Nor are her activities confined to affairs legal. She is a member of the volunteer fire brigade of Ashland, and can wear a red shirt on occasion. She was a democratic candidate for congress in the Fifth district primary two years ago.

She was city attorney of Ashland until last September, when she resigned just before going to a hospital, where she remained ten weeks. She attended much publicly last summer when she presented seven youths for discharging firecrackers unlawfully in the city.

AUTOMOBILE DEDUCTIONS AND THE INCOME TAX

Taxpayers Are Advised as to the Deductions They May Make in Returns on Autos.

From Friday's Daily—

Deductions allowed taxpayers in connection with the maintenance and operation of automobiles are the subject of frequent inquiries from taxpayers in filing an income tax return. The following is for the guidance of owners and prospective owners.

Such cost—for garage bills, gasoline repairs etc.—may be deducted as a business expense when an automobile is used wholly for business purposes, or in trade, profession, or farming. When used partly for such purposes and partly for the pleasure or convenience of the taxpayer and his family, the cost may be prorated and that part attributable to business or the other pursuits mentioned deducted as a business expense.

The same rule applies with regard to the deduction for depreciation, which is allowed when an automobile is used wholly in business, trade, profession or farming, and must be apportioned accordingly when used partly for such purposes and partly for pleasure. If an automobile is used almost exclusively for pleasure, a deduction for depreciation is not allowed.

The purchase price of an automobile, even when used wholly in business, cannot be deducted from gross income. It is a capital expenditure, deduction of which is expressly disallowed by the revenue act. The 5 per cent tax which attaches to the sale of an automobile cannot be deducted by the purchaser because it is a tax levied on the sale by the manufacturer, and must be returned and paid by him. The manufacturer may reimburse himself in the amount of the tax by agreement with the purchaser, in a manner prescribed by the revenue regulations. So far as the purchaser is concerned, the tax is a part of the cost to him of the automobile. The manufacturer may not deduct the tax in his return, unless the amount is included in his gross income.

An automobile license fee is regarded as a tax, and may be deducted whether the automobile is used for business or for pleasure or convenience. In the event of a collision between a truck and an automobile used for pleasure or convenience, the owner of the truck may claim a deduction for damages, provided the truck was being used for business at the time of the collision. No deduction is allowed the owner of the automobile, because it was not being used for business purposes. Amounts expended by owners of automobiles used for pleasure or convenience in repairing damages thereto caused by negligent operation do not constitute deductible losses.

Taxpayers are advised not to delay in the filing of their returns. To do so results in confusion and congestion during the closing days of the filing period, which ends at midnight of March 15.

TO STUDY VOICE IN ITALY

From Friday's Daily— Fred Klepper went to Lincoln Wednesday afternoon. He expects to leave some time within the week for Italy, where he will study voice. Fred has a fine tenor, a beautiful natural voice, and with application and hard study he can accomplish wonderful things. Fred has many warm friends here who will watch his progress with a great deal of pride.—Weeping Water Republican.

They Appeal to Our Sympathies

The bilious and dyspeptic are constant sufferers and appeal to our sympathies. Many such, however, have been completely restored to health by the use of Chamberlain's Tablets. These tablets strengthen the stomach, regulate the liver and improve the digestion. They also cause a gentle movement of the bowels. When you have any trouble with your stomach give them a trial.

CATHOLIC DAUGHTERS HOLD INTERESTING MEETING

Very Delightful Reception to Newer Members and Observance of Anniversary is Enjoyed

From Thursday's Daily—

Last evening the members of the local court of the Catholic Daughters of America, as well as the organization as well as the observance of the second anniversary of the establishment of the court here in Plattsmouth.

The event was in the nature of a reception to the new members of the organization as well as the observance of the second anniversary of the establishment of the court here in Plattsmouth.

Following the regular business session the ladies enjoyed a most delightful evening of games and contests which were given under the supervision of Miss Mildred Schlatter and which furnished a great deal of amusement and fun for all the members of the party. In the various contests there were prizes given for the most skillful of the members. Another of the entertaining features of the evening was the song and dance given by Master Connie Seklater that was heartily enjoyed by the members of the party.

During the course of the evening, Mrs. A. G. Bach, the retiring vice-president and the organizer of the local court, was presented with a beautiful bouquet of roses as a token of esteem of her associates in this great organization of the women of the Catholic church.

At an appropriate hour the members of the party were treated to a very delightful two course luncheon served by the committee in charge of Mrs. Tim Kahoutek and which came as a fitting close of an ideal evening.

SOUTH BEND PEOPLE ASK PLATTE RIVER BRIDGE

Form Organization to Secure Either State Aid Bridge or Private Owned Toll Bridge.

From Friday's Daily—

The residents of the vicinity of South Bend have taken up in real earnest the proposition of securing a bridge over the Platte river at that point that will add to the convenience of the residents of that locality and which they expect to make a much closer road between South Bend and Lincoln than the present one that crosses the river at Ashland.

While the prime object of the movement is to secure if possible a state aid bridge the people in the South Bend locality are ill if necessary to have a private toll bridge constructed that will serve the needs of the community until such time as the state and county feel equal to supplying a free bridge. The enthusiasm and spirit in which the South Bend, Alva, Murdock and other places are joining in the campaign looks good to see a bridge built even if it is by private capital.

