Mr. Thomas B. Moore of Walthill was a visitor in Union and was shaking hands with his many former friends here.

Mr. Charles Chapman of near Ashland was visiting with his father and also with his brother, E. B. Chapman, and attended the Old Settlers' reunion as well last Saturday.

H. J. Miller and Jay Austin were doing good service in their pranking of the hundreds of autos which carried the crowds to and from the picnic grounds at the Old Settlers' meeting.

Robert Probst and family of Plattsmouth and Thayer Probst and family of Rainston were visiting at the home of A. W. Probst and also attending the Old Settlers' picnic last Saturday.

Mrs. Bessie Nichols niece of Attorney C. L. Graves of this city, arrived from Omaha, accompanied by her son and daughter and visited with friends and relatives and attended the Old Settlers' picnic last Friday and Saturday.

Some of Gus Hyers' men and Frankie Dettlef of Plattsmouth gobbled some half a dozen drinks, two from Omaha and four from Nebraska City, last Saturday evening and they answered toll call and an assessment of \$112 at the court of Wm. Weber on Sunday morning.

Mr. A. M. Storey now of Murray where he has been visiting for the past year and who formerly lived at Rock Bluffs when it was a considerable town, but for many years has been making his home in Pennsylvania, was a visitor in Union and attended the Old Settlers' picnic last Saturday.

Uncle A. H. Austin, better known as "Gabe" said at the Old Settlers' reunion last Saturday that he had been at just 23 of the 34 reunions, which has been missing but one of them. Mr. Austin has lived in Union and vicinity for nearly a half century and is well known as well as knowing nearly everyone living near Union and thinks this the finest country going.

Mrs. A. B. Taylor, Thomas Sullivan and Z. W. Shrader, three sisters, the first two making their homes in Plattsmouth, while Mrs. Shrader lives in Nehawka, were at the Old Settlers' reunion and were enjoying the meeting of their many friends. These ladies have been in this portion of the country for the past 58 and one-half years. They came here when they were only small girls and one but a mere baby. We do not think this can be beaten by any three sisters or brothers now living near here. If there be three who can beat this let us hear from you.

The Ball Games and the Results

Last Friday in the game which Union played with Nehawka, a very lively contest developed and as a result much outside interest was manifested. The home team proved the stronger in the contest and the game

resulted in a victory for the boys of Liberty to a tune of 11 to 8.

On Saturday there was a game between the Union team and the Omaha Ramblers in which the home team was put to route as they were not able to get anywhere that they still put up a good game. The luck seemed to be with the boys from Omaha and they carried off the pennant by the score of 15 to 4.

The game Sunday was played between the Union team and the Rock Bluffs and at the latter place and was rather tame as the Union boys had been engaged in the Old Settlers' games and had not had time for the needed rest. The game, however, was won by our boys, the result being Union 14, Rock Bluffs, 6.

Many Republican Candidates

The republican candidates seemed to have a premonition of the Old Settlers' reunion last Saturday as there were evidence of all grades from the county, state and national. Of course there were some democratic candidates as well, but not many. Among those represented were W. B. Banning of Union, democrat; A. F. Sturm, Nehawka; Will T. Adams, Plattsmouth; C. F. Harris, Union; R. H. Thorpe and Walter L. Anderson of Lincoln, republicans, and John Matzen, who wants to be state superintendent.

Will Hold Big Sale

R. W. Porter of Weeping Water was a visitor at the Old Settlers' reunion last Saturday and was enjoying the renewing of acquaintance of former years. Mr. Porter is one of the largest breeders of Black Poland China hogs in this part of the country. He has the large type and will hold a sale on September 23 at his home, Fair Oak farm, just in the south edge of Weeping Water and one desiring a few choice sows or boars of this kind can be supplied at this sale. Watch for announcements of the sale and write to Mr. Porter at Weeping Water for a catalogue of his herd.

The Old Settlers' Reunion

The Old Settlers' annual picnic and reunion for the year 1922 is a matter of history and also a matter of pleasant congratulation for the committee who worked so hard to make it the success which it was. Both days saw large number of people gathered at the picnic grounds where they were enjoying themselves visiting with their friends and renewing acquaintances. Excellent programs were given both days and were appreciated by the people who attended and listened to them. On Saturday there were in the neighborhood of 5,000 people present and all enjoying themselves. The order was good and no disturbance of moment occurred to mar the pleasures of the occasion. While the days were warm the abundant shade and the refreshment stands and the generous supply of ice water made the sojourn there one of pleasure.

