Always at Your Service!.....

The Bank of Murdock believes in Service with a capital "S." Unless one gives the service he proclaims, he cannot expect the patronage of the public.

Whether the service be little or great, we are pleased to render the best at all times.

The Bank of Murdock

Murdock, Nebraska

"The Bank where You Feel at Home"

HENRY A. TOOL, President J. E. GUTHMANN, Vice-Pres.

Miss Selma Brachle, saleslady in the Mercantile company, was a business visitor in Omaha last Thursday, where she purchased goods for the store here.

Emil Kuehn of Lincoln, was a visitor in Murdock last Tuesday and Wednesday and was looking after some business interests which he has in Murdock and vicinity.

Thomas Walling and W. A. Robertson, who were looking after some business at Eagle's last week, stopped in Murdock for a short visit at the home of J. E. McDonald and family.

H. A. Guthman and family were enjoying a visit at the home of the former's mother, Mrs. Frank R. Guthman of the county seat, remaining for a few days during the fore part of the week.

W. A. Schurz and family and Henry Holman, were fishing last Thursday at Meadow, where they enjoyed the afternoon and evening and also succeeded in making an excellent catch.

J. Johansen, the proprietor of the market, and H. H. Lawran, the painter and decorator, were looking after some business matters in Lincoln last Thursday, making the trip overland with their car.

Jess Landholm, who is kept busy, tells of business being very good, and with his assistant Mr. Dillre Pitt, is kept very busy at the garage, and is well pleased with the success which is coming his way.

Never heard of Kalkont? Ask our customers about it, and you may want to use this splendid water color for painting your walls and other decorations. We have all colors at the Dusterhoff shops.

Lee Cooper, who is with the First National Bank of Sioux City, and wife, who is a sister of Mrs. O. J. Pathast of Murdock, were spending the week end at the Pathast home, all enjoying an excellent time.

Max Dusterhoff was a visitor in Elmwood last week, where he was engaged in doing some letters for the Kutz Brothers garage of that city. Mr. Dusterhoff is an excellent sign writer and is making a very enviable reputation by his excellent work.

This is not only June, the most pleasant month in the year, but it is also fly time. Flights for horses are very cheap, compared to last year's prices. A. J. Tool, the harness man, carries a good assortment.

Allen Landhoff of North Platte, was a visitor in Murdock last week, where he was the guest of his brother, Jess Landholm and family, during a three days' visit, after which they went to Omaha and later to Oakland for a visit before returning to their home at North Platte.

Chas. Rau, Harry Gillespie and I. G. Hornbeck could not resist the invitation of the balmy weather last Thursday and securing some tackle hopped into their car and were off for the lakes for a few hours, and to commune with the fairy tribes, with which they are on good terms.

Mrs. E. W. Thimgan, who is a very capable musician, has a large class of beginners in music which are much interested in the art. This enables all who have children in and near Murdock to enjoy the privilege of giving them a start in the musical education which is so desirable.

Mr. and Mrs. O. E. McDonald and family were guests at the home of the former's mother, Mrs. Myra McDonald at Murray last Sunday, and also visited at the home of Mrs. McDonald's parents, Mr. and Mrs. J. R. Kelly of Plattsmouth, where Miss Margaret is remaining for a longer visit.

McDonald, visited at the meeting of the Order Eastern Star at Elmwood last Tuesday evening at which time a number of members were received, among them being Mr. and Mrs. Louis Bornemeier, and Mr. and Mrs. John Brown, Jr.

Elmwood Alumni Banquet
A number of the people of Murdock and vicinity, who have graduated at the schools at Elmwood in the past, attended the meeting of the Alumni which convened in that city on last Saturday, June 4, and which was attended by nearly two hundred of the former students and their friends and it was an excellent gathering which was followed by a generous flow of oratory. Those to attend from Murdock were Henry and Margaret Amgwert, James Milles and wife, John Paul Pickwell, Victor Thimgan, Miss Esther Schmidt, Wm.

Meyers, Masters Gale and Glen Pickwell, and Mr. and Mrs. Frank Melvin.

Many People Buy Cars.

Dr. A. R. Hornbeck recently purchased through the agency of T. W. Thimgan garage, a new coupe, which he will use in his practice driving and has an excellent car for the work which has been purchased. Dr. Hornbeck well knows the car for service and has made a good selection. Oscar McDonald has also purchased a car from the Thimgan garage which he is using for his needs and for pleasure riding as well. J. E. McDonald of the Murdock Mercantile company, has purchased an Oakland car which he also received from the Thimgan garage, and with the large amount of work which is in the garage at the present time, Mr. Thimgan reports business as being very good.

Young People Married in Omaha.