The boosters for the new bridge have held three meetings, one on Saturday, Monday and Wednesday, and have perfected an organization to carry on the boosting for the bridge and the officers of the new association are George Vogel, president; William J. O'Brien, secretary, and J. E. Carnicle, treasurer. The officers are working hard on the proposition and their petitions are being signed very extensively in that section of the county.

Some fifteen years ago South Bend had a wagon bridge over the Platte river which was carried out in one of the very heavy ice gorges and since that time the residents there have felt very much the need of a structure that would be adequate to the needs of the community.

LEGION AND AUXILIARY ARE ON THEIR BIG STATE DRIVE

Membership Campaign On With 25,000 For Legion and 15,000 Auxiliary Set as the Goal.

From Friday's Daily—

The biggest and the most intense membership drive ever put on by any organization is said to be in the process by the American Legion and its Auxiliary. With a membership last year of 17,000 and 7,000, respectively, these energetic and patriotic ex-service people have set as their goal 25,000 members for the Legion and 15,000 for the Auxiliary this year. On January 15, a drive was started to close with convention time in the fall, but an intensive campaign is being carried on during this month.

Frank Warner of Norfolk heads the Legion membership forces and Mrs. R. H. Hamilton of Long Pine, the Auxiliary. Three prominent Legion men are in charge in each district and one prominent Auxiliary worker.

Mrs. E. T. Ashby of Hastings is assistant to Mrs. Hamilton and the captains of the various districts of the Auxiliary are: First, Mrs. C. E. McGlasson, Lincoln; Second, Mrs. John Kilmartin, Omaha; Third, Mrs. Frank Warner, Norfolk; Fourth, Mrs. Harry Norval, Seward; Fifth, Mrs. R. T. Jones, Edgar; Sixth, Mrs. A. L. Hollister, Spencer; Seventh, Miss Laura Kintz, Lodgepole.

It is planned to have reports turned in every two weeks and those that are lagging behind will receive a shot of "pep" from their captain. Points and units will visit nearby towns to encourage them and speakers will be sent out to tell of the purposes and activities of the organization. A bulletin containing an outline of this has just been sent out from state headquarters which are located in Lincoln.

Many districts and towns have challenged each other and treats at the state convention are in most cases the penalty of the loser.

DIES IN KANSAS

From Thursday's Daily— Word was received here this morning of the death at Seberus, Kansas, last evening of Mrs. Nestadek, mother of Anthony, Miss Marie and Geo. Nestadek, who formerly made their home in this city. The sons are now living in Fremont and Miss Marie resides at Seberus with the mother. The deceased lady had been at the hospital in the Kansas city for some time past.

ASKS FOR DIVORCE

From Friday's Daily— This morning petition was filed in the office of the clerk of the district court by Mrs. Cyrene E. Applegate through her attorney, C. A. Rawls, asking that she be granted a decree of divorce from Joy R. Applegate. The petition of the plaintiff alleges that the parties were married at Omaha in March, 1906 and that the defendant has been guilty of desertion of the plaintiff. The custody of the minor children and suitable alimony is also asked by the plaintiff.

SCOUTS WIN A GAME

From Thursday's Daily— The members of the Boy Scouts troops of this city were victorious on Tuesday evening at Nebraska City, when they engaged in a spirited contest with the Scouts of that city at the high school gym and as the result of the efforts of the local youngsters the score stood 13 to 8 in favor of Plattsmouth when the final whistle was blown. Ed Wescott and Chick Taylor were the chief point getters for the Plattsmouth team.

A Judicious Inquiry

A well known traveling man who visits the drug trade, says he has often heard druggists ask a customer who wished to buy a cough medicine, whether it was for a child or an adult, and if for a child, they most invariably recommended Chamberlain's Cough Remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it and for colds, coughs and whooping cough it is unsurpassed.

BLUE SWAMPS PAWNEE COUNTY BALL TOSSERS

Auburn High School Quintet is Fifth Victim of Plattsmouth Cage-Men This Season.

From Thursday's Daily—

Another scalp hangs from the belts of the Plattsmouth high school basketball five. This time it was the Auburn tribe that was shorn of its "crowning glory" by Chief Rother's braves, although it is suspected that the said "crowning glory" was a "troupe" from the ease with which it was fitted. The score was 32 to 9. For the first few minutes it looked as though the invaders might give the locals a real battle but they soon proved to be unequal to the task after the blue got to going, and then, as in previous games, it was only a question of how large the score would be.

The Plattsmouth five-man-defense, as taught by Coach Rother, who, by the way, is the best basketball mentor the local high school has ever had, was as impressive as that of the "Klinceled" Cornhuskers last Friday night when it rendered powerless the highly touted Creighton five. Time and again, Krejci, blue center, with flail-like blows, would knock down the apparently safe passes of the opponents, or Chase or Rebal would intercept them, while Hitt and Wasley guarded the visitors with a proficiency which only comes from good coaching.

However, Plattsmouth did not neglect the offensive side of the game and with series of short passes with Krejci as a pivot, the blue and white forwards would carry the ball down the court for goals, assisted at times by Wasley, Plattsmouth guard.

The eighth grade team defeated the seventh grade in a preliminary in which the fans witnessed future high school luminaries perform.
