## Loyalty Begets Loyalty!

Patronizing home institutions of all kinds is being fair to those from whose patronage you expect to profit.

Loyalty to those who are loyal will work reciprocal prosperity.

For banking service to Murray people your home town bank is unexcelled.

Murray money banked in other towns can do Murray little good.

Make it fifty-fifty. Patronize those institutions whose support and patronage you enjoy.

## De Laval Oil

Don't experiment with various kinds of oil to lubricate your De Laval Separator. There is just one brand of oil which is exactly suited to the purpose, and hundreds of brands which will not do at all.

Keep the oil cup of your separator filled with De Laval oil and you will get the utmost in separator satisfaction. The machine will turn easier, and give longer and better service.

All light, high-speed machines run better when lubricated with De Laval oil. It gives them the protection they need and is, therefore, the cheapest oil in the end.

Sold in half-gallon and one gallon sealed cans, with a handy spout.
