Methodist Church Items.

Events seem to be moving toward the undertaking of the enlargement of our church plant. We are earnestly hoping for its success. It will but be in keeping with the spirit of such a community as Alvo. It will also put the religious work of the community on a basis of effective service, that we think will mean much to its life.

The beautiful Sunday was an encouragement for a good audience last Sunday morning. There was no service in the evening owing to the indisposition of the pastor.

The Epworth League held a very interesting "Twin Service" in the evening.

There will be the usual service next Sunday morning. In the evening a stereopticon missionary address will be given on China. Nearly 100 beautiful pictures will be used. This is not only a missionary lecture, but one of general interest and information as well.

Sincerely,
E. A. KNIGHT, Minister.
