

NEW YEAR IS VERY QUIET IN THIS CITY

NO EXCITEMENT MARKS DAWNING OF THE NEW YEAR AND PEACE PREVAILS.

The passing of the old year and the advent of the new in this city proved quiet affairs and little of note marked the occasion that in years past was marked by great festivity and convivial gatherings.

In the point of moisture the passing of the old year was decidedly arid in comparison of the past when the flowing bowl worked overtime flowing for the makers of the New Year resolutions.

The homes of the city were in many cases the scenes of gatherings of relatives and friends to watch the coming of 1922 and to hail the dawning of what is hoped to be a most successful year for our country and community.

This was in marked contrast with the observances held in Omaha and the larger places where theatres held late performances, the churches special watch party services and the cafes and restaurants remained open until the break of day of the year in fun and frolic.

Quite a number from this city were in Omaha to spend the New Year festivities with friends and to add their part to the general celebration.

As is usual after the New Year there was a more or less drooping off of the smokers among the male portion of the city but the tobacco dealers are preparing for the grand rush next season.

In many homes the members of the family signed the usual pledge to keep their temper around the house and be more generous in dealing with the shortcomings of their associates.

Since the demise of the well known phrase, "Here's to you," "Nazdar," "Guz Hail" and other kindred expressions, there was little need of the former "never again" resolutions in regard to man's old enemy.

Auto Party Meets With Serious Accident Car Plunges From Roadway South of This City Saturday Evening With Serious Results.

Saturday night shortly after 11 o'clock a very serious auto accident occurred just south of the city, near the farm of John Livingston and which resulted in the injury of Dr. H. D. Hebard of Nebraska City and Miss Albertina Skeen of Auburn, two of the occupants of the car.

It seems that the party were unfamiliar with the road and were on the highway from this city. There is a sharp turn at this point of the road, and Dr. Hebard, who was driving failed to notice the turn in the road and the car sped on over the roadway into the ditch and bank, wrecking the car and bruising and injuring the occupants to a greater or less extent.

Dr. Hebard had a very severe fracture of the knee caused by part of the steering apparatus, as the steering gear was completely broken off and the wreckage thrown onto the driver. Miss Skeen was also badly bruised up as the result of the wreck.

The members of the auto party made their way to the home of John Livingston and were brought on into this city by Mr. Livingston where their injuries were dressed and they were made as comfortable as possible under the circumstances of the case.

Returns to School This morning Mason Wescott and his school friend, Sanh Voudhara, of Bangkok, Siam, who have been here for the holidays as guests at the home of Mr. and Mrs. C. C. Wescott, departed for Chicago where they will resume their work at the Northwestern university.

WATCH OUT OLD YEAR

DRY SPELL HAS HIT THIS PART OF THE STATE

This afternoon Sheriff C. D. Quinton, assisted by Frank Deifel, made the arrest of several of the strike-breakers who were enroute from Omaha to Plattsmouth to take up work in the packing house there.

It has been the habit of the drivers of cars containing the strike-breakers to burn the dust through this city and accordingly they have been mistaken with the result that a number were nabbed today.

FORMER PLATTSMOUTH GIRL IS MARRIED

RETURN FROM AN EASTERN VISIT

W. H. Seybert Home from Dayton, Ohio, is Greatly Delighted with His Outing

W. H. Seybert of this city, who has been at Dayton, Ohio, for some time visiting at the home of his daughter, Mrs. C. A. Marshall, Jr., and family, has returned home and reports a most delightful stay in busy Ohio city and in viewing the many points of interest in that portion of the country.

The chief point of interest there is the National Cash Register company's establishment that covers many acres and is one of the most modern factories in the world with every possible means of adding to the comfort and efficiency of their employees.

Mr. Seybert was taken through the entire plant and had the different objects of interest pointed out to him by the employees. Mr. Marshall is employed there and this had added interest for Mr. Seybert. He also states that his son, Jennings Seybert, who has been making his home with his sister for the past few months, is now studying typewriting and stenography at one of the business colleges and doing very nicely in his new line of work.

While at Dayton Mr. Seybert took the occasion to visit the home of Ex-Governor James M. Cox, three miles south of the city, where the last democratic presidential campaign date has a beautiful home and where the visitors met a very cordial welcome. He also viewed the historic log house erected in 1786 and which was the first business house in the Ohio city and still in good shape and kept in its former shape as regards the furnishings and equipment, the same as it was in its early days.

The aeroplane factories at Dayton were also visited by Mr. Seybert and he found many objects of interest there that kept him busy for hours in looking over. The weather was as ideal as that here in Nebraska and gave him the fullest opportunity of getting around to see the points of interest.

Some Fine New Store Fixtures Philip Thierolf Has Modern Unit System of Display Cases Installed in His Store

The clothing store of Philip Thierolf is presenting a very neat appearance and the equal of any city establishment of this kind as the result of the installing by Mr. Thierolf of a series of unit cases for the display of the different articles of the clothing line.

These cases are provided with glass fronts and the customer can view the articles without the necessity of dragging down a large array of boxes by the clerk for the benefit of the customer. The larger units are for the shirt and underwear line and the smaller ones the hose and collar stocks. Mr. Thierolf has already had his suits, overcoats and hats in dust-proof cases and the latest addition makes the array very complete in every way.

W. C. T. U. MEETS

The local chapter of the W. C. T. U. held a very pleasant meeting yesterday afternoon at the home of Mr. and Mrs. J. E. Wiles on Chicago avenue, and which was quite largely attended.

Mrs. J. E. Wiles on Chicago avenue, and which was quite largely attended. The ladies enjoyed a special New Year's program that was most appropriate to the occasion and at the roll call the members arose and in answer to their names told why they were members of the W. C. T. U.

The ladies also decided to endow a room in the Francis W. Willard home in Omaha at the cost of \$200 and which will be taken up at once. The W. C. T. U. will hold a public meeting on January 16th, at which time Dr. Jennie Caffias of Omaha will be the principal speaker.

At the meeting yesterday afternoon the members of the party were entertained by a program consisting of piano numbers by Helen Wiles and Edith Tritsch, a vocal number by Mrs. E. H. Wescott. Mrs. Wescott also gave a short address that was a pleasing feature of the afternoon.

An appropriate hour dainty and delicious refreshments were served that added to the delights of the day.

Farm for Rent Fifty acres, twenty-three acre pasture. Good seven room house. Outbuildings in good shape.