Dies at 75 Years of Age

Last Saturday night Mr. W. N. Cheney of Minneapolis, Kansas, and father of Mr. G. W. Cheney of Union who has been ill for some time, answered the call, passing away where he has made his home for the past ten years. Mr. Cheney was afflicted with a cancer and had done much for its cure but had failed to get the desired relief. The funeral occurred at Ulysses where the family lived for a long period of years. Last Tuesday, Mr. and Mrs. Cheney departed for Ulysses to be present at the funeral and to give that last tribute of honor and love, which tenderly folds the loving hands to rest and consigns the mortal body to its last resting place, there to await the call of the Angel of the Resurrection. Mr. Cheney has been a member of the Masonic lodge for many years and leaves six children besides the aged wife to mourn his departure.

ACTION OF STATE AGENTS CONDEMNED

PROTEST LODGED BY CITIZENS OF AUBURN AT MASS MEETING FRIDAY NIGHT.

The citizens of Auburn are becoming thoroughly aroused over the alleged "hard boiled" methods used by State Deputy Sheriffs Schmitt and Milton Gates on a well known auto dealer of that city a few days ago on the highway between Plattsmouth and Union.

The case has attracted much attention in the eastern part of the state and sentiment at Auburn is local, where Luther Gritz, the victim of the attack of the officers, resides, is strongly in favor of the auto dealer.

The citizens there joined in a mass meeting Friday night and passed resolutions condemning the action of the state officers in very plain terms and a copy of the resolutions will be placed in the hands of Governor McKelvie.

At the meeting, Gritz told of having driven to Omaha last Tuesday to get Arthur Chase, a mechanic who was to go to work for him in Auburn. "While we were driving back between Plattsmouth and Union a high powered car drove up and four men got out. I thought it was a hold-up. They shouted they were state agents and before I knew what it was all about, one of the men was in the running board of my car beating me over the head with the butt of his revolver."

Gritz displayed a welt on his head as big as a man's fist together with two gashes. He said he offered the officers no resistance whatsoever and that after they had searched his car they permitted him to go.

State Sheriff Gus Hyers gave the following version of the affair, after he said, he had investigated it: "After careful investigation, I find my men were not to blame. The only trouble the officers had was in wanting the man after he had started to make trouble."

Hyers claimed the officers stopped Gritz because he was driving an automobile minus a private license. Gritz contended that inasmuch as he is a garageman, he has the right to drive cars on which are dealers' licenses.

Hyers said he had instructed Co. Atty. Cole of this city to file two charges against Gritz, one for operating a car without a private license, and another for resisting an officer. Hyers explained that only two of the four men who stopped Gritz were deputies of his; the other two men were just riding with them. He did not give their names.

According to A. M. Ingles and Herman Ernst, of Auburn, who called the indignation meeting, Gritz is one of the most reputable citizens of the town. They declared his character has never been questioned. Harry Furlong of Auburn was selected as chairman of the meeting.

NEBRASKA BANKS CASH RESERVE IS UNUSUALLY HIGH

Commercial and Savings Institutions Have 22 Per Cent Surplus—Law Requires Fifteen.

State commercial and savings banks of Nebraska show an unusually high cash reserve—more than 22 per cent—in their recent official reports to the state banking bureau, under date of June 30. The total reserve held is above \$51,000,000, being \$16,000,000 in excess of the legal requirement.

Accompanying this exhibit of financial strength is a gain of over \$6,000,000 in deposits since the last previous statements dated March 25. The June total under that heading is \$23,000,000. Loans grew about a million dollars from March to June and stood at \$209,000,000 in the latter month.

Trade and Commerce Secretary Hart looks upon the June showing as one of the best ever made, so far as reserves are concerned. He is well satisfied with a moderate increase in deposits, coming as it does in a year marked by national industrial disturbances which have held back the business revival.

The number of banks reporting on June 30, was 970, being smaller than before on account of a number of failures which have occurred. These banks had 577,978 depositors. The average deposit account was \$400.

Aggregate capital, surplus and undivided profits of the 970 banks are more than \$40,000,000.

OMAHA PARTIES ARE ACQUITTED OF CHARGES HERE

Men Who, it was Claimed, Caused Disturbances at Everett Farm Released by the Court.

