Chamberlain's Colic and Diarrhoea Remedy

Every family should keep this preparation at hand ready for instant use when needed. Severe attacks of colic and cholera morbus often prove fatal before medicine can be procured or a physician summoned. The uniform success that has attended the use of this remedy and the prompt cures which it has effected have made it a staple article of trade.

GRAIN CROP HURT BY SPRING FROSTS

Late Rains Have Improved Condition But Winter Wheat Yield Will Be Much Less Than First Indicated

J. J. Cox, division freight agent for the Lincoln traffic district of the Burlington, in his report made public Thursday says there is no getting away from the fact that winter wheat has been damaged considerably over a considerable territory. This is charged to spring frosts and the hot dry weather in the last half of May.

The report follows:

Main line east: Winter wheat, fair to good; spring wheat, fair to good, but acreage small; oats, fair; corn, very good. Rainfall: 1 to 3 inches; soil, fair to good. Top of ground very dry up to June 1. Potatoes, good; hay, good. Exceptions: Greenwood: Winter wheat will make about half a normal crop. Ashland: Damaged by late frosts. South Bend: Winter wheat rather poor. Heads very short, and not well filled.

Sioux City line: Condition winter wheat, fair to good; acreage small; spring wheat, fair to good; acreage very small; oats, fair to good; corn, very good. Rainfall: 1 to 2 inches; soil, in good shape since June 1. Potatoes, good; hay, good.

O'Neill line: Condition winter wheat, fair to good; very small acreage; spring wheat, fair to good; very small acreage; oats, good; corn, very good. Rainfall: 1 to 4 inches. Soil, very dry; potatoes, fair to good; hay, fair to good.

Schuyler line: Condition winter wheat, fair to good; spring wheat, fair, acreage very small; oats, poor to fair; corn, good. Rainfall: 1-4 to 2-1-2 inches; soil, good since June 1. Potatoes, fair to good; hay, good.

Lincoln to Nebraska City—condition winter wheat, fair; spring wheat, fair, very little acreage; oats, fair to good; corn, good. Rainfall: 2 to 4 1-2 inches; soil good. Potatoes, fair to good; hay, just fair. Exception: Syracuse: About 40 per cent damage to winter wheat, account late frosts and hot, dry weather.

Nebraska City to Graf: Condition winter wheat, fair to good; spring wheat, fair to good, but very little acreage; oats, fair to good; corn, good. Rainfall: 1 to 2 inches; soil, good; potatoes, fair to good; hay, fair. Exceptions: Peru and Nebraska: Winter wheat damaged about 50 per cent account late freeze, etc. Brownville and Graf: Winter wheat damaged about 60 per cent, account late freeze, etc.

Tecumseh to Lincoln: Condition winter wheat, fair to good; spring wheat, fair, acreage very small; oats, poor to fair; corn, good. Rainfall: 1-2 to 2 3-4 inches; soil, fair to good, since June 1. Potatoes, fair to good; hay, fair to good. Exceptions: Smartville: Winter wheat damaged about 30 per cent, account dry, hot weather. About 10 per cent of crop will have to be replanted account recent heavy rains. Fifth: Winter wheat; straw and heads very short, account hot, dry weather. Rows: About 50 per cent of corn will have to be replanted, account recent heavy rains.

SWEET BILL PASSED BY LOWER HOUSE

Measure for Consolidation of Soldier Welfare Work is Approved—Now Goes to Senate.

Washington, June 10.—The house late today passed the Sweet Bill, under which government agencies dealing with former service men would be consolidated. The measure now goes to the senate.

The bill was passed by a unanimous vote of 335 to 0.

An important amendment to the bill authorizes payment of government insurance to beneficiaries of war veterans who permitted their policies to lapse while suffering from wounds or disease incurred in line of duty, from which they died.

CREDIT FOR CATTLEMEN PLANNED BY TREASURY

Washington, D. C., June 9.—Plans for providing credit facilities for cattle raisers without new legislation are under consideration by treasury officials. The proposal, it was explained today, would be an alternative to the federal reserve board's recommendation for legislation to make available to the war finance corporation \$50,000,000 for loans in the industry.

CASS CO. FARM BUREAU NOTES

School for Managers of Elevators

The University of Nebraska and the United States bureau of markets co-operating will give a short course for elevator managers at the Nebraska college of agriculture June 13 to 24. The course will deal principally with elevator accounting, grain grading and general problems. At least four of the eight hours each day will be devoted to accounting.

The college of agriculture has complete grain grading equipment such as is used and recommended by the bureau of markets. It also has a large variety of grades of the different grades. The short course students will spend two or more hours a day grading grain in the laboratory.

Shorthorn Breeders Meeting

The first annual picnic of the Nebraska Shorthorn Breeders' association will be held at the state college of agriculture June 25. Former governor A. C. Shellenberger of Alma is president and Tom McCarthy of York is secretary of the association.
