

# MURDOCK DEPARTMENT.

PREPARED EXCLUSIVELY FOR THE JOURNAL.

## Make the Farming Pay!

Keen competition in farming, as well as in business, requires the best machinery, best thought and best practice.

The Advance Rumley machinery embodies all this. I am handling a full line of this. "The Last Word" in power farming machinery.

The Oil Pull tractor in four sizes. The two ton Rumley truck. The Advance Rumley Steamer in three sizes. Come in and see them.

### ALL KINDS OF BELTING MATERIALS

The Grand Detour tractor plow in five sizes, from two-bottom to six-bottom plows.

In the thresher line, we also have separators of five different sizes.

### ED. GUILSTORFF,

MURDOCK -- -- -- NEBRASKA

Albert Zeirot lost some ten acres of wheat by hail which he is now putting to corn.

Richard Tool was a visitor at Louisville last Thursday and also on Sunday evening as well.

Chris Kuehl was also a loser by the hail storm and is going to have more corn and less wheat.

Mrs. Albert Streich has purchased a Nesco Perfect oil cook stove from L. Neitzel, the local dealer.

Henry Tomak is working for John Scheel for the summer and is making an excellent hand for the farm.

Wm. Gehrtz sold a hay loaded last Thursday to Frank Zoz, who is going to use it in his hayning this summer.

O. E. McDonald and family were visiting with relatives and friends in Murray last Sunday and Monday.

Henry Wendt has traded his larger car for a Ford coupe and finds it a most handy car to own and operate.

L. B. Gortney was looking after the west side market last Thursday while Gordon Block was at Ashland after ice.

Miss Margaret Amgwert is attending summer school at the state university for the present and will teach the coming school year.

Misses Ruth Miller, Grace Schutz and Elsie Schueter were in Plattsmouth at the 8th grade examination on last Monday.

Miss Hilda Peters, who has been working in Lincoln, was a visitor at home last Sunday, but returned to her work again Monday.

You can insure your grain against the hazard of hail for  $3\frac{1}{2}\%$  at the Farmers & Merchants Bank, Murdock, Nebraska.

Carl Schneider, who has been attending the state university for the past year, is home again and thinks Murdock looks pretty nice.

Wm. Leu is among those who suffered from the hail as well as James Miller, they both being in the district visited by this storm.

John Scheel and wife were visiting in Omaha last Thursday, where they looked after some business matters as well as visited with friends.

Matthew Thimman reports that one of his Doe rabbits has just brought home a flock of some thirteen little ones on last Thursday.

Mat and Victor Thimman were placing a new platform on the scale at the Weddell elevator and otherwise putting it in good condition.

Mr. and Mrs. Frank Reister and the children were visiting in Murdock at the home of the parents of Mrs. Reister, J. G. Scheel and wife.

The Women's Missionary society met and looked after the monthly gift of business for that society at the church last Thursday afternoon.

Mrs. J. G. Scheel was a visitor for the most of the week at the home of her daughter, Mrs. Frank Hart, of Adams, returning home last Thursday.

Gordon Block was a visitor in Omaha last Friday, taking a load of cattle with him which he had purchased from the farmers near Murdock.

A. J. Neitzel had thirteen acres of wheat which was injured by the

hail, and this he is putting to corn, which makes more corn and less wheat.

John Scheel and wife were visiting at the home of the parents of Mrs. Scheel and were also looking after some business matters in Plattsmouth as well.

S. P. Leis has made some material improvement at the grain office, having placed a new steel ceiling on the office and also has had the same painted.

Little Irene and Dorothy Reister of near Manley were visiting at the home of their grandparents, Mr. and Mrs. J. G. Scheel in Murdock last Thursday.

A deputy fire warden made an inspection of L. Neitzel's store and gave him a fine recommendation for a clean up-to-date store and adjacent premises.

J. H. Buck was looking after some business matters in Ashland on last Thursday, driving over in his auto to get some blacksmith supplies and also some coal.

A. H. Ward has been having some trouble with a gathering in one of his ears and after having the same lanced by Dr. Hornbeck is getting along very nicely.