Last evening Judge William Weber held an extra inning of his justice court to consider the matter of the complaint filed against Sigfried Weden, 3832 Castellor street, Gust Olson, 3716 Maple street and Alex Sandquist, 2584 Evans street, all of Omaha. The three men were charged with having made a disturbance near the farm of George Everett and James Ervin, near Union, last Sunday and with having called Mr. Everett a number of unpleasant names in the course of the argument between the parties.

It seems that the Omaha parties were down in the southern portion of Cass county gathering wild grapes and in the course of their wanderings came to the farm of Mr. Everett, where an argument took place over their presence and the discussion grew rather warm and Mr. Everett stated to the court that the remarks made by the Omaha visitors were of a nature that did not set well with him. On the other hand the three Omaha men denied having cursed Mr. Everett or having made any uncomplimentary remarks toward him.

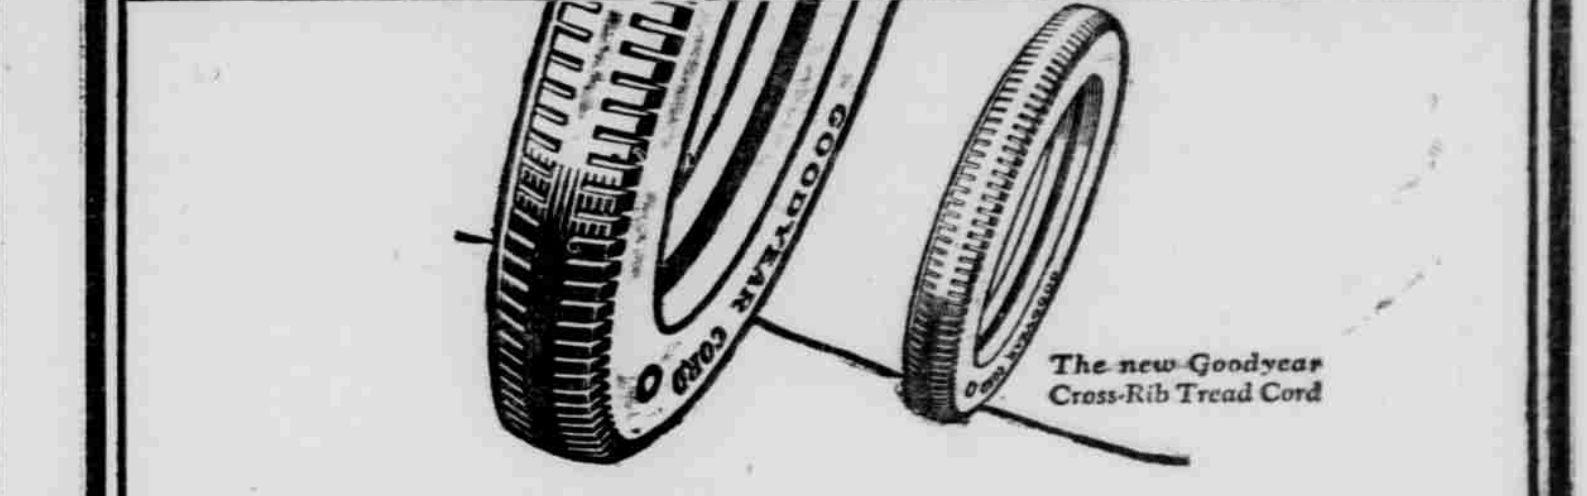

After hearing the evidence in the case Judge Weber decided that the evidence did not warrant holding the charges preferred and they were accordingly discharged from the custody of the court and returned to their homes in the metropolis.

A Popular-Priced Cord Tire Without a Rival

The new Goodyear Cross-Rib Tread Cord Tire is built with genuine high-grade long-staple cotton as a foundation. It is liberally oversize—the 4½-inch tire, for example, measuring nearly 5 inches.

The deep, clean-cut, cog-like pattern of its tread affords excellent traction even in snow and mud, engaging the road like a cogwheel.

The scientific distribution of rubber in this tread—the wide center rib and the semi-flat contour—gives a thick, broad surface that is exceedingly slow to wear.

This new tire is a genuine Goodyear through and through—in design, in material, in construction.

It costs less to buy than the net price you are asked to pay for many "long discount" tires of unknown reputation and value. Why be satisfied with less than this efficient tire can give—why take a chance on an unknown make?

Compare these prices with NET prices you are asked to pay for "long discount" tires
