**BIBLE CLASS BANQUET HELD LAST EVENING**

PARLORS OF METHODIST CHURCH FILLED WITH LARGE NUMBER OF YOUNG MEN.

**BISHOP SHAYLER IS SPEAKER**

Ladies of Church Serve Very Fine Repast Which is Enjoyed to the Utmost By All.

From Wednesday's Daily—  
Last evening the fourteenth annual banquet of the Young Men's Bible Class of the Methodist church was held at the church parlors and was attended by a very large number of young men of the city outside of the church affiliation in attendance and to spend the evening as the guest of this energetic and live wire organization which has become one of the fixed institutions of the city.

The ladies of the church had charge of the preparation of the menu and made a most unqualified success of their portion of the program in the exquisite appointments of the banquet as well as the fine repast arranged for their friends. The tables were arranged in decorations of pink and white and intermingled with the green of smilax. Through the center of the tables were strips of pink and pink roses and the stately pink candles added their pleasant touch to the beauty of the scene.

Assembling in the auditorium of the church, the members of the party marched to the parlors where they found the feast awaiting them and during the time of the banquet they were entertained by the musical program presented by the Holly orchestra under the leadership of W. R. Holly, which comprised many of the late popular hits.

The invocation was asked by Father W. S. Leete of the St. Luke's church and followed by the introductory remarks of Raymond G. Campbell, the accomplished toastmaster of the evening.

The guests of the evening were welcomed by John E. Frady, president of the class, and the response given for the visitors by John Iverson, both being well chosen in their roles and their short and very clever remarks were much appreciated by the members of the party.

Departing from the toastmaster, the Rev. Frank Emory Pfoutz paid a very touching and pleasing tribute to Father Leete, who has for eleven years labored here in the religious field, and Rev. Pfoutz spoke of the pleasant associations that the members of the city, of all denominations, had with the pastor, soon to leave with his family for Colorado for a new charge. Taken by surprise, Father Leete expressed his feeling of appreciation of the kindly acts of the Plattsmouth people and particularly of the association that he had with the members of the Methodist congregation. Father Leete also introduced Bishop Shayler for the main address of the evening.

Bishop Shayler gave a most pleasing humorous introduction to the more serious vein of the address and took as his subject "The Holy Land and Bible People," intermingling with descriptions of his journey with a party of 250 English clergy to the holy land with the stories of the bible characters and the scenes where they lived and talked and served in the many hundreds of years before. The journey of the bishop as related in his address, covered the points of interest in the near east, the sensations of the travelers on their walking on the holy spots, the visits to the scenes where had been lived the life of Christ, the places of His ministry, the scenes of His suffering, the death and shrine where he had laid entombed until the first Easter morn, when in the glory of the new day He had appeared on earth for the last few days. The lessons of the actual contact with the life of the Christ by the visitation of the scenes had evidently made a deep impression on the distinguished speaker and he covered these scenes quite at length and wove into the descriptions the bible stories.

The bishop closed his address with a short reference to Father and Son week and made an appeal for a better understanding by both father and son of the Christian religion and the adoption of the faith of the great word of Christ to lead mankind to a higher plane of living and thought. The program was closed by two numbers by the quartet composed of Clifford Cecil, Irving Wiltse, John Frady and Frank Clويد, that were well chosen and splendidly given.

During the course of the evening the members of the Y. M. B. C. under the leadership of Dr. O. Sandlin, gave a number of pleasing parodies and songs that showed the keen interest that the young men have taken in their musical work in the past year and their ability to give a real program of their own.

The banquet was closed by the benediction of Rev. Pfoutz and thus passed into history of the past, the fourteenth anniversary banquet of the Y. M. B. C.

**HAVING A VACATION**

From Wednesday's Daily—  
Miss Helen Toman, daughter of Frank Toman, is enjoying a two weeks' vacation at home on account of the corn husking time there. She is experiencing her first year of teaching in a country school in McPherson county, South Dakota, 60 miles northwest of Aberdeen, one of the largest cities of the state. She likes it very much having a small school for the first time. Although it is quite cold she thinks it will be fun this winter to drive a one-horse sleigh through the snow to school. She says the wind blows thirteen months out of the year there. She is leaving her dear booming home town of Plattsmouth Saturday afternoon and will arrive at her destination Monday morning.