Mrs. Henry Rohrdanz of Havelock was a visitor for a short time at the home of her mother, Mrs. Sarah Thimman last Thursday and also with others of the family.

Mr. Henry Amgwert had for the day and dinner his friends, Messrs. Carlton Zink and John Paul Pickwell, who have just returned home from a year at the state university.

Fred Stock and H. C. Backemeyer both suffered loss by hail, but in each case it is reported they were partially covered by insurance, which is a fortunate thing for these gentlemen.

Carl Cunningham, of Liberty, who is representative of a savings association, was a visitor in Murdock on last Thursday and Friday and was a guest at the home of Mr. Eddie Craig.

Eddie Craig went to Liberty last week to bring Mrs. Craig and the children home and found a plenty of rain on the way, it requiring the greater part of three days to make the trip.

Gus Hempke was unfortunate in the matter of getting his crops destroyed by the hail and immediately when the wheat was injured last week by the storm, began putting corn on the land.

H. W. Tool, of the Tool-Nauman Lumber company, has just been constructing a new garage at his home on the northwest portion of town, which is one of much convenience to this worthy gentleman.

Wayne Schwartz of near Alvo was looking after some business in Murdock last Thursday afternoon, and with George Hall of near Alvo were looking after some business matters in Plattsmouth last Tuesday.

The Rev. Stauss who has been assigned to the pulpit here for the Evangelical church, has gotten moved and settled and is at work in his church and is making friends with all whom he meets every day.

Wm. Heiers, living west of Mur-

dock, suffered a loss of about thirty five acres of wheat, which he is at this time actively listing to corn in the hope of maturing at least a partial crop by the end of the season.

The Murdock "Kid" baseball team will play the Ike team of Wabash on the coming Wednesday and will have an excellent time. Messrs. Louis Wendt and Charles Zaar will furnish the transportation for the youngsters.

Frank Reister has been improving his place north of Manley by building a driveway and also painting the same white in order that it might be seen as distinctly at night. This adds much to the appearance of the farm home.

In order to attain his youthful look again August Panska, the mayor of the village of Murdock, has shaved off his mustache, which usually so changed the looks of that gentleman that many of his host of friends hardly know him now.

J. W. Bentley and wife who have been teaching at McCook for the past year, are visiting at the home of Mrs. Bentley's parents, Mr. and Mrs. W. H. Rush, for a short time. They will not remain at their former home, but will teach elsewhere.

Farm Loans made at the rate of 5%. Option to pay at any time. If you desire a farm loan see O. J. Pothast at Farmers & Merchants Bank, Murdock, Nebraska.

J. W. Kruger and wife and Jess Landholm and family were enjoying a picnic dinner at Meadow Sunday and found it very convenient to eat the dinner inside the car, as it rained there like it did other places.

And of course the grass was very wet. J. E. McHugh was looking after some business matters in Omaha last Thursday, going on the noon train of the Rock Island and returning via Ashland on the late train and then driving over, being met by Mrs. McHugh with the car in the evening.

Miss Trule Earle of Washington and Miss Hazel Earle of Los Angeles are visiting at the home of their sister, Mrs. A. A. Lindell for a short time. They with a number of other friends were entertained at the home of Henry Rueter and wife for supper last Thursday evening.

Mr. Dewey Wenzel of LaCrosse, Wisconsin, and sister Alma, have been visiting here with relatives and friends for the past few days and Miss Alma has concluded she will make her home for the summer at Adams, while Dewey will work at the home of Frank Reister.

Charles Guthman and wife, with their little son were visitors in Murdock one day last week.

Mrs. H. A. Guthmann home and visiting for a short time. Reports from Mr. H. A. Guthman state that he is getting along nicely at this time and had been able to leave the hospital and is hoping he will be able to come home in a short time.

Mr. and Mrs. W. A. Schutz entertained last Thursday evening at their home northeast of Murdock in honor of their daughter, Miss Grace, who has attained her eighteenth birthday, and a most pleasant time was had by the young people, and the merry games and elegant refreshments all pronounced Mrs. Schutz a fine entertainer. All wished Miss Grace many happy returns of the pleasant event.

