REUNION OF NE-BRASKA ALUMNI

About Two Hundred Delegates Attend Meeting at Temple and Consider Plans For the Future.

From Friday's Daily-

A new plan of holding class reunions of the University of Nebraska alumni, was adopted at a meeting of the alumni delegates representing, all of the classes, at the Temple building Thursday morning

The Dix plan of holding reunions, which provides for a reunion of the four classes that were in school together every four years was adopted with reservations. Under the Dix plan there will be a reunion each year but the classes joining in the reunion will be of the alumni that went to school together instead of of whom are strangers. About two

The reservation adopted with the Dix plan, was the holding of the 20year class reunion regardless of the other classes that were holding day and found Mrs. John Mocken- theirs at the same time. The twenty-year class is still to remain the honor class of roundup week but it is expected that in a few years they will have to give way to the fifty year class as the honor class of

Miss Aside from her church affiliation, crease of more than \$600,000 is ex-Anna, and Mr. and Mrs. Herman Mrs. Cline was also a member of the hibited in payments made for construction of the new state capitol.

More than a quarter of a million cost of new equipment and general looking after some business matters | Those here from away were Mr. supplies while fixed charges, state

> Some increase is shown under the headings of expense, repairs and upkeep, and revolving funds, but not enough to offset the very large reductions made elsewhere.

Code Cost Lowered \$263.000 In the ten months referred to, the Bryan administration succeeded in reducing expenditures of the code departments about \$263,000, or nearly 34 per cent, for general administration entirely apart from the cut of \$1,2000,000 in road and bridge cost, which included among the code ac-

tivities. Other executive state departments not under the governor's control. spent practicall the sama egrous his biennium as they did two years ago, while the courts spent \$5,500

more. There was an increase of about \$49,000 in expenditures by the state university and its branches and the four state normal schools.

For the seventeen penal and charof \$225,000 is revealed for the ten months last past, as against the aggregate outlay two years ago.

"Sundry departments" paid cut iod. which represent virtually the entire increase shown here.

Much Less for Railroad Travel

Since Governor Bryan and State Auditor Marsh shut down on the than a year ago, there has been a portation Wills paid by the state. Those who travel nowadays pay their fare, take receipts, and sub sequently collect their money back from the state. Few junket trips to Washington or elsewhere outside the state have been taken

In the item of railroad fare, elimination of the mileage book evil has resulted in reducing the total outlay for ten months by \$37,000, compared with the preceding regime. is slightly more than 40 per cent

saved to the taxpayers of Nebraska. The amount paid out for automooile hire is \$21,000 less, likewise a 40 per cent reduction. Board and lodging for the state officers and employes traveling on public business cost \$27,000 less, and other traveling expenses were cut more than

Considerably less money has been paid out during the Bryan administration for rent for office space outside the capitol, telephone and tele graph bills printing, general office expense, and miscellaneous expense than the records of the McKelvie administration show.

More Temporary Employes In respect to the number of temporary employes on the state payroll, nowever, expenditures were almost twice as large for the ten months ending April 30, last, than in the similar period of two years previous The extra services thus paid for were rendered for the most part, in depart ments and institutions outside the

governor's jurisdiction. For postage the outgo increased \$6,000, or 22 per cent. A consider able portion of this additional exnewly organized child welfare and child hygiene activities.

EARTH FURNISHES MATERIAL FOR ITS OWN CONQUEST

Ask a friend what the fourth most valuable American mineral product s in terms of total production. Ask him where gold stands on the list. He is likely to put gold first and silver second. He may get coal, iron WILL SACRIFICE one dining room and petroleum in their right order if he is pretty well read up on such things, but chances are he will fall down on the fourth article in Uncle Sam's list recently made available as of the year 1920.
