New Shoes are Thrown onto the Tables and in the Bins every Day during This Sale

This is going to be an honest-to-goodness Clearance Sale—a real house cleaning. All broken sizes in new smart styles are reduced for prompt disposal.

And older styles that are not so good are marked down still lower. Yes, we've even got some "old timers" that have accumulated here and there—we will almost give these away.

While some styles are good, and some not so good—the quality of the shoes is good all the way through. And we believe there are some folks who will have use for even the out-of-date styles for work or knock-about wear.

So, whether you're looking for the newer styles, marked very low for this sale, or for an extra special bargain in knock-about shoes—well, here's your chance. Don't miss it.

Sale begins Wednesday, June 18th
AND LASTS FOR TEN DAYS