The call for the election on the matter of issuing bonds for the erection of a new schoolhouse for the district comprising Murdock and adjacent territory, has been set for Tuesday, June 26th, at which time the voters will decide as to whether or not the time is ripe to go ahead with the proposed building to take the place of the present unsafe structure that has been condemned by the state officials.

Card of Thanks

We wish to express our appreciation of the kindness, by the acts of our neighbors and friends, in their ministering to us during the sickness and death of our beloved wife and mother; also for the floral tokens and to those who sang—Mr. C. Gurr; Mrs. O. H. Miller and Mrs. F. Backemeyer and Family.

Farmers Get Much Hail Again

Last Tuesday the rain which came was accompanied by some wind and hail which did much damage west and northwest of Murdock and destroyed much small grain and pelted up the corn to some extent, most of which it is thought will come out all right later. The wheat did not fare so well, and much of it will have to be plowed up and other crops planted in the place.

This comes very severe on many of the farmers as this portion of the county was visited last summer by the severe storm of July 10th, that wiped out nearly everything in its path and they are not prepared for this repetition of their last year's experience. In coming so early however, it will allow the replanting of hailed-out plots to corn and in this manner at least a partial crop may be realized from the land. However, the time for planting corn is getting late, and the season will have to be favorable for the latter crop in order that it may mature before the frost catches it this fall.

Are Attending Camp Meeting

Miss Margaret Tool, a guardian of the Camp Fire girls at Murdock, accompanied some eight of them to Crete, where they are camping for a week. There were with the crowd which went to spend the week there Misses Catherine Neitzel, Florence Thimman, Hildagaard Baumgartner, Mary Isabel Tool, Irene McDonald, Helen Norton, Grace Schwartz and Miss Dorr from Wabash. They are expecting to have a most pleasant time.

### Just the Kind of a Man

Wm. Holka, who is farming on the Fred Backemeyer place northwest of Murdock, had the misfortune to lose a great portion of his wheat by the severe hail storm last week and with the loss which he sustained last summer when the hail swept over this portion of the county, he finds the profits of the farming game very light. However, he is going ahead with a determination, putting the wheat land into corn, making him in all some 190 acres of the latter crop, and an amount that will require a lot of rustling to keep plowed, but Wm. is both rustler himself and we know he will leave no stone unturned to turn failure into success and realize an income from his efforts expended in the tilling of the large corn acreage this summer. His is the determination that usually wins, and somehow he cannot believe but believe it will do so this year.

## PRETTY HOME WEDDING NEAR MURDOCK

Miss Martha Gakemeier, One of the Popular Young Ladies There, Becomes Mrs. Peters.

One of the most beautiful weddings that has ever held at Murdock, was that which was solemnized at the home of Henry Gakemeier when their daughter, Martha, and Mr. Rex Peters were joined in holy wedlock.

The bridal couple marched in to the strains of Bridal Chorus, played by Mrs. John Gakemeier. Little Dorothy Gakemeier served as flower girl and Miss Magdalene Gakemeier, sister of the bride was bridesmaid. Harold Willey, of Greenwood, was best man. Rev. Peters of Murdock officiated.

The bride wore a beautiful gown of white georgette and carried a bouquet of bride's roses, while the bridesmaid wore an old rose gown of silk spanish lace. The groom and his attendant wore the conventional blue serge suits.

The decorations which were of pink and white sweet peas and rose buds, decked the table and living room. At 7 o'clock a three-course dinner was served by Mrs. Ad Gillespie, assisted by the Misses Henrietta Bauer, Irene McDonald, Katherine Seitzel and Mary Isabel Tool.

At 8 o'clock the couple left for a short honeymoon trip, being showered with rice and everybody wishing them a happy wedded life.

The Journal joins in congratulations and well wishes to this popular young couple.

## OH! MY BACK

The Expression of Many a Kidney Sufferer in Plattsmouth.

