TRANS-OCEAN AIR MAIL INTERESTS U. S. POSTAL HEADS

tion Would Be a Business Success.

Washington, D. C., Nov. 28 .. -United States and Europe, but they this service is bound to come. know of no definite steps to that end.

Paul Henderson, second assistant postmaster general, who has charge the transatlantic service." of the air mail service, has been studying the possibilities of using ariships of the Zeppelin type in connection with the future of the United States' recent acquisition of the ZR-3, now the Los Angeles. The government is in a friendly attitude to ward any proposals which will permit of transatlantic mail transmission by airships at a cost within reason, but thus far no proposals have been made to Washington by air- Plan to Save Money by Educating ship manufactures.

There is doubt in the minds of American postal authorities as to the correctness of the belief of the Zep pelin-Goodyear organization that a service would be required.

least five ships would be needed, and lature appropriated \$5,000. run several times that amount.

gested by the Zeppelin-Goodyear cor- port.

The undersigned will sell at Pub. salaries and wages. south and three-quarters west of Murray, commencing at 10:00 o'clock sharp, on ...

TO OPEN DRUG STORE WINTER WHEAT IN **CHASE COUNTY NOW** IN SPLENDID SHAPE

> Prospects Excellent For a Record Yield Throughout Southwestern Section of State.

Imperial, Nov. Chase county, and in fact all the southwestern part Dorr McBride is a son of Joan D. of Nebraska, has the finest prospects fall of from three to six inches in the past 60 days, the wheat in every field now covers the ground like a vast green carpet, and there is plenty of moisture in the ground to insure its going through the winter in fine shape. With favorable conditions in the spring this section of the state will harvest the greatest wheat crop in its history.

Corn shucking is progressing rapidly in Chase county, and while the production is not as large as it was ast year, most of the farmers are getting yields of from 20 to 40 bushels per acre, and the quality is fair. There will not be as many cattle fed this winter as last, but nearly Washington, Nov. 28 .- The every farmer has a drove of thrifty