**GIVE FAREWELL FOR RECTOR AND FAMILY**

St. Mary's and St. Luke's Guilds Entertained at Farewell for the W. S. Leete Family.

From Wednesday's Daily—  
Yesterday afternoon the ladies of the St. Mary's and St. Luke's Guilds were most delightfully entertained at the home of Mrs. R. A. Bates on North 7th street, the occasion being a farewell given in honor of Father W. S. Leete and wife and Madame Frances Leete, who are soon to leave for Evergreen, Colorado, their future home, where Father Leete is to have active charge of the large summer school as well as the vicarage there. The home was very tastefully arranged with the stately chrysanthemums and the wealth of potted plants that added a pleasing touch to the general enjoyableness of the occasion that had been provided by the hostesses, Mrs. Bates and Mrs. E. W. Cook.

The members of the two church organizations are regretting very much the departure of the Leete family, who have for the past ten years been here in charge of the St. Luke's parish of the Episcopal church and have occupied so large a place in the community life and their departure will leave a place hard to fill both in the church and the community in general.

During the afternoon a very pleasing program of entertainment was given that had been arranged by Mrs. E. DeWolf and Mrs. J. S. Livingston and served to hold the keenest interest of the ladies. Mrs. DeWolf had prepared a contest in which the members of the party were requested to write their expressions as to the coming here of the guests of honor and which were read by Mrs. DeWolf and was much enjoyed.

Mrs. J. S. Livingston also gave a few remarks expressing the general regret at the coming departure of the genial rector and his family from their work here and closed by presenting the rector a speedometer that will be used to great advantage on the family car, the gift coming from the members of the two guilds. The ladies of the guild felt disappointed in that their president, Mrs. Frank H. Dunbar, was unable to be present, she being detained in Denver by the illness of a sister there and which was the only feature to detract from the most thorough enjoyment of the afternoon.

At an appropriate hour the hostesses assisted by Mrs. J. H. Donnell and Mrs. W. D. Smith of Omaha, served a most delicious two course luncheon that served to complete the afternoon of pleasure.

The out of town guests were: Mrs. Eva Reese of Bovina, Colorado, and Mrs. Frank Burgess of Cedar Rapids, Nebraska.

**ELKS HAVE IN-CREASING NUMBER AT THE FAIR**

Carnival Last Night Drew Very Heavily and Much Interest Shown By Public

From Wednesday's Daily—  
The second night at the Elks Harvest carnival saw a much larger crowd present at the festive occasion at the club house on North Sixth street and a much better showing of business at all of the booths of the carnival that form the basis of the raising of the funds for the lodge activities and the cemetery fund.

The entertaining feature of the evening was furnished by the "Spark Plug" quartet, composed of Harlan, Frederick and Martha Gorder and Ruth Tidball, saxophones, and Jenn Tidball, piano, who gave a very fine program that reflected the greatest credit on the young people and was a real feature of enjoyment to all of the large crowd present.

From early in the evening until late at night the throng of merry-makers were going and coming and the workers at the various booths were kept busy handing out the prizes to the lucky ones and everyone seemed to be having a real time for the entire evening.

The special prize offered, a lady's gold bracelet, was won by R. L. Daniels of near Fort Crook and which will be a real gift for the lucky man to give his wife.

The latter portion of the evening was occupied with dancing until a late hour when all wended their way homeward to rest up for the next big night of fun and frolic.

This evening it is hoped to have the Eagles band for another short concert in the early portion of the evening.

At a suitable hour the hostesses, Mrs. Cyril Kalina, Mrs. Bals Meisinger, Misses Eleanor Hiber, Jeanette Weber and Anna Jrousek served very dainty and delicious refreshments that added to the completion of the most enjoyable time.

**SMALL FIRE TODAY**

This morning what promised for a few moments to be a serious fire, broke out at the residence of Claus Speck on West Locust street. The blaze was first discovered by the Schmader boys who were passing and saw the smoke and flames issuing from the roof. They at once gave the alarm and started in to fight the fire and by the use of buckets of water were able to keep the fire well in check until the fire department arrived on the scene and put out the conflagration. The loss will not be heavy and the owner of the residence is feeling fortunate that the fire did no more damage. The cause of the fire is thought to have been from a defective flue.
