You never walked a mile without taking the first step, nor heard of a man building a savings account by waiting for a more convenient time to begin.

You never heard of a more sure or secure way to accumulate a reserve fund to meet the needs, the reverses, the opportunities future years bring you than through a savings account with us, where every dollar you save earns 4% interest.

"ON THE CORNER"

TOUR TO BE MADE THRU BIG DAIRY FARM REGIONS

T. H. Pollock of This City and Albert Funk to be Members of the Touring Party.

The campaign for better and more extensive herds of dairy cattle on the farms of Nebraska has stirred a great interest in almost every section of the state and the success that has been achieved by the farmers who have adopted this money-making plan for their farms has more than justified the claims that have been made for the money-making value of good dairy cattle.

One of the boosters of this proposition in this section of the state has been T. H. Pollock of this city, and Mr. Pollock, with Albert Funk, who is on his farm east of Murray, will be members of the Farmers' Dairy Special that will make the trip thru the heart of the great Wisconsin dairy country to Milwaukee where the national dairy convention will be held.

The Nebraska Dairy Development society has sponsored the train and it will be limited to 150 Nebraska farmers and provides a six-day trip through the heart of the greatest dairy producing section of the United States. The train leaves Omaha at 6:30 p. m. on September 27th and will arrive in Appleton, Wisconsin, for its first stop on the next afternoon. The citizens of Appleton will provide autos to take the party thru the Fox river valley farming country to the acknowledge dairying center of the nation and personal observation of the farms and their methods will be given the members of the party. The trip will cover Waupaca county, famous for its fine cows, and observations of the Holstein and Gurnsey cattle will be given to the tourists. The party will continue on to Oshkosh through the Wolfe river valley where there are many Danish and Swedish settlements with their fine dairy farms. The special train will take the party on to Waukesha county where there are many herds of Gurnsey and Ayrshire cattle.

The train will continue on to Milwaukee after the dairy country where the national show will be held.

MARRIED THIS AFTERNOON

This afternoon at 1:30 at the Eight Mile Grove Evangelical church occurred the marriage of two of the well known young people of that vicinity, Miss Frances Gauer of Cedar Creek and Elmer Hennings of Avoca.

The church was very beautifully decorated for the happy occasion, the garden flowers being used in profusion in the church and furnishing a pleasing setting for the ceremony. Preceding the entrance of the bridal party, Mrs. H. O. Rhode played the bridal chorus from "Lohengrin" to the strains of which the bride and groom advanced to the altar where the impressive service was pronounced by the Rev. H. O. Rhode.

The bride and groom were attended by Miss Freda Gauer, sister of the bride, as bridesmaid, and Mr. Elmer Wendt of Louisville as best man. The bride wore a very attractive gown of gray silk and carried a shower bouquet of bride's roses.

The young people will spend a short time visiting their relatives in this vicinity and then go to Avoca where they will make their home in the future, the groom being engaged there in the barber business. Both of the contracting parties have been reared in Cass county, the bride being the daughter of Mr. and Mrs. John Gauer, well known residents of near Cedar Creek, and the groom is a son of Mr. and Mrs. Nick Hennings of near Louisville and these estimable young people who are to take up life's journey together have a host of friends who will join in wishing them years of happiness and success.
