

# MURDOCK DEPARTMENT.

PREPARED EXCLUSIVELY FOR THE JOURNAL.

## Watch This Space!

In a short time we will have an important change in our message to the public. Together with the general garage business we will handle machinery in the future, and shall endeavor to serve the public to the best of our ability.

Just now we have two excellent bargains in small portable gas engines for use on the farm. We can make some very attractive prices on these.

## The Thimgan Garage

E. W. Thimgan, Proprietor  
MURDOCK -- NEBRASKA

Miss Margaret Tool was a visitor at home for over Sunday.

Wm. Bourke shipped a car load of hogs during the past week to the Omaha market.

Diller Utt who is working in Havelock was a visitor at the home of his parents in Murdock for over last Sunday.

Wm. Glaubitz of south of Elmwood was looking after some business matters in Murdock last Thursday afternoon.

Louis Hornbeck who is employed in the offices of the Rock Island at Lincoln was a visitor at home for over Sunday.

Gordon Block was a business visitor at South Bend last Thursday and also went on to Omaha where he was visiting with friends.

J. G. Hornbeck of the Rock Island was a visitor in Lincoln last week where he was taking some Knights Templar degrees in the Masonic lodge.

Miss Helen Bornemeier was a visitor in Omaha for a few days last week where she went to visit with her sister Miss Elsie, who is employed in that city.

Henry Heineman departed a few days since for Liberty where he is spending a few weeks visiting at the home of his brother, Will Heineman and family of that neighborhood and where he is enjoying the visit very much.

The Bank of Murdock through Messrs. Kenneth and Henry Tool did the clerking at the sale of Emory Wilson, northwest of town, while Rex Young of Plattsmouth was the auctioneer.

Wm. Deickman who has been laid up for some time with a broken leg is getting along nicely at this time and is able to be up and around at this time though incapacitated from doing work as yet.

E. L. Pothast of Lincoln was in Murdock for a short time during the past week and was in attendance at the meeting of the stockholders of the Farmers and Merchants bank which was held during the week.

Matt Thimgan has been looking after some business matters in both Omaha and Plattsmouth for the past few days and also while in the county seat was in attendance at the trial which was on in the district court.

L. Neitzel was a visitor in Omaha last Monday where he went to meet and hear an address by his brother-in-law, John J. Ardel at the Adel club which was meeting at the Fontenelle hotel and was also joined in his trip by Mr. O. J. Hitchcock of Havelock, the arrangements being made for the reservations for the tickets and banquet by Dr. McDermott, of Omaha.

Unlimited amount of money to loan on eastern Nebraska farm land. Lowest rates. Applications taken now for future loans. See O. J. Pothast at Farmers' & Merchants' Bank, Murdock, Nebr.

## Real Estate

Sold and Exchanged!

We have some bargains of farms for sale in Cas county and elsewhere.

We also write all kinds of Insurance—Life, Fire, Tornado, Livestock, Auto, Etc.

## Emil Kuehn

Plenty of Kick—Makes Starting Easy!

## -GEO. TRUNKENBOLZ OIL COMPANY-

Eagle and Murdock

**Mr. Wilson Has Good Sale**  
Mr. W. J. Wilson living about half way between Murdock and Ashland held his sale last week and had a good crowd present and was well satisfied with the results. Col. W. E. Young the auctioneer had a hard time getting to the place as had been in the vicinity of Fremont holding a sale and as he puts it bucking the snow a good portion of the time and was able by dint of hard work to get to this sale. Things went very well many of the horses selling as high as from \$150 to \$175 each which seems to be about the tops for these times.

**Fine Young Man Arrives**  
We were not able to learn his first name but his other name is Mr. Scheel and he was most overjoyed to meet the fond father and mother who welcomed him most cordially. The young man made it known he did not like so much winter but the warmth of love at his reception more than balanced the weather. The grandparents on both sides were overjoyed and their smiles were broader while some of the aunts clapped their hands in joy. All are doing nicely.

**Played Ball, We Should Say!**  
Atta boy! Atta boy! That's what the young people of Murdock say when asked about the basketball game which they of the town team of Murdock played with the same team of Elmwood a few evenings since in which the team of Murdock won over the Elmwood team to the tune of 18 to 12. The Murdock people are feeling pretty good and will in a short time have another bout with the players of the city of Elmwood.

**In the Country of Flowers**  
A card received by Mrs. Fred Bohms from her son, Max Dusterhor and Joe W. Hinkel, who are now at Los Angeles, are finding that portion an excellent place. After passing over the last mountain, a long distance east of Los Angeles, they entered into a very different country for they found flowers blooming and everything like summer for the temperature stood at about 89 in the shade and was very enjoyable after having been bucking snowstorms and rain with cold weather a good portion of the way. They will remain in Los Angeles for the present and will probably go to work there until the opening of spring farther north. They will expect to visit Peter Eveland and Wm. Stachattkik who are respectively at Long each and Los Angeles.

