wife, which were highly appreciated by them.

Thomas P. Cogan, the dentist from Omaha, who is making Union on Saturdays, is enjoying an excellent practice, owing to the good work which he is doing.

F. H. McCarthy and family were both looking after some business and visiting with friends in Plattsmouth. We did not say they attended the carnival, but we expect they did.

A number of young ladies from Nebraska City were visiting in Union last Monday, being clad in garments suitable for hiking. They made the trip up on foot and enjoyed spending a few hours in the beautiful city of Union, and most of them departed for their home on the green bus, while a few waited for the Cadillac, which they contended was easier riding.

W. H. Sheeley and wife of Fremont arrived in Union last Monday and took charge of the store which they have just traded for from Mr. A. L. Union Wins Ball Game

Last Sunday Union played a good game of ball with a team from Perce, Iowa, the locals who were victorious although it was only by a slight margin. The new blood which has been instilled into the ball question by the Union fans is proving a winner. In this game, no scores were made by the visitors until the eighth inning, and only two in all. The home team made one run in the first inning and were not able to cross the plate again until the seventh, thus showing that it was a real game of ball. The final results were Union, 6, to Perceval, 2.

Obituary of U. S. Town

U. S. Town, whose death occurred at his home here on May 14, was born in Sharon county, Ohio, on September 18, 1852, and was 70 years, 7 months and 26 days old at the time he was called from this world of toil and strife.

At the age of twenty years, Mr. Town followed the advice of Horace Greely and came west, locating in the state of Nebraska, within the boundaries of which he continued to reside until the time of his death. Ten years ago, with his family, he came to Cass county, buying a farm four miles east of Union. In his dealings, he was ever upright, a kind husband and father and a good neighbor.

Funeral services were held from the Baptist church in Union Wednesday, May 16th, conducted by Rev. W. A. Taylor. M. W. A. Neighbors assisted in the services.

Following this, the body was shipped to Maxwell, Nebraska, his former home, for final interment, being accompanied by his wife, Mrs. U. S. Town, and son, George Town.

Scored Tremendous Hit

Those in charge of arranging the recent Plattsmouth night radio program are particularly gratified over the hit scored by Lucia LaRue, boy singer from Union, who appeared on the program. From all parts of the United States and way up in Canada (where the French Canadians spell his name "Lareux") come complimentary reports for "The Little Red House" and "The Old Swamin' Hole," Master LaRue's two numbers. Although letters are still coming in on this program, the greatest distance to date, is that held by a listener in Edmonton, Alberta.

Some 1,350 miles from Omaha, there are several nearly as close in the states of Washington and Oregon and a large number at shorter distances in Idaho, Montana, Wyoming, the Dakotas, Minnesota, Wisconsin, and all provinces in Canada except British Columbia, on the extreme west.

New York, Pennsylvania and Quebec, Canada, hold the eastern record so far, while Texas and Arizona are among the southern states picking up this concert. Although (as many of the listeners indicate they believe he will) Lucia may some day become a national singer, it is very doubtful if he will ever sing to a larger audience than the unseen one which heard his two numbers via radio ten days ago.

Union School Notes

Fire drill was held last Wednesday. The school building was cleared in one minute.

Mr. Abbott of the Institute for the Blind, will give the address at the commencement exercises on May 25.

Those of Union who passed the 8th grade county examinations are Marie Leach, Madge Cheney, Melvin Todd, Evelyn Moore, Iola and Delvina McQuinn and Maggie Reeves.

In Miss Hall's room, the decorations for "Patrons' day" consisted of two hundred lanterns, the best art and penmanship work, a sand table scene and a May pole trimmed in pink and green.

The Senior class and the High school teachers enjoyed a pleasant afternoon at Nebraska City last Saturday. The class had its picture taken and if the members of the class do not look pretty it will not be their fault, or that of their sponsors.

Tuesday, May 15th, was visitors' day at the Union schools. Miss Hall holds the record for having the most visitors. They were Mesdames Younger, Hall, Upton, Barrett, Lynde, Swanson, Stanton, Cross, Harris, Cheney, Roddy, Simmons, Porter, Keedy, Wash, Tignor, Propst, Planck, Pickering, Morris, Crunk, Stine, Pat-

erson, Banning, Smith and La Rue. Also Eliza Taylor, Augusta Robb and Marie Frans.

Mr. Briggs spoke to the High school and 7th and 8th grades last Monday afternoon. He offered a prize of \$1 for the best definitions of "thrifty" and "stinginess." The following were chosen as best and were handed in by Sarah McQuinn: "A thrifty person is one who is economical, being a good manager, knowing how to make money, how to spend money and how to save money." "A stingy person is one who is extremely selfish, wishing to get much and give little, and parts with his money grudgingly, even for necessities."

CLASS SERMON

The class sermon was delivered last Sunday evening at eight o'clock at the Baptist church. The decorations were very simple, nevertheless neat and attractive. The colors of the class of 1923 were in evidence. Lead by two Juniors, the members of the class passed down the center aisle and took their places while the faculty also lead by two Juniors and followed by the ministers, marched down the aisle to the right and took its place with the class, while the ministers proceeded to the pulpit. The choir sang two beautiful selections. Rev. Wash's prayer was forceful and thankful and the class sermon by Rev. Planck was well given. By this service we were brought to realize that soon again school will close and this year six more of Union's youth will be graduated.

At the Lachman Exposition Shows carnival last Saturday evening, the drawing of the prizes—the two radio sets raffled off by the American Legion was held. The event attracted much attention and the large crowd of merry-makers in the midway ceased their activities while the drawing was held.

In order that there might be no question as to the drawing, five little girls were picked from the crowd and each of these drew a number which was placed in a cigar box and from these five the winning numbers were drawn by one of the children, the box being held by Dr. C. A. Marshall, who had been selected from the auditors to supervise the drawing.

The first prize, the large \$200 radio set and Magnavox, was won by Clyde Jackson while the second prize, the smaller crystal set, was won by Harold Canfield.
