

Nehawka Department!

Prepared in the interests of the People of Nehawka and Surrounding Vicinity Especially for the Journal Readers.

Jack Howard was a visitor with friends in Union last Sunday.

Master Glen Hoback experienced some tough playing in the boys' basketball game and as a result received a fracture of his nose.

J. W. Magney and wife were at Union one day last week where they went to attend the funeral of Charles Carraber.

Geo. Tate is still battling with the rheumatism and is holding his own and perhaps gaining a trifle on the malady.

Albert Wolf who was down from Omaha for over Sunday remained until Thursday on account of not feeling very well.

John O. Yeiser and family of Omaha were in Nehawka last Sunday, they spending the day at the home of Mr. and Mrs. A. F. Sturm.

Misses Helen and Genevieve Scott accompanied Miss Owens to her home in Ashland last Sunday where they all enjoyed the visit very much.

Fred Nutzman was a visitor in Omaha last Wednesday where he went with stock which he disposed of on the market at good prices.

Mark Burton has been papering and decorating at the home of Mr. and Mrs. Clarence Hanson, getting the home ready for the summer.

Verner Lundberg has been wiring his new home this week getting ready for the plasterers who will be working on the interior in a short time.

On account of the snowstorm of last Sunday a large number of the students of the Nehawka schools were not able to get to school on the following day.

Mr. and Mrs. Albert Anderson were spending last Sunday at the home of Mr. Anderson's sister, Mrs. Bada Stander at Louisville, making the trip in their car.

J. P. Douglas has been making some improvements in the office by the cutting of a door between two rooms in order that he may be able to use them more conveniently.

Geo. C. Sheldon and the family were visiting and looking after some business matters as well as visiting with friends in Omaha on last Wednesday, driving up with their cars.

Morton Bartlett was down from Murray last Sunday and Mr. Walter Johnson accompanied him to Murray

where he was the guest at the Bartlett home and Mrs. Lucile Davis for dinner.

Robert Eaton from northeast of Union was in Nehawka last Wednesday with a load of fish which the people were very eager to secure and which he disposed of in a very short time.

Messrs. Vincent and David Straub from Omaha were in Nehawka looking after some business matters last Wednesday driving up in their car and found the roads very soft and hard to drive over.

John Knabe has a load of cattle and his son, Harry Knabe, a load of extra fine Hampshire hogs on the South Omaha market last Wednesday which brought very good prices for the cattle while the hogs topped the market.

David Allen and Frank Smith of Rock Bluffs were in Nehawka last Wednesday afternoon with a load of fish which they have been catching in the Missouri river near their home and they met with a good sale of their product.

C. D. St. John and J. G. Wunderlich were in Weeping Water last Wednesday evening, going to take part in the demonstrating of some of the degrees in Oddfellowship which were being put on by Prairie lodge No. 25.

Miss Dorothy Greenhaugh, one of the teachers in the Nehawka schools was spending last Sunday with her parents in Lincoln, returning after a most pleasant visit with the folks to take up her work in the schools on Monday morning.

Nelson Berger shipped a car of cattle to the South Omaha market on last Wednesday, driving over to Omaha on Thursday to see them sold and also making a trip to Springfield where he had some business matters to look after as well.

The popular barber, Frank M. Lemon and his genial wife were visiting last Sunday at the home of Mr. and Mrs. John Chambers where they enjoyed the day most pleasantly returning home in the evening just in time to escape the snowstorm.

Geo. Pollard who is an expert radio installer has just installed a new Crosley radio for Leo Switzer and on last Sunday evening had Messers, and Mesdames D. C. West and Walter J.

Wunderlich over for the evening, all enjoying the new long distance talker.

Miss Helen Brandt, who graduated at the Nehawka high school a short time since and has been teaching the present year at Avoca, was a visitor at the home of her parents near Nehawka for over the week end returning on Monday to her school at Avoca.

Mrs. James Stone, Jr., entertained at supper on last Tuesday evening a number of the teachers of the Nehawka schools and the evening was most pleasantly passed, all enjoying the occasion greatly and most highly complimented Mrs. Stone on her excellent supper.

Stewart Rough and wife departed last Friday for Crete where they spent the time until Sunday afternoon at the home of their daughter, Mrs. D. H. Wilson and husband, whom they found enjoying good health and prosperity. Mr. and Mrs. Rough in returning got home just in time to miss the snowstorm.

Geo. Pollard and wife were looking after some business matters in Omaha on last Wednesday driving over to the big city in their car. While the roads were quite bad in Nehawka and slightly better until arriving at Union from there to the Platte river they were excellent, but when arriving in Sarpy county they found the roads quite soft.

A large number of the students of the Nehawka high school were in attendance at the basketball tournament at Havelock last week touring for the girls from Nehawka who were playing in the tournament. The girls put up a wonderful fight on the floor where the games were played but had too strong a team to work against and as a consequence were not the winners.

The ladies aid society of the United Brethren church of Nehawka were meeting last Wednesday at the pleasant home of Mr. and Mrs. C. D. St. John and a most pleasant afternoon was spent by the ladies, they looking after the work which called them together and also having a social hour which was brought to a most pleasant climax by a delightful luncheon served by the genial hostess.

