LOCAL BALL TOSS-ERS GRAB OFF ONE

Baseball Session.

From Morday's Dany.

Yesterday afternoon the Merors in a two hour struggle on the ed as one of the fastest young teams of Omaha, by the score of 6 to 2.

The attendance at the game was only fair as the good roads and the lures of the summer had evidently proved too great for the fans and drew them away from the exhibition of the national pastime.

For the locals William Harvey Mason was the selection for the box and was in the best of form with ten strike outs to his credit and was touched for only three hits, one of which was for a century, Shanahan, ling around first sack for the Ramblers, touched one of Bill's slow ones in the third inning for a drive over the right field fence but the hit did little damage as there was no one on base and only one run registered. Simpson, who did the tossing for the visitors has a reputation for his excellence as a slab artist but which

hits for the locals. The scoring in the game opened as soon as the locals took up the stick in the opening round and Pete Herold, the first man up, was hit by Simpson and took his station at the initial bag and sacrificed by O'Donnell to second and was on his way to third when Harry Newman hit to shortstop with a hot grounder that the fielder attempted to throw out Herold with at the third sack but the ball bounced out of the glove of Lang and Pete registered. Newman reached second safely and was followed by Shepherd who was robbed of a good hit by Goggemoss in center field; Joe McCarthy hit to left and the ball was dropped by Nogard and "Hons" scored; Grometer closed

the inning with a pop up to the Again in the fourth the Wolff aggregation got busy in the run get-ting line and registered two more DEATH SUMMONS scores; Shepherd hit one so hard to center that the alert fielder could not handle it and roosted safe on first when the smoke rolled away; Mc-Carthy sacrificed him to second and was followed by Grometer, who was safe on an infield ball and on which Sandy scored; Grometer scored when Connors rapped a safe one to left Passed Away Yesterday at Home in garden. During this inning the visitors pulled off a number of wild throws that practically threw away the game for their team and added

to the general confusion. Herold and O'Donnell were able to register in the fifth frame, Pete getting on through the error of Kra-Heck at second and O'Donnell walked; Newman rapped a hot to Simpson that he failed to handle and in the resultant mixup Pete registered and when Connors hit to left, William Patrick scored.

With the home run of Shanahan in the third the visitors put one over in the sixth when Newman failed to handle the grounder of Vogel and allowing the runner first and on the hit of Goggemoss he scored.
