### SIXTEEN TEAMS TO PLAY AT LINCOLN

Weeping Water and Greenwood Pall Teams to Compete in State Tournament There.

Sixteen teams are entered in the state baseball tournament to be held at Lincoln during the state fair, and the success of the venture is practically assured, says the Lincoln State Journal. In addition to seven teams of the Lincoln city league there are entered Wilber, Beatrice, Greenwood Ceresco, Hickman, Burr, Weeping Water, Fort Crook Soldiers and the Havelock Boilermakers.

It was first planned to have the tournament start on Labor day, but the committee has now decided to stage the opening contests of Sunday September 4th. Two of the fast outof-town teams will battle with two of Lincoln's best teams on that day it is announced. The final games are to be played on Saturday, the las day of the state fair.

The Lincoln Amateur baseball as sociation is sponsoring the tournament and all profits made, if any, will revert to the treasury of the association to aid in paying off the debt incurred in building Rock Island
