The Holiday Season

is the Gift Season!

The custom of gift giving at the Holiday season has grown with each succeeding year. With the passing of each year more people learn that the "Gift that Lasts" is the most appreciated.

We invite you to inspect our stock of Holiday Gifts. We have on display a complete line of Jewelry, Clocks, Watches, Pearls, Diamonds, Glass, Hollow Ware, numerous patterns in Sterling and Plated Flatware, Victrolas and Victor Records.

Who Wants to Play Santa?

Every one does - at Christmas time!

We want to help you in your little game. Let us show you the many fine gifts assembled at this Man's

Store for a Man's Christmas. The best thing you can give is yourself. The more of yourself you can crowd into each gift, the more will be the joy of giving; the greater the pleasure of receiving.

With a little thot on your part regarding his tastes and preference, buying the gift at a Man's store will prove to be "the very thing he wants," whether he be father, brother, husband or HIM.

Tricolated Coffee

Tricolator with fire proof coffee pot . . . \$4 Tricolator separate\$2 Tricolette, 1-cup size (shown below) . . \$1

If you are a lover of good coffee and aren't always able to get it under oldstyle methods, come in and let us show you how easy it is this way.

Our Coffee Roaster!

This is the machine in which we roast fresh daily a large part of the coffee consumed in Plattsmouth. Try our home roast brands and you'll always use them.

HERE THEY ARE

"Royal A," the Mocha-Java blend . . . 45c "Master Blend," rich, mild flavor....35c 'Soennichsen's Best," fine at price . . . 25c

We will have a demonstration in our store Saturday, December 8th. Come in and try a cup of Soennichsen's Fresh Roasted Coffee.

How to Make Coffee With a Tricolator!

Allow two level tablespoons (one rounded tablespoon) of Soennichsen's "Royal A" coffee to each cup of boiling water. To the whole amount add one-fourth cup of water extra for absorption. Place a filter in the bottom of the upper section of the tricolator. Spread the coffee evenly on this and adjust and lock the water spreader. Pour rapidly boiling water into the upper section of tricolator, cover and allow this to drip through into the lower section or coffee pot. This will take from five to seven minutes. The filter may then be removed and the coffee is ready to

Rich in flavor and freshly fragrant "Royal A" coffee is supremely satisfying.
