A Bright, Brief Happiness
The home of Mr. and Mrs. Roy Woods was made happy by the arrival of a little girl baby which brightened their home and made a bright spot in their lives only to be followed by a sorrow, when the Angel of Death called the little one out of the cold world, back to the home of the Father in Heaven. Splendid Entertainment
The home of Mr. and Mrs. L. G. Todd was the scene of a very pleasant affair on Tuesday evening of this week. The event being a banquet given to the young men who belong to the Epworth League of the Methodist church.
The plans were made by the officers of the league and various committees were appointed to carry out the plans.
The decorating committee selected as their colors pink and white, and to say that their decorations were "beautiful" would be putting it in a very mild form.
The two long tables with sweet peas as centerpieces, the artistic nap cups, place cards and menu cards, together with the large bouquets of sweet peas and ferns which were placed entirely around the room; and the pink shades for the lights made the dining room a picture of beauty long to be remembered by those who had the opportunity of entering therein.
The out-of-town guests were Mr. Hilt Wescott and Mr. J. Perry of Plattsmouth, who assisted in the entertainment for the evening.
While the guests were arriving the young men sang songs, visited and enjoyed the musical numbers of Mr. Wescott.
When the time came for the doors of the banquet room to open, the young men, twenty-one in number, quickly found their places around the table and proceeded to enjoy the most important part of the program—the eats.
The elegant three course dinner was served by four of the league girls who carried out the color scheme in their dresses. The toasts were given between the courses.
Mr. J. A. Simmons presided as toastmaster and introduced the speakers in a very tactful manner. The welcome was given by Lewis Mougay, president of the league. Mr. Perry gave a very interesting toast on "Get Ready," Mr. Leslie Everett's toast was on "Take Aim," and Mr. Wescott gave the climax, "Fire."

The toasts were all rendered in an unusually pleasing manner and many very helpful and beneficial points were brought out during their talks.

Mr. W. H. Porter while not on the program for a toast, gladly responded when he was called upon for a talk. Songs were also sang between the courses which added quite a little "pep" to the affair.

Before adjourning, Mr. Wescott again responded to an invitation to furnish some music which was heartily enjoyed by the young men present.

At a rather late hour the guests departing feeling that the evening had been a most pleasant one and as some one put it—"All were grateful to the 'Good' Todd family for being entertained in their lovely home."

THREE PERSONS KILLED AS TRAIN HITS TRUCK

Emerson, Ia., July 16.—Three persons were killed instantly when the truck in which they were riding was struck by a fast westbound Burlington passenger train near the western outskirts of this town at 7:20 o'clock this morning.
The dead:
W. H. Eaton, 61, well-to-do farmer.
Lawrence Eaton, 20, his son.
Eunice Eaton, 15, daughter.
The accident occurred in the course of a rainstorm as the party was returning from doing the chores on their farm a mile from town. It is thought the rain obscured the vision of the driver. The truck was hurled more than fifty feet.
Mr. Eaton had resided in Emerson at his life. He was a member of the Woodmen and Yeomen lodges, and took a prominent part in church activities. The daughter was to enter Emerson high school in the fall. Surviving are the widow, two daughters and three sons. The funeral will be held Tuesday.

BEFUDDLING
When you look at some pieces of machinery, their intricacies amaze you—and you wonder how the brain of man ever conceived them.
Yet practically all mechanical movements are merely combinations of three basic principles—wheel, wedge and lever. Individually, these are simple. Grouped together, they look complicated.
So with all problems. No matter how involved and difficult they seem, a little analysis and common sense will disclose that they are built up of the very simple things, easily adjusted.
Get rid of fear and procrastination and no problem is insurmountably difficult.

WE THANK OUR FRIENDS
The nomination to the office of sheriff has gone to another and while this is so, I wish to extend to the many friends in this county my very sincere thanks for their loyal support. While I did not receive the nomination for the position, I did receive over 350 more votes than anyone else and this is very gratifying, when it comes to knowing that so many loyal friends supported me. I am thanking you all in this way as I have had to depart for the west to look after the harvesting and threshing of my wheat crop.
REX YOUNG.

LOUISVILLE WINS
The Cedar Creek-Louisville baseball contest that had been a fifty-fifty choice up to last Sunday, had the odd game of the series annexed by Louisville on their home lot by the score of 8 to 4. Errors on the part of Cedar Creek were responsible for the victory of Louisville. The Cedar Creek team has played twelve games this season, winning nine and losing three games. Cedar Creek will play Springfield next Sunday.
