

**The Wheel that Squeaks the Loudest is the One that Gets the Grease**

The same assuredly applies to you and I, as well—in order to get anywhere in this world, we must attract the attention of the big men. Now listen, young man! Nothing helps a young man more in advancement in business than to be known as one who keeps his bills paid, meets his obligations, has a bank account, and pays his bills by check. You know that. You will receive the same courteous attention with a dollar deposit as you would with a hundred dollar one.
