But—we challenge them all to a comparison as to actual soundness and security.

Your own bank—right here in Murray—is in better position to serve you properly than any other bank on earth.

By co-operation, we will be able to help Murray take its rightful place.

Yonder in the moonlit city, Where God and His doth dwell; Lies our loved one sweetly resting To await the last long knell.

Its radiance and its splendor, Are far brighter than before; For therein sleeps our dear one Sleeps to suffer pain no more.

Her beautiful life, tho' ended, Was not lived all in vain; For what is now our earthly loss Is her celestial gain.

And so it is we cannot tell How soon our earthly house will fall—

But this we know, the Father Has a place in Heaven for all. So cease to grieve for loved ones, For forms so cold in death. They are taken home by the Father, He knows why, for He loves them best.