**Stockholders' Meeting**  
The 9th annual stockholders' meeting of the Murdock Elevator Co. will be held on Feb. 5, 1924, at 1:30 p. m. in the Farmers' Union hall for the election of four directors and other business which may come before the meeting. Each stockholder is requested to be present.

FRED STOCK, President.  
AUG. RUGE, Secretary.

**TYPEWRITER FOR SALE**  
I have an L. C. Smith typewriter in excellent condition for sale at a very liberal price. Will deliver to buyer.—Kenneth Tool, Murdock, Neb. 321-2td&w

**FARM BUREAU NOTES**  
Copy for this Department furnished by County Agent

**Cost Records**  
Ten cost records on oats show the average bushels per acre to be 36. The cost for raising oats per bushel, 42c. Three wheat records show average yield per acre 13 bushels, cost per bushel \$1.44.

**Swine Club**  
Now is the time to begin thinking about starting a swine club. A sow and litter club should be started by February 15.

**Program of Work For 1924**  
On account of the severe cold weather and bad roads the first meeting of "Home Care of the Sick" has been postponed. The next meeting will include the work that we were to have had January 18 and also the next line of work. This meeting will be an all day meeting and all leaders should plan to be in on time as we have a big program of work to put across.

**CLASS GOES BOB SLEDDING**  
Last evening the members of the senior class of the high school enjoyed a very fine time with the thrills of an old time bob sled ride and a feed later in the evening at the high school. Three bob sleds were procured and arranged for the young people and the members of the class assembled at the postoffice building at 7:30 where they were met by the high school bus and in a few moments were being driven over the snowy expanses of the highways in this delightful form of entertainment the members of the party were brought back to the city and driven to a high school building where a feast of hot sandwiches and coffee was served that peaked up the party and the remainder of the evening was spent most delightfully until the classmates separated to go on their way homeward feeling that the occasion was one that they will all long very pleasantly remember.

**SPORTED A DOUBLE CHIN**  
Our genial county agent, L. R. Snipes, had a special feature added to his good looking face—a double chin.

On some of his drives last week he froze his face and neck and for several days it looked like he would have to order a rubber band for him to wear nights to reduce his neck to its natural symmetrical beauty, but by Monday the swelling and soreness were gone.—Weeping Water Republican.

Mrs. John Hiber was a visitor in the state metropolis today, going to that city on the early morning Burlington train.

Miss Teresa Hempel was among the passengers this morning for Omaha to enjoy the day in that city visiting with friends.

## CITIES TO OPPOSE MEASURE AGAINST TAX EXEMPTION

**Unanimous Stand Taken Against the Passage of Green Resolution by National Congress.**  
Grand Island, Neb., Jan. 17.—In its afternoon session today the league of Nebraska municipalities took a decidedly positive stand against the adoption by congress of the Green resolution, aiming to remove the exemptions of municipal and state securities from taxation. The committee on resolutions, through Chairman Wilke, of Lincoln, submitted a report in which this subject was reported as one to be recommended to Nebraska's municipalities, meriting their serious consideration and otherwise representing the league itself as being in a non-committal attitude.

Judge Forsythe of College View, first called attention to the absence of any declaration and vigorous demands were made by Judge Barnes and others for an unequivocal expression of opposition to the so-called Green amendment. An addendum "that the league is unalterably opposed to the Green resolution or to any similar legislation" was made to the resolution and the same was adopted by unanimous vote, together with the full report of the committee.

Other resolutions declare strongly for the public ownership and operation of all public service utilities; express unconditional opposition to any sort of rate fixing or otherwise; urge action by city attorneys for the drafting of uniform traffic ordinances and empowering the league's president to appoint a committee of city attorneys for such purpose; urge all cities to adopt home rule charters; requests chamber of commerce to study railroad advertising of rates and to correct false representations thus disseminated; pleads for the reduction of rates on agricultural products and sponsors all possible aid for the restoration of agriculture to a profitable basis; urges upon all municipal and other officers a more strict enforcement of all laws and especially those concerning automobile traffic, game protection and that of bird life, pollution of water, bovine tuberculosis, prohibition of other business which may come before the meeting. Each stockholder is requested to be present.

**SWEET LITTLE DAUGHTERS GLADDEN HAPPY HOMES**  
Chris Gauer called this week to inform us that a sweet little daughter has arrived at the home of his son-in-law adn daughter, Mr. and Mrs. Jax Salsberg, who live on the hedge posts, 1,000 chick capacity Colony brooder, two 150-egg Sure Hatch incubators, used one season, and various other articles too numerous to mention.

