Is Your Job Hard Enough for a Patriot Truck?

Patriot Trucks are designed and built for hard jobs—rough work—severe service. They are sturdy, strong, tough.

Plenty of power to plow right through mud, sand, drifted snow—plenty of power for steep, slippery hills. If yours is a hard trucking job—one that requires unusual strength and power and above-the-average dependability—better investigate Patriot.

Three models, 1500 to 7500 pounds capacity.

YOUNG PEOPLE JOINED IN MATRIMONY

HOME OF MR. AND MRS. JOSEPH HADRABA SCENE OF PRETTY WEDDING TODAY

SPEND HONEYMOON IN WEST

Departing This Afternoon Via the Burlington—At Home Here After First of July.

From Saturday's Daily.
This morning at 11:00 o'clock the pleasant home of Mr. and Mrs. Joseph Hadraba on west Vine street was the scene of a most charming wedding when their daughter, Miss Helen, was united in marriage to Mr. William L. Heinrich.

The parlor of the home was very tastefully arranged with decorations of roses and ferns that lent a pleasing touch to the happy event. Preceding the ceremony Mrs. E. H. Wescott sang very charmingly "Come, 'Tis June Time," the accompaniment being played by Mr. Wescott, and as the bridal party entered the parlor the "Bridal Chorus from Lohengrin" was played very softly by Mr. Wescott.

Miss Hadraba made a most winsome June bride, being gowned in a traveling suit of dark blue serge with braided trimming and wearing a picture hat to match. The bride wore a corsage bouquet of daisies and ferns. Miss Ruth Drozda, of Omaha, as bridesmaid, was gowned very charmingly in blue and wore a corsage bouquet of red roses. The groom and the groomsmen, Mr. George Heinrich, of Havelock, wore the conventional dark traveling suits.

The golden wedding ring was

"Edison and Music" gives the chief characteristics of the most important period furniture styles. It tells how Mr. Edison came to make every New Edison Period cabinet. It illustrates the 17 beautiful designs.

The NEW EDISON

Among the 17 Edison Period photographs, you'll find cabinets with the home-loving ideas of England's traditional culture.

—cabinets with the elegance of France's most luxurious days.

—cabinets with the esthetic refinement of Italy's inspired furniture art.

—all adapted direct from the original historic masterpieces by Mr. Edison's designers.

—all full of the culture and meaning you want your home to carry.

borne in the heart of a snow white lily carried by little Helen Virginia Price, niece of the bride, who was sweet and winsome in a charming creation of pink silk with a tiny bonnet to match.

The marriage lines were read by Rev. A. V. Hunter of the First Methodist church, the beautiful and impressive ring ceremony being used.

During the marriage service with soft and reverent touch, Mr. Wescott played "I Love You Truly," as the bridal couple plighted their troth.

At the close of the marriage ceremony the young people were showered with the best wishes of the family and a few intimate friends who comprised the wedding party.

A very dainty and delicious wedding luncheon was served following the services to the members of the bridal party and the friends, and following this the young people departed at 1:58 over the Burlington for Denver, where they will enjoy a short honeymoon.

Mr. and Mrs. Heinrich will be at home after July 1st at their new home on west Main street that is awaiting their return.

It is the pleasant thought of the many friends of these estimable young people that they are to make their home in the future in the city where their lifetime has been spent and no home has been prepared with more thoughtful care than that which the young people will make theirs in the years to come. It is seldom that two such splendid young people are found as this happy bride and groom and certainly the choicest blessings that the waiting years can hold are none too good for them.

The bride is the daughter of Mr. and Mrs. Joseph Hadraba and a most winsome and charming lady who has been active in the work of the Methodist church in this city, and is loved and esteemed by a host of friends. The groom is the youngest son of Mr. and Mrs. Fred Heinrich, Sr., and is one of the sterling young men of the city, being an employe of the Burlington and is held in the highest respect by his host of life long friends.

The relatives and friends from out of the city to attend the wedding were Mr. and Mrs. Fred Heinrich, Jr., and son, George of Havelock; Mr. and Mrs. Peter Drozda and daughter Ruth, of Omaha and Mr. and Mrs. L. D. Hiatt and little daughter of Murray.

