COUNTRY ROADS ARE IN VERY BAD CONDITION

From Saturday's Daily—
The roads in the country as well as in the city off the paving are just about as bad as it is possible to find and the federal highway from the Platte river to Union is reported as being probably the best road in the country districts, although it is certainly nothing to brag about.

The residents of the various communities who find it necessary to travel are making use of the railroads in getting around and this has been found very inconvenient to those who reside out in the extreme western part of the county and desire to get into Plattsburgh. Cars have cut up the roads and the deep mud has made the attempt to drive with an auto one of the greatest risks to the cars in getting stuck in the sea of mud. The bad condition of the roads has also served to check the activities of the candidates for office at the primary election as they have not been able to get out and meet the elusive voters as they might desire.

REDECORATES STORE

From Saturday's Daily—
The grocery and meat market of John Hatt have been receiving a touching up in the last few days and made one of the attractive business places of the city and as neatly arranged store as can be found in many a day's journey. The owner of the store has had the section of old shelving on the west side of the store taken out and this has been replaced with several of the new and modern steel display cases that make a very pleasing change and give ample room for showing the lines of canned goods, as well as holders for the vegetables that are carried in stock. The walls have also been re-papered and Mr. Hatt states he expects to have the room re-decorated entirely in a very short time.

PLATTSMOUTH TO BE IN CLASS 'A' AT TOURNAMENT

Reports From Lincoln State that Local Hoopsters Are to Battle in First Rank of Tourney.

From Saturday's Daily—
Preceding the announcement of the schedules and classifications of the teams entered in the state basketball tournament at Lincoln the coming week, reports from that city state that Plattsburgh high has been placed in Class A, the leading grade of the world's greatest basketball gathering.

The classifications have not been fully authorized but from the splendid showing of the past season the Plattsburgh team has been strongly considered for weeks for a berth in the top class. The state high school athletic board, which is making the classifications, is now in session in Lincoln and has had a Herculean task in classifying over 200 teams which have entered the tourney and will have one more class this year than last.

The information from Lincoln states that Plattsburgh will have as their opponent in the opening game Thursday morning, the Hastings high school team, runners-up in the tournament last year.

The team has played most consistent and high class ball all season and their record merits them a place among the leaders. Their showing against Peru and the strong Nebraska City team with the loss of one of their principal players marks them as real championship contenders, with a fighting spirit and a determination to win.

This is the first time since 1916, when Plattsburgh was represented by Frank and June Marshall, Ray Larson, Fred Speck and Art White, that a local team has landed in the top class, and the third time since the tourney was instituted, the same players having made it in 1915.

PASSING OF PUBLIC SPIRITED CITIZEN

Jerome Tilton is Laid to Rest Amid Scenes of Former Activites in Northern Iowa

From Saturday's Daily—
Mr. Jerome Tilton was born September 3rd, 1841, at Easton, Rensselaer county, New York. He was united in marriage with Miss Mary Sherman of Pittstown, New York, on October 30th, 1862. To this union were born three sons, Myron, Wesley and Charles. Mr. Tilton and two of his sons preceded him and father in death. Myron departing this life April 13, 1902; Mrs. Tilton April 16, 1916 and Wesley October 15th, 1923.

Mr. Tilton came to Iowa about the year 1866 and settled on a homestead in Humboldt county where he farmed for twenty-five years, after which he moved to Bradgate, where he entered heartily into the business activities of the town. He organized the first bank and established the first lumber yard. After three years, he entered the mercantile business, conducting a general store successfully for a number of years. Mr. Tilton served the town and community in many ways, being director of the bank, treasurer of the creamery association, director of the public school, and mayor of the town. He was a public spirited man, and his work, hard and pocketbook did much toward the building up of the town and every laudible enterprise of the surrounding community in which he lived.

Mr. Tilton departed this life on February 24th, 1924, at the home of his niece, Mrs. C. P. Forbes, at Plattsburgh, where he had spent the winter. The cause of his death was acute "Gastric Enteritis."

Mr. Tilton was a man who was respected by all who knew him. He endured to the hardships of pioneer days, coming as he did to Iowa when there were few railroads west of the Mississippi river and when the ox team was the main means of conveyance. He lived to see the greatest advancement in the field of invention and progress of possibly any age of the world's history, having lived past man's allotted three score and ten, and being at the time of his death 82 years, 5 months and 21 days old.

He leaves to mourn his departure one son, Charles, of Plattsburgh, as well as seven grand children and eight great-grandchildren and other relatives and a host of friends.

Mr. Tilton was a member for a good many years of the order of American Yeomen, and also of the order of Knights of Pythias, of Rolfe, Iowa, near his home town. The members of the latter fraternity attended his funeral in a body and had charge of the last sad rites at the grave.

The funeral services were held from the late home in Bradgate, Iowa, on Wednesday afternoon, February 27th, at 2 o'clock and from the Methodist church there at 2:30, in charge of the pastor, Rev. Robert Grigsby, assisted by the Rev. Charles Bryen of the Baptist church. The latter read the obituary and spoke on the subject "Pioneers of the Early Days of Iowa History" and offered prayer. The subject of the sermon, as preached by the pastor, was "The Span of Life," and the text was taken from the Psalms xc-10. A quartet composed of Mr. Will Hoak, Mr. Charles Nichols, Miss Nina Smith and Miss Belva Wallace sang appropriate selections, accompanied by Mrs. Glenn Wallace at the piano.

During the course of the visit to his son and other relatives here, the deceased had gained considerable of an acquaintance in Plattsburgh and the local friends of this venerable pio-

THE OLD HOMESTEAD

In 1868, Mr. and Mrs. James Colbert homesteaded an 80 one mile tract of Wabash and lived there for years, raising their family there. After a time Mr. Colbert bought an 80 and made one of the finest farms in the county.

After Mr. Colbert got too old to do the heavy work on the farm, the first box, which I got at Fricke & Co.'s drug store, I felt better in every way. I used a few boxes and they gave me fine relief. I had another little attack this spring, but I used Doan's the first thing and they straightened me out again in quick order."

IT'S FOOLISH TO SUFFER

When So Many Plattsburgh People are Pointing the Way Out.

You may be brave enough to stand backache or headache or dizziness. But, if, in addition, urination is disordered, look out! If you don't try to fix your sick kidneys, you may fall into the clutches of dangerous disease before you know it. But if you cure more carefully and help your kidneys with Doan's Pills, you can stop the pains you have and avoid future danger as well. Don't experiment—use the remedy Plattsburgh people are publicly endorsing. Read this case:

W. L. Lamberk, contractor, painter and paper hanger, Locust street, Plattsburgh, says: "I had lumbago and kidney trouble. I believe the turgent fumes from the paint was responsible for it. I could hardly bend or lift anything and I couldn't even turn in bed without help. I had no control over my limbs and when I tried to walk, I could not lift them, just had to scuff them along. My kidneys acted irregularly and the secretions were highly colored and passed with a burning sensation. I used Doan's Pills and before finishing the first box, which I got at Fricke & Co.'s drug store, I felt better in every way. I used a few boxes and they gave me fine relief. I had another little attack this spring, but I used Doan's the first thing and they straightened me out again in quick order."
