

SANDALL TO LEAD STATE CAMPAIGN FOR HI JOHNSON

Committee of Seven to Be Named to Assist Former Senator in Managing the Campaign.

C. E. Sandall of York, former state senator and chairman of the committee on resolutions at the last republican state convention, was selected chairman of a state campaign committee of seven to promote the interests of Hiram Johnson in Nebraska.

This was the result of a visit at Omaha yesterday by Frank H. Hitchcock, former postmaster general and now in charge of Senator Johnson's national campaign headquarters in Chicago. Mr. Sandall will not announce the personnel of his committee until it has been completed, which will be within a few days, according to announcement by Mr. Hitchcock last night.

Prominent Nebraskans Attend

Mr. Hitchcock was in conference yesterday with a group of Johnson leaders of this state, including Adam Brodie of Hastings, M. L. Fries of Arcadia and John G. Maher and Frank A. Harrison of Lincoln, Hugh Myers and E. L. Bradley of this city were among the visitors to the conference room. Mr. Hitchcock returned to Chicago last night at 7:30.

"The state campaign committee will comprise one member from each of the congressional districts and one at large," Mr. Hitchcock explained. "It has been decided to have one woman on this committee. The state organization, which will begin to function soon, will establish campaign committees in the congressional districts and will promote Johnson clubs throughout the state."

Petitions Are Ready

Mr. Hitchcock stated that Johnson organizations have been established in the various primary states. He also indicated that Frank Harrison will have an active part during the primary campaign in Nebraska in behalf of Mr. Johnson. The Johnson petitions are said to be ready to file at Lincoln, to have the California candidate's name on the republican preferential ballots at the primary on April 8.

Johnson delegates to the republican national convention also will be filed for the April primary. Nebraska will be allowed 18 delegates this year to the national convention, under the new apportionment.

Johnson to Speak Here

Senator Johnson will speak in Nebraska during the last few weeks of the primary campaign, following his tour of the Dakotas, according to Mr. Hitchcock.

"With President Coolidge contesting the primary states," Mr. Hitchcock added, "it seems to me there will be a clean-cut campaign, and it is my opinion that the showing which Mr. Johnson will make at these various state primaries will make the republican leaders take serious account of him at the national convention."

LOCAL NEWS

From Thursday's Daily— Attorney C. E. Tefft of Weeping Water was among the visitors in the city today looking after some matters of business at the court house.

Thomas Murty, one of the bankers of Weeping Water, was here today for a few hours attending to some matters of business in the county court.

Herman Reike, of near Union, who has been visiting in the northern part of the state, came in last evening and returned to his home via the Nebraska City bus line.

Mrs. Henry Dasher of Greenwood, who has been here visiting with relatives and friends, returned this morning to her home and was accompanied as far as Omaha by Mrs. William Dasher.

From Friday's Daily— Vincent Straub of near Nehawka, was here yesterday and last evening, for a few hours, looking after some matters of business.

E. F. Meisinger and wife were

among those going to Omaha this morning, having recently returned home from their honeymoon in Oklahoma.

W. H. Puls and daughter, Miss Esther, departed this morning for Coleridge, Nebraska, where they go to attend the funeral services of the late Detlef Bannick.

Mrs. Guy French of Chicago, who has been here visiting at the home of her sister, Mrs. Thomas Bates, departed this morning for Omaha to spend a few hours and will return here later for a short stay before returning home.

From Saturday's Daily— Jack Patterson came up yesterday from his home at Union to spend a few hours looking after some matters of business and attending the trial in the district court.

Mrs. George Stones and daughters Mrs. Robert Rainey and Miss Rowena Stones, departed this morning for Omaha where Miss Rowena is having her broken arm treated by a specialist.

Miss Gertrude Johnson of Red Oak, Iowa, is here visiting at a guest of her former university associate, Miss Jessie Robertson, and departed this morning in company with Miss Robertson and Mrs. Harvey Gamier for Omaha to spend the day.

