

The Vacation of a Thousand Marvels

Yellowstone National Park—in Gardiner, out Cody

Roosevelt said: "The geysers, the extraordinary hot springs, the lakes, the mountains, the canyons, the cataracts unite to make this region something not wholly paralleled elsewhere on the globe."

These and a thousand other wonders found nowhere else on earth, PLUS the thrilling grandeur of the Cody Road through the Buffalo Bill country—the land you will never forget—

That is Yellowstone Park on a Burlington-Planned Vacation.

The ideal and complete tour of Yellowstone Park—in Gardiner, out Cody—because in no other way can the visitor gain the advantage of viewing the thrilling scenes between these rail gateways and the Park proper, or see the wonders within the Park in the order of their increasing importance. Nature's grand climax comes where it belongs. Ask anyone who has made the trip.

This unforgettable ninety-mile motor trip is included in your Burlington tour without side trip, extra transportation cost or bother.

Via the Burlington, on a round trip ticket to Yellowstone alone, you can, without extra rail cost, visit Denver and the Colorado Springs-Manitou-Pikes Peak region. You can, at small cost, visit peaceful and beautiful Rocky Mountain National-Estes Park, Colorado Glaciers, Clear Creek and Platte Canyon resort regions, the world-renowned Royal Gorge and other delightful Colorado pleasure spots. Two weeks, if that is your limit, is ample time for a glorious vacation, but three would be better, in the land of Eternal Wonder.

The low cost of the trip will surprise you.

If you are going farther West, you can conveniently visit Glacier or other National Parks en route. No matter where you want to go—West—the Burlington can take you there—its service is at your service throughout the entire West.

Let me help you plan your trip. R. W. CLEMENT Ticket Agent

SMALL FIRE OCCURS AT THE J. H. TAMS RESIDENCE

Summer Kitchen on North Side of House Burned to the Extent of \$100 Damage.

From Friday's Daily.

This morning the fire department was called to the residence of J. H. Tams, 12th and Granite street, where the small summer kitchen on the north side of the building was discovered in flames and before the fire was subdued the building was damaged to the extent of \$100, it is estimated. The fire originated, it is thought, by a match falling in a box of kindling which was back of the stove and near the wooden side of the kitchen and as there was no one home the fire gained headway before it was seen by a painter who was working on a residence across the street and who turned in the alarm. Mr. Tams and his son, John, and son-in-law, Fred Reiner of Omaha had left the house a short time previous to the fire and it is thought that in leaving a match must have been thrown into the wood box. Mrs. Tams was taken sick last evening while at the home of Mr. and Mrs. Henry Sanders and was not at home at the time of the fire, being confined to bed at the home of her friends.

A Splendid Medicine for the Stomach and Liver

"Chamberlain's Tablets for the stomach and liver are splendid. I never tire of telling my friends and neighbors of their qualities," writes Mrs. William Vollmer, Eastwood, N. Y. When bilious, constipated or troubled with indigestion, give them a trial. They will do you good. Weyrich & Hadraba.

One Dollar Saved Represents Ten Dollars Earned

The average man does not save to exceed ten per cent of his earnings. He must spend nine dollars in living expenses for every dollar saved. That being the case he cannot be too careful about unnecessary expenses. Very often a few cents properly invested, like buying seeds for his garden, will save several dollars later on. It is the same in buying Chamberlain's Colic and Diarrhoea Remedy. It costs but a few cents a bottle of it in the house often saves a doctor's bill of several dollars. Weyrich & Hadraba.

'SLIM' KAY WELL KNOWN TO MANY PEOPLE HERE

Man Shot in "Stickup" Near Dumfries, Iowa, Here Many Times—Was a Baseball Fan.

The death of Guy Kay, better known as "Slim," which occurred on last Sunday in a pasture near Dumfries, Iowa, when a party who had been engaged in gambling in company with Kay were "stuck up," recalls the fact that Kay was a quite well known figure in this city as he visited here on numerous occasions and was here to attend many of the baseball games in the years that he was a resident of Glenwood.

The Iowa authorities and Omaha police who have been working on the case have failed so far to fix the responsibility for the crime on any of the characters that were first suspected might have had a hand in the killing.

Kay for the past few years has made his rendezvous in Lincoln and Omaha. Lately he and some companions these people had sought to have the existing law repealed.

The work of Mr. Booth was highly commended by members of the board. They had investigated the matter for themselves and were thoroughly convinced that he had raised the standard of the school until it is now listed as one of the best in the country, producing marvelous results.

Before the petition was received protests against the statements therein had been received from a number of former students, in one of which the statement was made that the petition was circulated by discharged employes. The petition was couched in the language: "We, the undersigned members of the alumni association feel that our school is falling away from its high standard. We know this is due to the inefficiency of the management. We accordingly request the board of control to appoint a younger and more aggressive man to the superintendency of the school. We take pride in our school and want to see it rank with the best in the country."

Before the petition was received protests against the statements therein had been received from a number of former students, in one of which the statement was made that the petition was circulated by discharged employes. The petition was couched in the language: "We, the undersigned members of the alumni association feel that our school is falling away from its high standard. We know this is due to the inefficiency of the management. We accordingly request the board of control to appoint a younger and more aggressive man to the superintendency of the school. We take pride in our school and want to see it rank with the best in the country."