**Business forms of all kinds printed at the Journal office.**

**OUT OF THE ETHER**  
Radio News Broadcast each Saturday by Station E7AO

The Harmony Girls will be on WDAP's 10 to 1 program tonight. No prizes; just good music.

How many E7AO fans heard the KYW midnight review last night and the fine monolog on the "Making of the Lamp Chimneys?"

Much of the fading of the past fortnight is said by authorities to be due to the unusual brilliancy of the so-called northern lights at this particular season.

**Discontinuing Programs**  
E7AO is discontinuing with its advance programs this week at least. The schedules of these stations, we have been wont to publish their programs—WQAW, WBR, WBAP and WOC are familiar to all our readers, and although these are all old stand-bys with Plattsmouth radio fans, the large number of stations available to tube set owners at this season of the year makes us feel in duty bound to discontinue all or none and space forbid the former. The Omaha World-Herald features daily nearly a column of programs for the current night from all the large stations of the country, and for those who want them an entire week in advance the Radio Digest (procureable at the Bates Book and Stationery Store on Wednesdays of each week) will provide them with much more information than we could possibly give. However, we

## SELLECK HAS PLAT-FORM ALL HIS OWN

**First District Candidate Tells Where He Stands on Issue—Would Modify Tariff Rates.**

From Thursday's Daily—  
W. A. Selleck, outlining his position on national issues as a candidate for congress from the First district, says that he is not satisfied with the present tariff law, also he believes in the principles of a protective tariff. He would modify the present law in the interests of the agricultural sections of the country. He would favor lower transportation rates from the great crop producing states that the cost of getting crops to market would be lessened. He says the Esch-Cummings law should either be repealed entirely or so modified as to compel district consolidation of the railroads. Under present conditions the weak roads are permitted to charge rates that produce an excess of profit for the stronger roads.

Mr. Selleck favors the world court as proposed by President Harding and endorsed by President Coolidge.

He opposes cancellation of debts owed by foreign nations and says such debts should be paid.

The burdens of taxation should be lightened. The government should budget its expenses and congress should see that appropriations are kept within the budget. He favors the Mellon plan with modifications increasing the exempt minimum to a two-way basis, keeping the tax on large incomes and not decreasing it to the extent proposed.

Mr. Selleck says the government should see to the care of disabled soldiers and expresses the belief that the bonus adjusted compensation for all soldiers be will passed by the present congress. Concluding, Mr. Selleck says:

"This government is founded on law. Obedience to the law is and should be the first duty of a citizen. The eighteenth amendment is as much a part of fundamental law of the land as any other part of the constitution. I believe it should be enforced."

**CHICKS HATCH IN WINTER**  
The Journal has received the report of the rather unusual occurrence of the hatching of what may be called either early chicks or late ones as the result of the winter. Mrs. Albert Murray, who resides on the Robert Troop place in the south part of the city, reports that one of her Rhode Island red hens had stolen her nest out and yesterday came in with a brood of thirteen fine little chicks that are in the best of shape despite the fact that they arrived in some of the coldest weather of the winter.

**Chamberlain's Cough Remedy**  
This is a pleasant, safe and reliable medicine for coughs and colds. It has been in use for many years and is held in high esteem in those households where fine good qualities are best known. It is a favorite with mothers of young children, as it contains no opium or other harmful drug. Try it when you have need of such a remedy.

**PUBLIC AUCTION!**  
The undersigned will sell at public auction at his farm, two and a half miles west and one mile south of Murray, five miles north of Nehawka, sale starting at 10:00 a. m. with lunch served at noon, on—

**T. E. Hathaway,**  
Owners.

REX YOUNG, Auct.  
ERNEST WIGGENHORN, Clerk.

**HOLDING MASONIC WORK**  
From Friday's Daily—  
The Hon. Robert E. French, veteran custodian of the grand lodge of the A. F. & A. M. of the state of Nebraska, was here today conducting an examination of the lodge as to their work in the ritualistic degrees, following the examination of the lodge officers held in Omaha yesterday which was attended by Leo Nie, master of the local lodge, and Ralph J. Haynie, senior warden of the lodge.

**MORE ZERO WEATHER**  
This morning the mercury showed a decided downward tendency and registered seven below zero at the official register at the Burlington station. The general forecast is for a lift in the cold weather in the next few hours with a rising temperature over the west.

## PUBLIC SALE!

Having sold my farm and going out west, I will sell at Public Auction at the farm 2 miles north and 2 miles west of Murdock, 7 miles east of Greenwood, 6 1/2 miles south and 2 miles east of Ashland, on—
