AMERICAN LEGION AUXILIARY HOLDS MEETING FRIDAY

Session Held at the Home of Mrs. C. A. Rosencrans and Large Number in Attendance.

From Saturday's Daily— Yesterday afternoon the members of the American Legion Auxiliary met at the home of Mrs. C. A. Rosencrans and a very pleasing attendance of the membership was present to take part in the meeting.

The ladies enjoyed a very extensive business session and many reports were received and plans made for the future. A committee has been appointed to draw up a new constitution and by-laws for the Auxiliary to replace those formerly in use which have become obsolete with time.

The Legion Auxiliary also voted to aid in every way possible the efforts of the Legion for a community auditorium and the ladies plan to take over the furnishing of the kitchen of the proposed building when it is ready and which will provide for occasions where banquets or luncheons may be desired.

The Auxiliary sent a large number of Christmas boxes out and also contributed \$10 to the hospital fund which was used in caring for the service men who are there.

The membership drive is now on and the ladies expect a large addition to their membership by the first of February.

At a suitable hour dainty refreshments were served by Mrs. Rosencrans who was assisted by Mrs. Ralph Johnson.

IS IT THE LION? A few days ago there were rumors afloat that a lion had been seen and heard a few miles northeast of Nebraska by some of the farmers in that vicinity and the word was slow in gaining foothold and traveling rapidly. Some of the residents of Nebraska claim they have heard noises at night which might be the roar of such an animal, being too course and loud for a dog. Others who live in the neighborhood believe there is nothing to the story and others think it may possibly be a large coyote or wolf that was seen. There have been no reports reaching us where stock has been killed and if such an animal were in the community for any length of time, it is certain some farmers would have missed something.

In Otoe county a few months ago, it was said that a lion had been seen by several and was the general belief of a majority of the people of that vicinity that such an animal really existed. It is possible that the animal may be in these parts, but at this time the people are expressing no alarm over the matter. —Nebraska Enterprise.

TOOK IN TOO MUCH TERRITORY

A few days ago in the Plattsmouth fire department notes appearing in the Evening Journal, there was an item relative to the practice of dumping ashes around and particularly as was done by "the Cullom folks."

Now the writer of the paragraph undoubtedly had in mind the two families where very unsanitary conditions were found by County Attorney Kieck, and where ashes and

Plattsmouth People Must Believe Such Convincing Testimony as Mrs. Rauens.

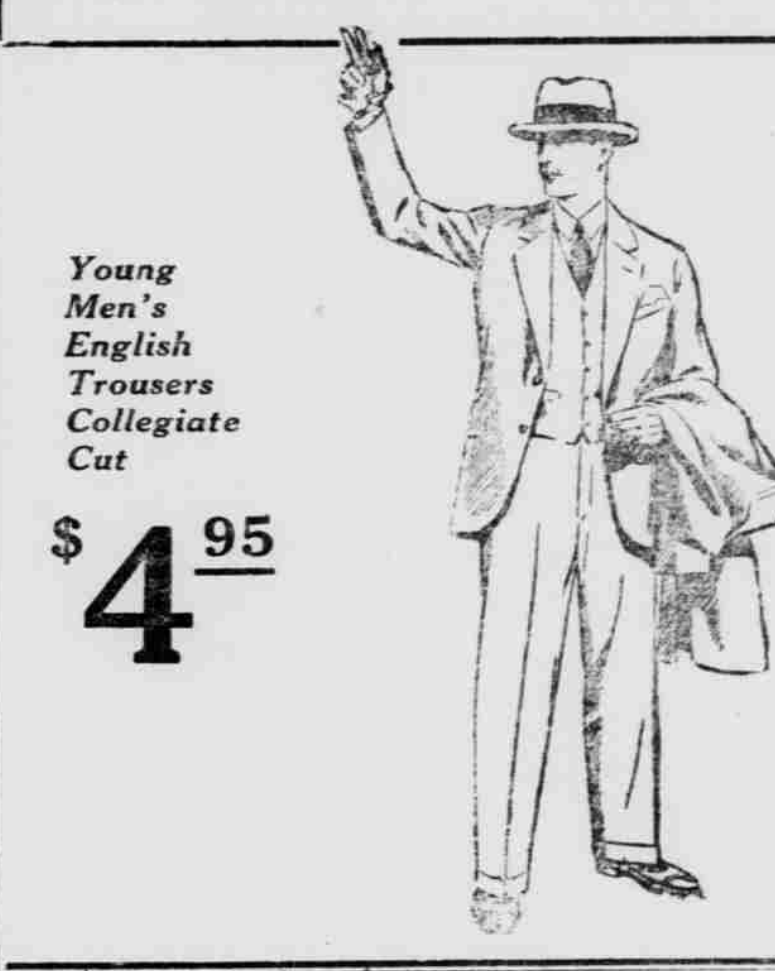

No one in Plattsmouth who suffers headache, dizziness, rheumatic pains or distressing urinary ills can afford to ignore this twice-told story of a Plattsmouth resident. It is confirmed testimony telling of lasting benefit from Doan's Pills—a stimulant diuretic to the kidneys. It's evidence that no man or woman in Plattsmouth can doubt.

Mrs. F. N. Rauens, 1110 Pearl street, Plattsmouth, says: "I was in bad shape with my back. It was so painful I could hardly turn over in bed. There was a soreness across my back and groins. I had dizzy spells, too, and specks floated before my eyes. I got Doan's Pills at Weyrich & Hadraha's drug store and they relieved me." (Statement given May 12, 1920.)

On November 10, 1924, Mrs. Rauens said: "Doan's Pills cured me of my suffering and the cure has remained permanent."

Mrs. Rauens is only one of many Plattsmouth people who have gratefully endorsed Doan's Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney pill—ask distinctly for DOAN'S PILLS, the same that Mrs. Rauens had—the remedy backed by home testimony. 60c at all dealers. STEAR CAR IN OMAHA

From Friday's Daily— Last evening the residents of Dundee in Omaha were terrorized by two men who conducted a number of attacks on persons after they had stolen a car belonging to W. J. Philpot of west of Murray. Mr. Philpot had driven to Omaha and left his car in the vicinity of 16th and Dodge street and from where it was stolen.

The parties stealing the car then proceeded to start out to raise trouble and held up and robbed a lady at 55 and Leavenworth street and later at 50th and Dodge street they ran down an old lady. When the auto struck the lady a passing autoist came to her assistance and after finding that she was not seriously injured started in pursuit of the car that had committed the dastardly act. The chase ended at 14th and Chicago streets where the two men that were in the Philpot car jumped out and started to run into a lumber yard. The driver of the pursuing car drove in after them and ran one man down but who made his escape. The abandoned car proved to be that belonging to Mr. Philpot.

Misses Frances Field and Dorothea Pond were among the visitors in Omaha today, going to that city on the early morning Burlington train to enjoy the week end there with relatives.

Ed Stoner of Omaha came down yesterday from his home and will spend a few days visiting here with his wife, who has been here assisting in the care of her father, Abram Ruple, who is now showing a very pleasing improvement.
