevator being built here. Oh, Murdock isn't such a bad place to live after all.

TIMELY Farming Implements

In listed corn cultivators we have the J. I. Case Co., John Deere Plow Co., and Rock Island Plow. In walking cultivators we have the New Depart and Jenny Lind; Riding cultivators, the Badger, Century and Overland. JOHN F. GORDER, PLATTSMOUTH, NEBRASKA

WHEN IS A BALL GAME NOT A BALL GAME?

OMAHA RED SOX, A COLORED AGGREGATION CAME SUNDAY TO PRACTICE.

NOT EVEN A MINSTREL SHOW

Final Count Showed Even Dozen Runs for Plattsmouth to Three for Visitors.

From Monday's Daily. "We tire of fouls and base hits, too long the game was played." There are times when one wants it over with, whatever the end is to be, and yesterday was one of those times. The supposed game was something that has not as yet been named. It was not a base ball game, nor even a good minstrel show. The weather was sure hot enough to suit everyone. The game started with one man getting to first for the visitors and none in the second, while in the third one man saw first and in the fourth, Joe Perry, their first baseman made a run. In the seventh two runs were made, while in the ninth they thought they would get another one. They were after first money and worked hard for it. Talbot, their umpire, was not anyways backward about giving them the big end of the stick, either. We never aim to criticize an umpire, but when a man is hired to steal a game, he should not sail under false colors. The first three innings for our boys did not look good, and they were playing just as hard as they could at that. It took the run the visitors made in the fourth to stir our boys to action, and they sure did find their way around the diamond after the third inning. In the fourth Herold, O'Donnell and Mason made a run. This left the fifth to start over again and from Beal to Rockwell everybody got a chance to swing at it, and they all took the opportunity. Beal, Christy and Gradoville scored. Herold was caught at third. O'Donnell, Rockwell and Janda each made a run, while the other two outs made nine to bat, with a half dozen runs. In the seventh Herold and Rockwell scored, adding two more and in the eighth Stimson made another, which brought the score to an even dozen.

THE BEST ADVICE FOR LODGE SPEAKERS

The speakers at lodge meetings must often speak in an atmosphere that is far from pure. They will do well to carry out some sort of mouth toilet on their return home and the next morning. Water containing Triner's Antiputrin is the most efficient mouth and throat wash. This antiseptic is excellent also for cleansing of wounds. Every druggist can get it quickly for you. And if you are at the drug store, take a bottle of Triner's American Elixir of Bitter Wine home. You will be glad to have it at hand in case of any stomach trouble whatever. Especially during the summer season the most valuable rule is: Keep your bowels open! The cleanliness of intestines is the best fortification against the attacks of diseases. Triner's American Elixir of Bitter Wine cleans the digestives, improves appetite, helps digestion. Sold at all drug stores.—Joseph Triner Company, 1333-42 S. Ashland Ave., Chicago, Ill. 126.

GOOD LANDS.

I have some snaps in lands in Gage, Pawnee and Johnson counties, Nebraska with easy terms. It will pay you to see me for a home or investment. Mokenhaupt Land Company, Sterling, Nebraska. 26-4wksw

NOTICE TO COUNTRY READERS

Owing to the storm which has impaired the electric service, and thereby deprived us of power we will not be able to include the entire list of country correspondents in this issue. They will appear in the issue of Monday next.

NOTICE.

July 1st will be the ending of our fiscal year. And as near as possible, I would like to have all book accounts settled so I can make up my statement to the stock holders of this company.

MURDOCK MERCANTILE CO., 126-31st. By Jerry McHugh, Mgr.

Plattsmouth Wins Over Louisville.

At Louisville yesterday was one of the prettiest ball games played that has occurred in the county, outside of some of the way-uppers, where the South Park team of this city went to that city, and there crossed bats with the Louisville band of home defenders. The line up for this city was: Edgar Boggs, pitcher; C. C. Burbridge, catcher; John Schwartz, 1st base; Dewey Reed, second base; Marvin Stiles, short stop; John Hanson, third base; Max Price Jr. right field; Robert White, center field and Paul Hunter as left field. The game was well attended, and the innings came and went in the regular precision with a run now and then and at the beginning of the twelfth inning stood 2 to 2 with no goddess of fortune favoring anyone. The feature of the game was the excellent pitching of Edgar Boggs the twirler of the Plattsmouth team, and the two home runs which he made. He had already one to his credit, when the twelfth inning showed its form above the horizon, and with two men on bases, he swatted the ball for another home run and for a while it was thought that the county sheriff would have to be called upon with a search warrant to find the pill. This made five, and the Louisville team in their half received one more, making the final count 5 to 3 in favor of Plattsmouth.

Cedar Creek Captured the Juniors.

The Junior Red Sox, with hopes high, and an expectation of making a run whether or no, (and they did) went to Cedar Creek, and with a self assertive smile on their faces, entered the game in an ordinary manner, just as though the game was there for the taking, and it was too, that is if they had taken it, but they didn't take it. There was the

rub, for the redoubtles of that thriving village had pre-empted the returns. In other words they had the number of the Junior Red Sox in their note book. Affairs had gone along amicably enough during the first half of the game with the Juniors having one run, to the Cedar Creek boys nothing, when during this inning the boys from our neighboring city thought it was well to get a plenty while they were gittin' and took seven runs, enough to last.

The Junior Red Sox took it good naturedly and came home making lots of noise and declare they will be able to do just as well if not a whole lot better next time. They were somewhat crippled up yesterday, as their 'main stay' "Bubbie" Martin was sick in bed and could not go and Bobbie Burkel played short stop in his place and the position being new to him and he being a little "off" made three costly errors which beat the Juniors.

Beef Hides	25c
Large Horse Hides	\$10.00 each

Will be on hand rain or shine, and take care of all poultry offered for sale. W. E. KEENEY.

Good Farm Buildings Were Never So Important As Now

THE great advance in the value of farm products has increased the importance of good farm buildings. When prices were low a little waste here and a little waste there didn't much matter. But today the sum of the little wastes means the loss of big profits. There isn't any reason to look for a drop in food prices for a long time ahead. The thrifty farmer will see to it that his farm is equipped to yield him the biggest returns while conditions are in his favor. And no farm can reach maximum production and profits without good buildings. A good barn converts feed into beef and milk that might otherwise be wasted in producing animal heat to keep the stock warm; it keeps horses in condition for work on less feed. Warm, sunny, wind-tight hoghouses make possible two litters a year with more and healthier pigs. A well-built poultry house increases egg production—in the season when prices are highest. A good implement shed doubles the life of farm machinery. Every good farm building pays big dividends on the investment, year after year. And a good farm building means White Pine for all outside uses. It costs a little more but it assures permanent buildings and practically cuts out repairs. Plan your buildings now. And see us for practical plans for all types of farm buildings. We can help you. Yes, business is good with us, thank you, but why not cast your lot in with us and make it still better? The more volume of business we do the greater will be your savings on your purchases, as it costs just so much to conduct a business. After that overhead charge is provided for the margins of profit can be cut proportionately. WE CUT THE MELON WITH YOU.
