MURRAY CITIZENS ACTIVE

From Wednesday's Daily-Last Monday evening at a calle

neeting of the Murray Community club the matter of solving the perplexing problem of the main street of Murray, which has been a source of much concern to the citizens for some time at which the matter was much discussed and the feeling and hought of every citizen who has the interest of the city at heart was crystallized in the matter of securing funds for the putting of the thoroughfare in the best condition possible with the funds which they will be able to obtain. Something near a thousand dollars was secured on the list which was circulated and o-operation is sought from the state and county governments for the put ting in of the street and for the mile east of Murray in a good condition. The idea found concrete form in

WEDNESDAY, APRIL 2ND craveling the highway and an effort will be made to accomplish that object as soon as possible. The road

to be delivered at poultry car near between Murray and the intersection and also on Murray has been a source town for some time and can they succeed in accomplishing the end to which they are working, and it looks ----- 22c now very much like it will be accomplished, they will solve the off occurring problem of making the Old Cox, per lb 10c road always passable.