Two young people of this vicinity, taking a trip to Ashland where they embarked via the Burlington to Omaha and there were united in matrimony, and in a manner only surprised their friends, for while they made no declaration to their friends here, it was generally known of the approaching nuptials of Mr. Charles Schafer, one of the best known and popular of young men in this vicinity, and one with a multitude of friends, and Miss Frances Campbell, whose home was near South Bend and who is one of the finest young ladies in the state of Nebraska. The young people have the best wishes of their large circle of friends for their success and happiness in this life. Mr. Schafer is an exemplary young man and has been with the firm of Wm. Gault, where he is at present employed. The young people with the best wishes of their many friends, also have the choicest wishes of this paper for a long and happy life.

Accepts a Position.

Kenneth Tool, who has just completed his course in the state university at Lincoln, has accepted a position with the Bank of Murdock and which is one of the best of institutions in the banking line, and in which we are sure Mr. Tool will make a success. Mr. Kenneth Tool is an excellent young man with good capacity and an ambition to make a success and we see in him the elements which will make good. The bank is fortunate in securing such an excellent young man.

Will Build Hay Barn.

Gust Wendt, one of the progressive farmers in this vicinity, has arranged for the construction of a large hay barn and also a chicken house, both of which will be up-to-date in every respect. The foundation of the chicken house is being constructed by Gust Wendt, and the work of the building will be done by Frank Melvin. The hay barn is to be capable of containing a large number of tons of hay and will care for much of the hay which has had to be stacked outside in the past, and thus a large percentage being damaged by the weather. The chicken house is to be modern in every respect, with concrete floors, heating apparatus, and plenty of light for the winter. Mr. H. W. Tool is furnishing the material which is selling at prices which enable anyone to build.

GETS THE HIGH SIGN.

For several days past a stranger has been within our gates whose means of livelihood was not apparent on the surface and who has been bunking in the old air dome and other convenient locations, but on the urging of Chief of Police Alvin Jones the stranger has gone hence to bright and not warmer climes. It seems that the stranger was filled with a war like spirit and which at frequent intervals would break forth in a manner that was offensive to those who were in his vicinity and one of these outbreaks was the direct cause of his leaving our peaceful city and hastening back to his native land of Nebraska City where he will annoy the residents of Mayor Frank Thomas' city.

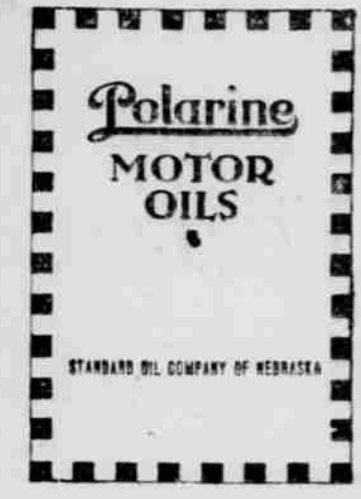

The stranger had gathered two companions with him who were decidedly in awe of his prowess and he was berating them and announcing that he was the best man in the city when Chief Jones happened to drift past and he soon told the gentleman who was the best man and also indicated that the best thing he could do was to hunt solitude and lots of it, and the stranger without any argument proceeded to hit the high spots out Chicago avenue toward the Otos county city.

CASES IN DISTRICT COURT.

An action was filed today in the office of the clerk of the district court entitled Laura E. Ryons, et al, vs. Rebecca J. Ryons, et al, and in which the plaintiff asks that title to certain real estate in Cass county be quieted in her title. Another petition filed was that of Ethel Plummer vs. George Plummer, in which the plaintiff states that the parties to the action were married in Iowa, May 11, 1906, and that in August, 1908, the defendant deserted the plaintiff and has not since that time separated the plaintiff or the minor child of the marriage. The petition asks for a decree of divorce and the custody of the minor child of the parties in the action.

Itch! Itch! Itch! Scratch! Scratch! Scratch! The more you scratch the worse the itch. Try Doan's Ointment which is followed by a generous flow of oratory. Those to attend from Murdock were Henry and Margaret Amgwert, James Milles and wife, John Paul Pickwell, Victor Thimgan, Miss Esther Schmidt, Wm.

Your guarantee of engine power and engine protection

Lubricating oil has a double duty. It must maintain a fuel-tight and gas-tight seal between the piston rings and the cylinder walls—otherwise fuel and the explosive gases are not completely converted into useful power. Fuel is wasted and you get less power.

It must maintain a smooth, cushioning film in all bearings and between all engaging parts—otherwise bearings burn out, parts wear loose, vibration becomes excessive, breakage and expensive repairs and replacements become necessary.

Polarine is the perfected lubricating oil of the world's largest and most experienced manufacturer of oils for all purposes. It maintains its body and lubricating qualities under extremes of temperature and operating conditions. It is your best and safest guarantee of both engine power and engine protection.

Polarine is made in four grades—light, medium heavy, heavy and extra heavy—but only one quality. Get the proper grade for your car next time you buy clean-burning Red Crown Gasoline—and you will start cutting down motoring costs.