HIGH SCHOOL CARNIVAL IS LARGELY PATRONIZED

The annual Junior carnival of the high school was held last night at the local high school and attended by a large number of people who were entertained throughout the evening by the various attractions the pupils had arranged for their benefit (also the school's) and the special attractions. One of the specialties was the wrestling and boxing card in which several of the school's boys, the Dempseys and Stechers gave the audience an incite into the fine points of these sports. The main event of the evening was the Orpheum—six acts of vaudeville—which at times throughout the performances threatened to wreck the beautiful new school building, so mirth-provoking were the puns on the various comedians, Stuart Chase and Danjan Flynn in an act entitled "Orphans of the Storm," were the decided hit of the show with their costumes and songs.

COMMERCIAL CLUB CLAIMS SITUATION MISREPRESENTED

The commercial club of Pueblo, Colo., is taking steps to check misrepresentations that are being made over the country in regard to the labor situation there which has resulted in the city of Pueblo having a large number of men shipped there who cannot find the employment they desire. The Pueblo newspapers are urging the press over the country to correct this misrepresentation and the following communication has been received by the Journal:

Employment agencies in many parts of the country are advertising for men to ship to Pueblo, holding out as an inducement that Pueblo is about to begin construction of conservancy district improvements amounting to \$3,500,000, and that thousands of men are wanted.

While it is true that improvements contemplated the expenditure of the amount and for the purpose stated will be made, covering a period of about three years, it is also a fact that there are sufficient men within forty to fifty miles of Pueblo to supply all of that kind of help that will be needed, and it is an injustice to other men and to this city if additional men from remote sections are urged to come here under existing conditions.

ATTENDED IMPORTANT MEETS

From Saturday's Daily— Mrs. W. S. Leete returned yesterday afternoon from Omaha where she has been in attendance at a number of very important meetings of the Woman's Auxiliary committee of the auxiliary of the state of which she is the president. While in Omaha Mrs. Leete was the house guest of Mrs. J. B. Jones, also one of the leaders in the auxiliary work.

On Thursday morning Mrs. Leete held a meeting of the program committee of the auxiliary as well as a meeting of the executive committee of the auxiliary and the ladies were very pleasantly entertained at luncheon by Mrs. Thomas Casady, wife of the pastor of the All Saints church.

Chamberlain's Cough Remedy

This is a pleasant, safe and reliable medicine for coughs and colds. It has been in use for many years and is held in high esteem in those households where its good qualities are best known. It is a favorite with mothers of young children, as it contains no opium or other harmful drug. Try it when you have need of such a remedy.

DE MOLAY TEAM IS DEFEATED AT NEBRASKA CITY

Lose to Otee Chapter of the Order by Score of 20 to 8—Plattsmouth Never Threatens.

From Saturday's Daily— The Nebraska City DeMolays defeated the Plattsmouth DeMolays last night 20 to 8 in a game played before a fair sized crowd at the high school gymnasium. The contest was the first of the season for the local boys and they played a very good game. Men who used to play with the high school team when they won the championship three years ago were in the lineup, and spectators were pleased to see them show some of their old time form.

For the first few minutes neither team scored. Then Nebraska City began, and the visitors were never within striking distance. Hoberg and Neely made baskets in quick succession that took Plattsmouth off their feet. The half ended 14 to 8. In the final period, Nebraska City caged three more field baskets, and the guards prevented the visitors from scoring any. They made two free throws. The game ended 20 to 8.

GOING TO CALIFORNIA

From Saturday's Daily— P. F. Cherry and his family and his mother, Mrs. C. M. Cherry, are making plans to move to Long Beach, Calif., in about three weeks, to make their home.

Mrs. C. M. Cherry and Mrs. P. F. Cherry are neither one very strong and would no doubt be better in a warmer climate, and Mr. Cherry figures that in his business he can work the year around with no enforced lay-off for four or five months on account of cold weather.

Mr. and Mrs. B. F. Miller being in Long Beach is another drawing card for the family.

Mrs. Miller is here for a visit and is very anxious that the family return with her.—Weeping Water Republican.