MANLEY ITEMS

W. J. Rau was in attendance at the bankers convention which convened in Omaha last week.

Edward Kelly was a visitor at Omaha last Sunday where he enjoyed the ball game which was staged there at that time.

Last Saturday afternoon Mrs. Rudolph Bergman and children visited at the home of her parents, Mr. and Mrs. John Group of Louisville.

Wm. Harnes and Eli Keckler are keeping in practice with the ball, though they cannot find a sufficient number to form a team for Manley.

Miss Minnie Peters of Talmage has been visiting for a number of days last week at the home of her sister, Mrs. Theodore Harnes of Manley.

Henry Fornoff and family were the guests at the home of Joseph Wolpert last Sunday. Mr. Fornoff is farming the Wolpert farm this season.

Hugh O'Brien and family and Walter O'Brien and family attended the confirmation services at the Saint John's church in Plattsmouth last Sunday.

The children of Mr. and Mrs. Charles Kimbrey of Weeping Water, were visiting in Manley a few days last week at the home of George Schaefer.

Mrs. James J. Murphy of Manley was a visitor during the past week at the home of her daughter, Mrs. Dr. Wonder of Omaha, remaining for a few days.

Mrs. A. J. Cornish, widow of the late Judge Cornish, was a visitor in Manley last week for a few days and guest with the Rev. Father Higgins and his mother.

Miss Lida Fleishman, daughter of Mr. and Mrs. Fred Fleishman, was a visitor in Omaha for over Sunday and the guest at the home of her friend, Miss Wilma Evans.

George Bickart and wife of south of Elmwood were visiting at the home of Daniel Bourke last Sunday, enjoying the occasion greatly and returning home in the evening.

Wm. Kelly and family of west of Mynard, were visitors last Sunday at the home of Mrs. John Kelly of Manley, driving over in their auto, and enjoying an excellent time.

Miss Margaret Sheehan, daughter of Mr. and Mrs. William Sheehan who has been attending the Ursula's Academy at New York during the past year, returned home last week.

John Flashman and family took their auto and made a trip to Omaha, where they spent the day at River View park, having a splendid time and returning home in the evening.

George Stohlman and wife of Fremont, where Mr. Stohlman is a teacher in the Midland college of that place, have been visiting at the home of Mrs. Geo. Stohlman, Sr., of Manley for a few days.

August Pautsch, Wm. J. Stohlman and Lee Mayfield, all of Louisville, were in Manley one day last week advertising the chautauque which is to be held in Louisville from and including June 23 to 27th.

The new home which C. E. Mockenhaupt is having constructed, has just been given the last white coat of plastering and is now ready for the finishing touches of the carpenters and will then be ready for the painters to finish the inside.

The Louisville road to the brick church north of Manley and from there south to the road running from Murray to Murdock makes an excellent road from Louisville to Omaha to Elmwood, Murdock, Eagle and Lincoln, the road being in excellent condition.

Some of the school boys after the closing of the schools, have demonstrated the right spirit, as they have gone to the farm to assist in the summer's work, Henry O'Leary is working with Hugh O'Brien and Johnnie Earhart is working for his brother Frank Earhart.

Theodore Harnes and wife departed last Sunday morning for Lorton and Talmage, where they spent the day visiting with friends and were compelled by a rain which visited that portion of the country to remain until the following day getting home last Monday.

Last Thursday a reception was given Mr. and Mrs. Martin Grefe, who were married at the home of the bride's parents at Louisville last Wednesday, the bride being Miss Ruby Stafford. The ceremony was performed by the Rev. F. Hartman, pastor of the Louisville church.

W. J. Rau, the banker, was in Louisville last Saturday on some business matters and from there he was accompanied by Weeping Water by Mr. Ralph Larson, assistant cashier of the Bank of Commerce of Louisville, where they were considering some matters, returning to Manley where Mr. Larson dined with Mr. Rau and wife and later returned to his home at Louisville.

