### PLEASANT SOCIAL EVENT

From Tuesday's Daily.  
Yesterday afternoon a number of ladies took a sudden notion to invade the cozy home of Mr. and Mrs. Thomas Wiles and make Mrs. Wiles the victim of a complete surprise. When the ladies entered the Wiles' home and greeted Mrs. Wiles with surprise, she was somewhat shocked and it took some little time for her to recover, after which she proceeded to entertain her guests in her usual hospitable manner. The cause of this most delightful surprise was the fact that it was Mrs. Wiles' sixty-first birthday anniversary and her lady friends came to the conclusion that they would assist her in celebrating the happy event. As a token of love and esteem in which she is held by her friends, she was presented with a beautiful cut glass bowl. The afternoon hours were passed in various amusements and social conversations. The invaders had come well armed with good things to eat and at a suitable hour delicious ice cream and cake were served. About the hour of 5:30 and after wishing Mrs. Wiles many more happy birthdays, the invaders withdrew their forces, declaring this birthday surprise one of the most pleasant they had participated in for some time. Those in attend-

ance were Mesdames H. C. Leopold, A. J. Beeson, L. S. Wiles, Ted Wiles, C. P. Sydebotham, W. R. Bryan, J. R. Stine, O. C. Hudson, C. E. Whitaker, Neil and L. F. Pickett.

## BASE BALL SEASON IS DRAWING NEAR

But a Few Short Weeks Until the Cry "Play Ball" Will Awaken the Echoes

From Monday's Daily.  
The calendar indicates that half of the month of March has slipped by us and brings with it the thought by this time next month the base ball season will be ready to open with all its attractive features for the fans who delight in the great national amusement. This naturally leads to the thought of the possibilities of the team that will represent this city during the coming season and now is the appropriate time to commence the work of planning the organization that will take the diamond as soon as the last traces of winter have fled. The veterans of the game who have been the mainstay of base ball here for the past several years are all with us yet and will be able to assist in the work of organization of a winning combination. The Burlington league, which played here in the late summer developed a number of good players who demonstrated their proficiency in the different departments of the game and their assistance would help out the organized base ball a great deal.

In speaking of the Burlington league, it is to be hoped that this organization will get into the game this year with teams representing the various departments as they did last year as these teams furnished some excellent games and the keen interest shown by the players and fans in the various contests played made it a very successful and enjoyable season. By adjusting the schedule so that an earlier start can be secured the full advantage of the long summer evenings for twilight ball can be enjoyed thoroughly.

By all means let us have a good fast team representing the city and the Burlington league teams to make the means of pleasurable summer entertainment.

### ONLY FAIR AND JUST

Mrs. Mary Stiller wrote us from Santa Rosa, Calif., on January 31: "Triner's American Elixir of Bitter Wine is my remedy for which I entertain the highest regard. I suffered from headaches very badly, and this remedy helped me. I also slept well after having taken it at bedtime, and everyone knows that sleep invigorates better than anything else, especially if one is not young any more. If it is worth publication, I am satisfied." Surely it

is only fair and just to acquaint all those who suffer with the same troubles with this splendid result of Triner's American Elixir of Bitter Wine. Ask your druggist or dealer in medicines for this reliable remedy and try Triner's Angelica Bitter Tonic which is unsurpassed for rebuilding the sapped vitality and energy.—Joseph Triner Company, 1333-43 S. ### Time to Fix Up Jimmy

No doubt you are thinking of fitting out the boy in a suit. You hate to think of it cause you have read of boys' suits offered for Spring at—  
**\$25 to \$50**  
We have about 200 boys' suits in stock, all but a few at a year ago prices. LISTEN!

A boys' department don't pay—we don't want it to—not in times of prices as we find now. At any rate there are about 200 Plattsmouth boys that are going to have a suit at less than ONE-HALF what you will pay in the city. With a large carried over stock last fall, we didn't buy much for Spring. We figured \$25 to be too much for boys' clothes, and that is what they would have to bring.

We left the prices where they were, and want you to come in and see what we can give you in all wool boys' clothes at \$9.50 to \$17.50.  
Strong at \$12, \$13 and \$14