LITTLE ONE PASSES AWAY FROM MENINGITIS

From Saturday's Daily— Claude C. Smith of this city has received the announcement of the death of his little niece, Mary, eight year old daughter of Mr. and Mrs. Howard Mielenz, of Evans, Colorado, which occurred on Thursday evening at the Methodist hospital in Omaha. The Mielenz family had come back to the old home at Wahoo to spend the Christmas holidays and while here the little one was taken sick with a malady that baffled the physicians at first and she was taken to the Methodist hospital in Omaha for treatment and where it was found that the affliction was meningitis, one of the most serious maladies that affect the children. The little one has grown steadily worse despite all that medical skill could do for her and passed away Thursday.

PURCHASES GREENHOUSE HERE

From Saturday's Daily— The greenhouse on West Locust street, which has been owned for the past few years by Ernest Stenner, has been secured by Henry Jasper, the local florist, who is having the building remodeled and made ready for the use of his business in the future. Mr. Jasper is an experienced florist and has in a small way at his home been handling the growing of potted plants and also the filling of orders for cut flowers and now feels that the business of the community is worthy of starting a larger line which he will be able to maintain in the greenhouse here. With a greenhouse in operation here it will be possible to deliver orders much more quickly and on short notice and the owner of the plant is hopeful that the patronage of the community will in the future justify his action in giving Plattsmouth a greenhouse of its own instead of having to depend as it has in the past few years on outside agencies and which has handicapped the local dealers very much.

TWO SERIOUS ACCIDENTS IN ONE FAMILY IN WEEK

From Saturday's Daily— Mr. and Mrs. Bert McNealy are receiving the sympathy of their many friends on account of two serious accidents that befell two of their children. The first was last week when their son, Hugh, thirteen years old, broke his left leg below the knee while coasting down the north slope of the school house hill. He has suffered greatly and will be laid up for several weeks which is a great disappointment to him as he is interested in his school work and is trying to miss the time from his studies. He is in the seventh grade.

The second accident was even more distressing, as their little three-year-old daughter Irene upset a pan of boiling hot jelly upon herself on last Monday forenoon, receiving very bad burns from the top of her head all the way down her body. She suffered intensely and the catastrophe was a great shock to her frantic mother and father as well as to all of the friends and neighbors. It is not that that there will be any scars remaining, which is one thing to be thankful for, but it surely is a sad thing to think of the suffering the little girl endured. She is doing as well as could be expected and the entire community will hope that both of these children will soon recover from their injuries.—Louisville Courier.

Nebraska's total tax bill for 1923 amounted to approximately \$53,000,000, according to the annual report of W. H. Smith, state tax commissioner, issued today.

That sum includes all state, county, municipal, school and other direct taxes, but does not include special improvement taxes. The amount represents an average annual tax burden of \$41 a year on every man, woman and child in the state or a yearly average payment of more than \$200 for each family of five.

School Taxes Half of Total— Taxes for the support of educational institutions, including the university, normal schools and public schools, were approximately 50 per cent of the total. County taxes ranked second, amounting to 20 per cent of the grand total; municipal taxes accounted for 16 per cent and state taxes for 13 per cent.

The \$53,000,000 was allotted as follows: Public schools (excluding Uni and normals)—\$23,962,437 County purposes— 9,976,040 Municipal purposes— 8,382,484 State purposes (university and normals)— 6,404,457 County high school (special)— 255,708 Township purposes— 1,353,177 Drainage taxes— 281,522 Irrigation taxes— 667,372 Terminal taxes— 667,299 Miscellaneous taxes— 896,333 (County high school, drainage, irrigation, township and miscellaneous taxes not levied in every county.)

Bert Coleman departed this morning for Omaha to spend the day there attending to some matters of business.

Worth Considering

The question is not so much how you contract a cold, but how to get rid of it with the least loss of time and inconvenience. If you will consider the experience of others under similar circumstances, who have been most successful in checking their colds, in their beginning, you will secure a bottle of Chamberlain's Cough Remedy without delay, and use it faithfully. There are many families who have used this preparation successfully for years and hold it in high esteem. It is excellent.
