JUNIORS BLOSSOM OUT WITH FIRST PARTY

OF THE SCHOOL YEAR—A DELIGHTFUL TIME HAD LAST NIGHT.

THE REST WILL SOON CATCH UP

As Weiner Roasts and Other Events Will Follow Each Other in Rapid Succession.

"All work and no play, Makes Jack a dull boy."

The first social event of the school year was enjoyed last evening by the members of the Junior class of the high school at the school building and which will be one of the historic events in the records of the class.

The members of the high school faculty were invited and the larger portion of them were able to be present and join in the very pleasant occasion. The Juniors are a live and active class of young people who see that their events are carried out in a manner that will be thoroughly enjoyable and in preparing for the gathering last evening they left nothing undone to make it a complete success.

The various games were played in the "gym" of the school where merriment reigned supreme for several hours. At a suitable hour a dainty two course luncheon, consisting of sandwiches, delicious punch and pineapple shobet was served, which was very much enjoyed.

Miss Glenna Dixon, advisor of the Juniors, assisted in the pleasures of the evening and the members of the class were well pleased with the initial social event of the season and hope for many more such enjoyable gatherings.

The class, at their meeting this week re-elected Mason Wescott as president of the class, and he will preside over its destinies during the school year.

BYRON ARRIES NOT TO BE OPERATED ON

Pleasant News Received Here from Marine Says Wounded Leg is Showing Improvement.

From Saturday's Daily. Advice received from Byron Arries, at the Marine base hospital, at Hampton Roads, Virginia, state that on the advice of the surgeons in charge of the hospital there will be no operation performed upon his leg which was injured by a machine gun bullet during the Argonne drive in France last fall.

Mr. Arries spent several weeks here on a furlough with his parents, Mr. and Mrs. A. M. Arries and returned to the hospital early in September to have his injured leg looked after, but since his stay there the wounded leg has shown such marked improvement that it was decided it would not be necessary to have the leg re-broken and set.

It was found that the wound had left the leg a great deal weaker than the normal member and this had caused a great deal of trouble to the patient, but it has now regained its former strength and Mr. Arries is able to get around as well as before the wound was received.

That this brave young man is to have the full use of his limbs and not be compelled to undergo a second operation will be pleasing news to his many friends in this city, for Byron has undergone a great deal in his experience in the war and his sufferings for his country have been very severe.

DEATH OF MRS. H. K. DUNBAR

Former Resident of Plattsmouth and Old Resident of State Passes Away This Morning.

From Monday's Daily. This morning at 8 o'clock at the home of her daughter in Ashland, Mrs. H. K. Dunbar, for many years a resident of this city, was called to final reward after several days of suffering from a stroke of paralysis. Mrs. Dunbar has been making her home for the greater part of the time since the death of her husband in 1909 at the home of her daughter, Mrs. H. A. Wiggenhorn, at Ashland, and it was there that she passed away. On last Thursday morning she was stricken with a severe stroke of paralysis from which she could not recover and during

the intervening days the tender hands of the children and relatives have cared for her, lessening the sufferings which she bore with patience and fortitude while awaiting the summons that would bring everlasting peace and rest to her. During her illness her son, F. H. Dunbar and wife of this city have been at her side assisting in the care of the beloved mother, and doing what was possible toward making her last hours as easy as they could be made. Mrs. Dunbar was born September 3, 1839, and had just passed her eightieth milestone of life. This worthy lady made her home in this city for a number of years while Mr. Dunbar conducted the Hotel Riley, and during her residence here she made many warm friends who will learn of her death with the greatest of regret and sorrow. The funeral of Mrs. Dunbar will be held tomorrow afternoon at 3:00 o'clock at Ashland and burial will be at the cemetery in that city.

VICTOR SHERWOOD TO UNDERGO OPERATION

From Friday's Daily. Victor Sherwood, formerly of this city, but for the past few years engaged in railroad work for the Union Pacific, is at present at Rochester, Minnesota, where he has been for the past week and will be compelled to undergo a very severe surgical operation. For the past two months Mr. Sherwood has been troubled with his eyes and the sight has gradually become so affected that he was threatened with blindness. To secure relief Mr. Sherwood visited the Mayo Brothers at Rochester, where an examination was made and it was found that the patient was suffering from a tumor on the brain and that an operation was necessary at once in order to save his life and to restore his eyesight which had been affected by the tumor. Mr. Sherwood will remain at Rochester until it is possible to have the operation performed. The friends here of this young man will anxiously await word from the hospital as to the outcome of the case as the severe nature of the operation makes the case a very delicate one. The money you spend in a consistent newspaper advertising campaign will come back to you trippled in a very short time.