NATURE'S WARNING

Plattsmouth People Must Recognize and Heed It.

Kidney ills come mysteriously. But nature generally warns you. Notice the kidney secretions. See if the color is unhealthy. If there are settlements and sediment. Passages frequent, scanty, painful. It's time to fear serious kidney trouble.

It's time to use Doan's Kidney Pills. Doan's have done great work in Plattsmouth. Ask your neighbor!

Theo. Starkjohan, retired farmer, Locust and Ninth streets, Plattsmouth, says: "Doan's Kidney Pills have been used in our family for kidney troubles and backache and they have proven to be all that is claimed of them. Whenever my back feels a little lame and my kidneys are not acting as they should, I take Doan's Kidney Pills for a few days and they never fail to do me good. Doan's can not be equaled and anyone having kidney trouble should take them for they are very reliable." (Statement given February 23, 1918.)

OVER FOUR YEARS LATER, or on May 12, 1920, Mr. Starkjohan added: "The cure I had from Doan's Kidney Pills has been a lasting one. I still have faith in Doan's and if ever I should need a kidney remedy again, I would use them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Starkjohan had. Foster-Milburn Co., Buffalo, N. Y.

DOINGS IN THE DISTRICT COURT

From Wednesday's Daily. This morning the case of C. Lawrence Stull vs. John Elliott, covering a dispute over land in the Platte bottom north of this city, was brought to trial before Judge Begley. The plaintiff, Mr. Stull, is represented by Attorney D. W. Livingston of Nebraska City and the defendant, William A. Robertson of this city.

An action for divorce entitled Susie Urwin vs. George W. Urwin, was filed today in the office of the clerk of the district court by William A. Robertson, attorney for the plaintiff. In the petition the plaintiff states that the parties to the suit were married February, 1920, and have been living in Louisville. Absolute divorce and the custody of the minor child is asked by the plaintiff.

A suit for foreclosure of tax sale and mortgage was filed by A. L. Tidd attorney for Byron Golding against Frank Foreman and others.

PLAN TO AVERT A GRAIN CAR SHORT-AGE IS SUGGESTED

Gordon Man Would Put on Educational Campaign Over State—Suggestions Wanted.

Lincoln, June 25.—Some kind of a statewide program to prepare for the car shortage that is generally regarded in authoritative circles as inevitable as soon as Nebraska crops begin to be harvested and to move, was proposed today by Dwight P. Griswold of Gordon former member of the legislature, in a letter to the state railway commission.

The program suggested by Griswold would involve principally an educational campaign to cover the entire state and would consist largely of tours by various officials and groups including speech-making engagements.

"The car shortage during the harvest season this year will be serious," Griswold declares in his letter to the commission. "In my territory the chief crop is potatoes and there is always a great deal of difficulty in moving Nebraska's potato crop. I do not know whether the plan I am suggesting would be feasible but I think something ought to be done now before the rush comes and I'm making a start for a suggestion.

Commissioner Thorne Browne, when asked for an opinion on Griswold's suggestion, said that he had not had time to think much about it yet. "I'm very grateful to see people taking a broad interest in this matter, however," he said, "and it is only when such interest becomes general that the car situation will be solved."

"However, it is no longer possible to move the whole of Nebraska's crop as soon as it is harvested," Browne continued, "and the people might just as well dream of a return of the time when there will be plenty of cars."

When desiring a cigar or cigarette, call at the Bates Book and Stationery store, where there is a large line carried.

PUTTING PLATTS-MOUTH ON THE MAP

Radio Concerts Will Do Much Toward Attaining that End and at a Minimum of Expense.

No better advertising of Plattsmouth could possibly be secured than that resulting from the giving of a splendid radio concert like the one of May 15th or the forthcoming one of July 9th. And while it reaches out to the four corners of the continent, it is very inexpensive.

The American Legion committee arranging the coming program, has received from Mr. Orson Stiles, superintendent of broadcasting arrangements at the Omaha station, the following communication which shows clearly the extent to which the Woodmen of the World will go in co-operating with the local committee in giving the concert the very greatest publicity possible:

"We could nicely use five hundred of your printed programs, more if you wish. We are sending such programs to the Mayor of every town within a radius of one hundred and fifty miles and to the editors of the newspapers throughout the Mississippi Valley. Your typewritten program was received in ample time to be featured in full in the current issue of our Radio Bulletin which is mailed out to thousands of listeners all over the country."

In addition to the five hundred printed copies of the program sent the station today, the Morgan Sweet Shop has had a thousand printed for free distribution to those desiring to mail them to distant friends, while local people may refer to the copy from the Journal, in which it will be printed in its entirety one or more times before the night of the concert.

The band will hold three more rehearsals before giving this concert, and at each will be grouped in the same manner as they will at the station that night, which is just the reverse of the ordinary concert grouping and would make it hard for them to do their best, unless thoroughly used to the changed tones resulting.

Ed Schulhof, Piano Tuner. Telephone 389-J.

When your letterheads, envelopes, statements or other printed forms begin to run low, call us up. We will have more ready for you promptly.

A Good Pair to Tie To!
