An Open Letter to the Public

We are not bankrupt, nor are we moving or quitting. We have occupied a prominent place in the commercial life of the community and serving the people to the best of our ability with honor and fair dealing with every one. Our policy is to sell what we consider the most reliable car on the market. We have enjoyed the large business transacted by this institution and that the automobile world has bestowed upon the Ford for our customers for the confidence they have bestowed upon us. We are sold in Cass county since January 1st, 1923, 458 of them. We are of great pride, the enviable record that this institution has attained. We invite your opportunity at this renewed car disposal sale to clear the deck, and again let us remind you that your