That is the name of the play which the senior class is presenting at the auditorium this Thursday evening. They have the play well in hand and will give a most worth while entertainment.

The Oil Well Progressing Work on the oil well is being pushed ahead as rapidly as possible under the circumstances and much real progress is being made in the sinking of the shaft. The matter of the niggerheads has been passed and they are now down to something solid but going gradually deeper with each day. Two shifts are being run and work is in operation from 7 in the morning until two o'clock the next morning.

Are Having Patrons Day The Nehawka schools have arranged for a Patrons day at the Nehawka school for March 27, Thursday of next week where they will be received through the schools as to its workings, the reception being arranged to take place at 3 in the afternoon.

A Proud Newspaper Man Even in the printing trade some times comes joy, which would be thought by many to be an impossibility and this unexpected event occurred last week with the thought and kindness of nature and the stork the proprietor of the Nehawka Enterprise was presented with a new son. The wife and mother has been staying at the home of her parents at Dunbar and the visit of the stork was told the husband and father and in his trusty Ford he started for Dunbar and a very pretty race occurred between the happy editor and the long-legged stork in which the former won as he was present at the time of the arrival of the son. Now the proud father and fond mother are very happy because of the arrival of Donald George Rutledge who made his advent on March 14th, all are doing nicely and very happy.

Will Have Sale This Fall Carl Stone who has about one-third of a hundred fine Jersey cattle as one might wish to see, has decided to give a sale of the celebrated milkers sometime next fall. His herd which approached forty in number is as fine as any in the county. Anyone who likes to look at stock will do well to stop and see them when in or near Nehawka. Keep in mind if you are needing a cow of the coming sale which will be advertised before that all may know the exact date.

The Nehawka City Ticket At the caucus which was held last week the nominations for the village board, two of whose term of office expired this spring, they being Nick Kleurens and W. S. Norris, who were renominated, and also Delbert Switzer and A. B. Rutledge, thus making two to elect out of the four nominees.

Hears of Brother's Death Harry Switzer, the eldest brother of the Switzer brothers of Nehawka, who has been making his home at Glenwood Springs, Colorado, for a number of years, where he has been recently engaged in the lumber business, died at his home there on last Monday evening, a telegram came

telling of his death. The train service was such that it was not possible for any of the brothers to attend the funeral. Mr. Harry Switzer was at the time of his death about 56 years of age and leaves a wife and one daughter, the latter married about 20 years of age. Mr. Switzer visited here the last time at the time of the death of his father some six years ago.

Gets Near Top on Sheep Frank Schlichtemeier, who is one of the most successful feeders of sheep in Cass county, was at Omaha last Wednesday with a double deck car of well finished sheep which brought him above 16 cents per pound, the top for the day being 16 1/4. They were purchased by Mr. Schlichtemeier for a good bit under that price and in addition showed a most healthy gain as a result of his careful feeding. Mr. Schlichtemeier has almost as many more at home, many of them ewes which will bring lambs, and he will keep them all until in the summer, when he will shear them before marketing them and thus realize an additional nice profit on the "clip." In all, Mr. Schlichtemeier has been very successful in the feeding and marketing of his sheep as well as in the purchasing, which is really applicable to the old saying, "Well begun is half done."

Will Try the Selling Game Herman L. Thomas, the clever agent of the Missouri Pacific, who has been with the company at this place so long that he has been looked upon as a fixture, and who has always made good and conducted the office in the best of shape, has taken a ninety day layoff and will try the

Hall's Catarrh Medicine Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions.

Double Birthday Reception Last Sunday evening at the pleasant home of Mr. and Mrs. Thomas R. Fulton were gathered a large number of the friends of their daughter, Mrs. Herold Kembloom, who passed her 25th birthday on that date, and Mrs. John Opp, whose birthday fell on the day following. The evening was most pleasantly spent in social conversation and music, with a most delightful luncheon at the close of the pleasant evening.

ORDER OF HEARING and Notice on Petition for Settlement of Account. In the County Court of Cass county, Nebraska.

To all the heirs and all persons interested in the estate of Jonathan Hatt, deceased:

On reading the petition of George L. Farley, administrator, praying a final settlement and allowance of his account filed in this Court, on the 19th day of March, 1924, and for decree of heirship and final distribution and assignment of the estate;

It is hereby ordered that you and all persons interested in said matter may and do, appear at the County Court to be held in and for said county, on the 31st day of March, A. D. 1924, at 10 o'clock a. m., to show cause, if any there be, why the prayer of the petitioner should not be granted, and that notice of the pendency of said petition and the hearing thereof be given to all persons interested in said matter by publishing a copy of this order in the Plattsmouth Journal, a semi-weekly newspaper printed in said county, for one week prior to said day of hearing.

In witness whereof, I have hereunto set my hand and the Seal of said Court, this 19th day of March, A. D. 1924.