A stubborn backache is cause to suspect kidney trouble. When the kidneys are inflamed and swollen, stooping brings a sharp twinge in the small of the back and the head takes the breath away. Doan's Kidney Pills revive sluggish kidneys—relieve aching backs. Here's Plattsmouth proof:

A. J. McFarland, 306 Third St., says: "I was doing some heavy lifting which strained my back and kidney condition put me in such shape that I had to walk with a cane for a number of weeks and I couldn't straighten. It felt as though there was a heavy weight across my back that wouldn't sleep nights and I felt as though I had been struck in the back with a sharp knife. My kidneys acted irregularly and the secretions were highly colored and burned in passage. I was told to try Doan's Kidney Pills and after the first box condition was much improved, and I was able to walk straight. I used four boxes from Fricke & Co.'s drug store. My back and kidneys have never bothered me since and I believe Doan's will do the same for other people if they will give them a fair trial."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. McFarland had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

### CHAIN OF MOVIE THEATERS PLANNED BY PRODUCERS

New York, June 8.—Plans for the formation of a chain of Erlanger and Shubert theaters into a new circuit, to be devoted exclusively to motion picture spectacles at theater prices were announced today by A. L. Erlanger. Big productions which cost from \$500,000 to \$1,000,000 can no longer be made at reasonable profit, Mr. Erlanger said, unless there is a string of first class theaters where they can be run at standard box office prices.

Special instructions in making the novelties and attractive paper baskets and flowers can be had by calling at the Bates stationary store at Fifth and Main street, where ample room has been arranged for this line of work. The ladies are invited to come in and look this line over.

Signing off, in the middle of a rain storm that has continued for seven days and seven nights. What do you make of this, Ann Tena?

### FROM OUT OF THE ETHER

Radio News Broadcasted each Saturday by Station ETAO.

June 18th, Glenwood night.

How far have you heard during the past week?

Nebraska City is going back for a second program July 31st.

Many of our readers complain of not being able to pick up outside stations these days.

Copies of the Glenwood program have been received here. Director Ed Schulhof, of this city is in charge of the band numbers which comprise a large part of the concert.

It is remarkable how far away Atlanta, Pittsburgh, Detroit, Louisville, Fort Worth, Denver, Minneapolis and even Davenport seem now that we can't hear their voice nightly.

Don't drop your telephone receivers or subject them to heavy wear in any way. A jar is a very effective means of demagnetizing the permanent magnet in your receivers.

Station ETAO's wave is heard in Canada and over-seas regularly in summer as well as winter, as copies of the Journal circulate to the four corners of the earth the year 'round.

The July 9th Plattsmouth night band program will be sponsored by the local American Legion post and will include largely selections by the Eagles' band of this city under the direction of Bandmaster Ed Schulhof.

Frank Barkus won the candy offered by Morgan's Sweet Shop for the nearest guess on the mileage reached by Plattsmouth night program. His guess was 1,200—the exact number certified to the committee by Station WOAW.

A special children's service will precede the regular Sunday morning sermon program from WOAW, beginning at 9 and lasting until 9:30 a. m. when Rev. R. R. Brown and his "World church" associates begin the latter service.

Nebraska City had one exceptionally fine singer on their program—Mr. Otto Schneider—and it was regrettable that he had but one solo number. In the quartet selections, his fine tenor voice came through clear and distinct.

### It Has Been Known To

Dear ETAO—Will a TWO-STEP amplifier receive WALTZ music?—Con Denser.

### Will Play Again Tonight

Woodward's Inner Circle Harmonizers, the peppy dance orchestra that played from WOAW last night, will present another dance program tonight from 10:15 to 11 o'clock, according to a telegram just received by ETAO.

### July 9th is the Date

Due to the fact that July 10th comes on Tuesday when several of the band boys play with the Glenwood band, a third and last change has been made in the date of the next Plattsmouth radio concert, to MONDAY, July 9th.