Spend Day at Manawa.
Last Sunday A. H. Humble and wife, W. H. Frost and wife, Herman Routh and wife and Rudolph Bergman and family, spent the day at Lake Manawa, where they enjoyed themselves greatly, eating the dinner on the grounds and enjoying the boating and swimming at the beach.

Getting Along Nicely
Frank and Clarence Earhart and the family of Joseph Miller were visitors in Omaha last Sunday, going to visit with Miss Gertrude Earhart, who a short time ago underwent an operation for appendicitis and who is at this time reported as getting along nicely. Miss Gertrude is recovering at the St. Joseph hospital where she underwent the operation.

Hold School Meeting
The school meeting which was held in Manley last Monday was attended by a large number of the patrons of the district, the reports of the past year being received, which showed good work during the year just past. The levy for the coming year was made and the vacancy filled in the board by the election of Harrison J. Livingston, which makes

Maximum Engine Service

Cheaper Power and More of It

That's just what every farmer and power user is looking for. It will be well worth your while to ask us to explain why Stover Good Engines give maximum engine service—cheaper power and more of it. Thousands of power users in all parts of the world have tested and proven the mechanical perfection and over plus of power.

1/2 to 60 H. P. GASOLINE, KEROSENE DISTILLATE, CRUDE OIL

Stover construction is exceptional—drop forged and machine hardened parts. Cylinders and pistons accurately ground and fitted, saving wear and maintaining compression. Heavy enough to eliminate vibration, but no excess weight.

Stover Good Engines are particularly designed for the work you are going to do. They are built by experts—experienced designers and builders of "good" engines. Dimension for dimension, rated for output, gallon for gallon of fuel a Stover Good Engine affords cheaper power and more of it than any engine you can buy. They come to you all ready to set up and begin work at once. Their construction, material, workmanship and features afford every user of a Stover Good Engine many years of satisfactory, economical power service.

HERMAN DALL

Manley Nebraska

We carry Stover Samson Windmills, Feed Mills, Comminuters, Ensilage Cutters, Pump Jacks, Saw Rigs, etc.

the board consist of W. H. Frost, Geo. Coon and H. J. Livingston.

Announce Coming Marriage

Cards are out announcing the coming nuptials of Miss G. E. Ash, the accomplished daughter of Mr. and Mrs. Wm. Ash of Manley and A. B. Kanaly of Falls City, which will be celebrated during the latter part of the present month.

Grew Some Strawberries

The harvest of strawberries at the gardens of Mr. Thomas Keckler has just about been completed, showing something over four hundred quarts of excellent berries and at the pre-

calling price of thirty cents per box, would have made a yield of between \$1,500 and \$2,000 per acre. It is not to be wondered that Cass county land is valuable.

Inspects Road Work

State Engineer Johnson from the Engineers office, was a visitor in the neighborhood of Manley a few days ago, inspecting the work done on this road from west of Murray to Murdock and found the grading satisfactory in the main, but owing to the fact that no engineer had surveyed the work before it was begun, the edges of the road will have to be gone over again in some places which will make it all right.

What a Difference it Makes to Mother

WATCH the average farm mother—your mother, for example—as she goes about her daily work. You'll be amazed at the amount of physical labor she does. See her operating the churn—straining over the pump—stooping under the heavy pail of water—rubbing and rubbing over wash board—to say nothing of her ordinary daily chores.

Then after the day is done, see her trying to sew or read by sickly, cheerless kerosene lamp light.

Think—what a world of difference it would make to mother if your install a

Silent ALAMO

FARM, ELECTRIC, POWER AND LIGHT PLANT

—the plant that has won thousands and thousands of friends everywhere.

This remarkable plant is free from ruinous vibration. All that terrible shaking and jolting is gone—due to the quiet running Idle Super-Silent Motor and scientific balancing of weight.

A throttle governor controls engine speed—gives tapered charge to the extra size batteries. Automatically stops when batteries are full. Motor is fully protected at every point. When oil gets low, motor stops. When cooling water gets low, motor stops. The Silent Alamo is practically trouble-proof—built to give long, efficient and economical service.

Come in, write or 'phone for demonstration. See it and it will be your choice.

L. H. PULS,

Murray, Nebraska