GIVES SHOWER FOR BRIDE From Wednesday's Daily— In honor of Mrs. Paul Bartek, formerly Miss Edna May Born, daughter of Mr. and Mrs. Louis Born, a large number of friends gathered at the Born home the last of the week to tender to the charming bride a shower and reception that would properly express the feeling of esteem in which she is held by the large circle of acquaintances. The event which was in the nature of a miscellaneous shower was arranged by a number of the relatives and was a most delightful affair to all those in attendance.

There were between seventy-five and one hundred present at the gathering and in honor of the occasion the guest of honor received a large number of very attractive gifts that will be treasured in the years to come.

At a suitable hour in the evening the members of the party were served a very delicious luncheon that was much enjoyed and at a late hour the guests departed homeward expressing the sentiment that they had a most royal time at the Born home.

ILL IN CALIFORNIA The former school associates and friends here of Miss Olive Quinn who was supervisor of music in the local schools here in 1922-23, will regret very much to learn of the serious illness of this estimable lady. Miss Quinn has been confined to her home at 3853 Platte avenue, Fresno, California, since a week before Christmas suffering from a very severe attack of neuritis that has made the past few months far from pleasant. Miss Quinn during her stay here in the school work made many warm friends who will extend to her their most sincere sympathy in her hour of suffering and the wish that she may find a speed recovery from her illness.

The children find real delight in the Easter eggs that are sold at the Bates Book and Stationery store. Call in and see them.

TRYING TO IDENTIFY BODIES Omaha, March 17.—Identities of the bodies of two men found in a refrigerator car in the Missouri Pacific railroad yards late today is being investigated by county authorities. They had been dead a few hours, asphyxiated by fumes of charcoal heaters, it was said.

One man believed to be Alexander Forbes Milne, twenty-three, a Canadian. A birth certificate gave this information. No marks of identification were found on the other body.

The car in which the bodies were found was laden with grape juice from Lawton, Mich.

Easter cards of all designs and at all prices at the Bates Book and Stationery store are now on display.

Attorney W. G. Kieck returned this afternoon from Springfield where he has been visiting with his parents and friends.

J. F. WOLFF, GARAGE

THE WORLD'S LARGEST PRODUCER OF QUALITY AUTOMOBILES

We 23,000 Men

Present you the utmost in fine cars

There are 23,000 of us building Studebaker cars. Most of us are partners in the business. Thousands of us are stockholders. All of us, after a certain time, get dividends on wages.

All of us, after two years, get vacations with pay. All of us, after one year, get dividends on wages. After five years, that annual dividend adds 10% to our earnings.

The company spends vast sums on co-operative work with us. When we retire, we get pensions.

So Studebaker cars represent the best that we, in combination, know how to offer you.

Some of us belong to management. If we do better than expected, we get 10% of the excess.

So every man among us does his best to make Studebaker cars supreme.

Our fine backing

Behind us is an honored name. For 72 years Studebaker has been the leader in quality and class.

We have \$90,000,000 of assets. We have \$50,000,000 in model plants. We have 12,500 up-to-date machines. So Studebaker cars are built by modern and efficient methods.

We have an engineering department which costs \$500,000 yearly. That to maintain and develop Studebaker standards.

We subject Studebaker cars to 30,000 inspections. That requires 1,200 men. All told over 70,000 machine and hand operations are performed in manufacture of a Studebaker car. In so many operations, though each one is small, there is a

great opportunity for economies and savings.

We have a \$10,000,000 body plant, to maintain the Studebaker standard of coach work. There sons, fathers and grandfathers are working together, to build such bodies as Studebaker always built.

Those bodies are finished by many operations, including 15 coats of paint and varnish.

The open bodies are upholstered

All Studebaker models are equipped with Timken bearings. There are few cars in America, regardless of price, which equal ours on this point. In our Light-Six, for instance, we put more Timken bearings than are used in any competitive car, within \$1,500 of its price.

We give unusual equipment. On some Big-Six models, for instance, we include two nickel-plated bumpers, one or two extra disc wheels with cord tires, a courtesy light, a motometer, steel trunk, etc.

How we do this

We give you these extra values through quantity production. We build 150,000 cars per year — more than any other fine-car builder. Our large expenses are divided by that enormous output.

We do it by building our own bodies, our own parts. Thus we save outside profits.

We do it because we have up-to-date plants, with all forms of modern equipment.

The results are these: Beauty, quality and luxury such as no maker can surpass.

Prices far below the usual. Our Light-Six, built by ordinary methods, would sell for from \$200 to \$400 more. Our Big-Six can be compared only with the highest-priced cars in the world.

Here are 13 models, from \$1,025 to \$2,685. Each of them offers scores of advantages over any comparable car. They offer such values that the trend toward Studebaker has become overwhelming.

Go analyze the reasons before you buy a quality car.

See how Studebaker gained top place

145,167 people last year paid \$201,000,000 for Studebaker cars.

The sales have almost trebled in the past three years. Studebaker growth in fine cars is the marvel of this industry.

Go see the reasons. See the scores of extra values Studebaker offers.

There are 13 models. Prices start at \$1025. They go to the highest price a fine car needs to cost.

Don't buy a car for years to come without knowing how Studebaker gained its amazing popularity.
