ing the place of gold weddings rings is. The eager rush of immigrants to denly as they came, but don't seem to hold as well.

"The Turko-Allied imbroglio about Constantinople is beyond American ken," writes a business specialist "but it is doubtful whether it is as serious as the newspapers would lead one to suppose " Just how serious the Turkish sit-

uation is, in its vital effects and likely consequences throughout the world, it is hard to say. The news-

papers generally take their cue from the statesmen, and the statesmen have been greatly alarmed about it But it does look as if the Turks themselves have been taken more seriously than they deserve to be, all along. There are not more than \$,000,000 of them, even when united, and their maximum fighting power is considered to be not more than 300,000

men. Their equipment is far inferior to that which the allied powers fought with in the world war and
