"IN A BAD WAY"

Many a Plattsmouth Reader Will Feel Grateful for This Important Information.

If your back gives out; Becomes lame, weak or aching; If urinary troubles set in; Perhaps your kidneys are "in a bad way."

Doan's Kidney Pills are for weak kidneys. Local evidence proves their merit. G. T. Archer, painter, of Locust street, Plattsmouth, says: "As a rule all painters are bothered with disordered kidneys because of the fumes of the turpentine. This has always affected my kidneys when I have had inside work to do. I have had to get up as often as every hour of the night to pass the uric acid. Some times when going up or down the ladder I would have quick stitches take me in my kidneys that felt like needles. I have always found Doan's Kidney Pills a reliable medicine. A few always give me relief and keep my kidneys in good and active condition. I wouldn't be without Doan's Kidney Pills at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Archer had. Foster-Milburn Co., Mfrs., Buffalo, N. Y."

The young man was brought before Judge William Weber and was released on bond for \$200 for appearance in court on Saturday, November 25th.