### WOC's Summer Programs

As previously announced, Davenport's summer schedule is greatly curtailed. Sunday night's church service will be held at 8 p. m. Beginning at 9 a two-hour musical program will be given made up of compositions of Davenport composers. On Wednesday night, pipe organ recital at 8. Late musical program from 10 to 11, followed by "Tourists' Road Report" at 11 p. m.

Saturday night, one-hour dance program by P. S. C. orchestra, beginning at 9:30.

Bandball scores every evening except Sunday and Tuesday, at 6:50. Sunday at 8 and Tuesday at 6.

### WOAW's Offerings

Tomorrow WOAW will inaugurate its children's services from 9 to 9:30 a. m., followed by the morning World Church service by Rev. R. R. Brown and his associates at 9:30. In the evening the service will be under the direction of the Trinity Baptist church of Omaha.

Monday the program will be furnished by the Mid-West Electric Co. of Omaha, and will include the musical "In a Persian Garden," with its many beautiful solo, quartet and duet numbers.

Tuesday night Rotary club members of Omaha will provide the hour and a half's entertainment. Dr. H. A. Waggoner, celebrated middle west saxophonist, and Charlie Gardner, secretary of Ak-Sar-Ben, are down for instrumental and vocal solos.

### Anniversary Program

Wednesday night at 10:45, WSB, the Atlanta Journal, will broadcast its transcontinental anniversary program. It was on June 13, 1922, that WSB took the air with its new 500 watt transmitting apparatus, after some three months previous experimentation with a 100 watt outfit. This station was first to adopt the late broadcast hour, first to inaugurate a fraternity of the air, which are now so numerous as to be a public nuisance, and gave to the world at least a dozen other innovations in broadcasting. Here's to you, Lambda-Kay, and your "Voice of the South" radio associates. Although we don't hear you often now, we look forward to a pleasant reunion again this fall when the static has cleared away and the "stuff" once more comes through the air.

Signing off, in the middle of a rain storm that has continued for seven days and seven nights. What do you make of this, Ann Tena?

## FIGHT FANS TO SEE BLACKFOOT INDIANS JULY 4

Reservation Near Shelby Will be Point of Attraction to Thousands Attending Big Mill

Shelby, Mont., June 8.—Those who are coming out here to see Jack Dempsey and Tom Gribbons throw gloves at one another July 4, would do well to make arrangements so that their trip will include a visit to the Blackfoot Indian reservation a little west of Shelby. This reservation, on which 3,000 Indians live in their own primitive style, takes care of the remnants of the Blackfeet tribe. The Blackfeet got their name from the fact they roamed the blackened prairies. Naturally their feet became discolored. They never were hostile to the white men but carried on warfare against the Crees and Crows.

Mountain Chief, 86 year old venerable head, is the last of his line. He is still the Indian of fifty years ago, refusing to change his habits, although all about him the younger generation are fast adopting the habits and mode of living of their white brothers.

In contrast to Mountain Chief are the three Bird brothers, Sam, Levi and Charlie. In their day they were All-American stars on the Carlisle football team. Now they are cattle and sheep raisers and keen financiers, ready at all times to match their business wits against those of the white man. They are recognized powers all through Montana, and are rated among Montana's millionaires. Their speech and manners are highly polished. They do not ape the white man but they have absorbed the best that he has with their native character, and the result shows what the Indian can do, despite the pleas of the romancers who think he should be left in his original state and allowed to pass out of the nation's history in time.

Complete reports showed that the class I carriers in the eastern district had a net operating income in April totaling \$48,321,000, which was at the annual rate of return of 7.33 per cent on their tentative valuation.

Net Income in South Range  
The net operating income for the carriers in the southern district, according to complete reports, totaled \$12,281,700, which would be at the annual rate of return of 7.18 per cent.

Complete reports for the carriers in the western district, except the Duluth, Winnipeg and Pacific railroad and the Wichita Falls and Northwestern railroad company, showed that the carriers in that district had a net operating income in April of \$22,595,000, which would be at annual rate of return on their tentative valuation of 4.52 per cent. Twenty-nine railroads in April had operating deficits, of which seven were in the eastern, two in the southern, and twenty in the western districts.
