

Alvo Department

The young people of Alvo had a very enjoyable dance at the Jordan hall on last Friday evening.

Charles Godbey was looking after some business matters in Lincoln last Wednesday making the trip via the train.

Carl Johnson shipped cattle to the South Omaha market one day last week, taking them over the Rock Island.

Chester Ough was a visitor in Lincoln last Thursday where he was making some purchases for his store in Alvo.

John Wood was looking after some business matters in Lincoln last Thursday, making some purchases for his store here.

J. C. Wheeler of Omaha was a visitor at Alvo last Tuesday coming to attend the funeral of his cousin Mr. Oscar J. Kitzel.

J. W. Kahlmeyer of Alvo, the merchant, was a visitor in Omaha on Monday afternoon and made purchases for his store here.

Frank Valley of Plattsmouth, accompanied by Albert Wheeler and Charles E. Cook, were present at the funeral of the late O. J. Kitzel.

J. J. Probst has been making some substantial improvement at his home in Alvo, having just placed a fine oak floor in a number of the rooms.

Perry Cook and Charles Godbey will each have sales early in February, the 10th and 11th, respectively, and will engage in other business.

Charles Godbey shipped a car of cattle to Omaha which were jointly owned by himself and Floyd Dickerson who accompanied the stock to the market.

Rich and Roy were out hunting last Thursday afternoon and bagged some ten quails and a jack or two so they thought their afternoon's work was not in vain.

H. D. Richardson has been painting and revarnishing some of the interior of the home of Frank S. Cook, and adding much to the appearance of the home.

John Woods was hauling the kids to and from school one day during the past week while Mr. George Feifer was looking after some business matters at the capitol city.

Charles Jordan entertained the Mother's Council last Friday evening at her pleasant home in Alvo and all who were present testify that Mrs. Jordan is an excellent hostess.

The Rev. M. E. Stair and daughter, Mrs. Louis Briggs, of Council Bluffs, Iowa, were in Alvo for a few days during the past week. They came to attend the funeral of the late Oscar J. Kitzel.

Professor Specht, former superintendent of the Alvo schools, but this year attending the state university, was a visitor in Alvo for a few days and also attended the Junior class play on last Thursday.

The first of the week C. T. Edwards shipped two cars of cattle from the Alvo station to Chicago, and had the cattle hauled to town from his farm by Roy Coatsman and John Schinzer, thus saving driving them over the rough roads.

Roy Coatsman and Mr. Brownwell while out west of Alvo treed an opossum which they captured and is at the business place of Mr. Coatsman. This animal has made friends with many people in Alvo and a lasting enemy of one particular one.

Geo Cook, who is not feeling so very stout these times, was not feeling quite so well during the past week, as he attended the funeral of his nephew, Mr. Oscar Kitzel and the trip was a little more than uncle George should have taken, but he is feeling some better now.

The eight grade class of the Alvo schools were enjoying a class party at the home of G. P. Cook and wife last Wednesday, and where could a class go to have a better time than at this hospitable home. Mr. and Mrs. Cook gave the young people a most enjoyable evening.

Mrs. Joseph Armstrong was a visitor at South Bend last week, where she enjoyed a very pleasant visit with her sons, Roy and Glen Armstrong and families. The little grandchildren were sure glad to see grandmother, and were just as glad for she always brings them a good time when she comes to see them.

Arthur Dinges, the genial garage man, and one of the best of young men, always doing what he can for the village of Alvo, was kept from his shop for two days last week, on account of illness but was enabled to resume his labors on last Friday morning. He was having a go with the gripe during his absence.

Some people are born great, and some acquire greatness by reason of some marvellous act which they have performed and still others have greatness thrust upon them. The latter was the case of Simon Rehmeyer, who has a great reputation as a pinocchio player. He, it is reported, can stand against any expert in this line. Anyone doubting can arrange for a game either personally or through his manager, A. B. Stroemer.

Celebrate Birthdays.

Last Wednesday Mrs. John Wood celebrated the passing of her birthday and had for dinner at her home a number of her friends who also were pleased to extend congratulations and best wishes for a long and happy life. On the same day Mrs. George Parsell, better known as "Grandma Parsell" passed her 94th birthday and is feeling very fine, than you, as well.

Give Excellent Play.

The Junior class of the Alvo high school gave a play last Thursday evening at the auditorium of the school building. A large number of the patrons of the school were present and enjoyed the play very much.

Will Give Serial.

The patriotic citizens of Alvo have arranged to give a serial on the screen, beginning with February 7th. The subject is "The Way of a Man." This is to be free movies which the enterprising citizens of Alvo are providing for the people of this community. At the next show they will also have a comedy, "It is a Bear," by one of the gang.

Excellent Citizen Passes Away.

Oscar J. Kitzel, who was born in this portion of Cass county and who has lived here all his life, and during that time has made a host of friends, who most sincerely mourn his departure and feel it a loss to this community to his family and all who have known him, passed away at his home a few miles south of Alvo last Sunday, after an illness which has extended over a number of years but which had only kept this young man in his bed for a short time. Oscar Kitzel, as we knew him, was one of the best of citizens and always willing to do his portion in any commendable enterprise. He was entailed in the things which he wished to do for his fellow man and his health. The funeral was held last Thursday and the services were conducted by the Rev. M. E. Stair, formerly of Alvo but now of Council Bluffs, while the members of his young friends were selected as the pall bearers. They were: Art Kitzel, John Elliott, Archie Miller, Lyle Miller, Edgar Edwards, and Walter Collins. Many manifestations of respect and honor were exhibited by the large crowd of friends present at the funeral, the church could not hold them all.

Card of Thanks.

We wish to extend our sincere thanks to our kind neighbors for their splendid assistance, the flowers and expressions of sympathy in our sad bereavement. Mrs. Edith Kitzel, Kendall and Corrine.

YOU GET RID OF THAT BACKACHE

Plattsmouth People Point the Way to Successfully Stop It.

The constant aching of a bad back. The weariness, the tired feeling; Headaches, dizziness, nervousness. Distressing urinary disorders—Are often signs of failing kidneys. And too serious to be neglected. Get rid of these troubles!

Use Doan's Pills—a stimulant diuretic to the kidneys. Hosts of people recommend Doan's. This is a Plattsmouth case. You can verify it.

Mrs. Maggie Kaufman, 624 South 6th street, says: "I felt weak and depressed and my household was a burden. Every move I made sent sharp pains across my back and my back was so sore I could hardly rest at night. I became dizzy and had headaches, too. My kidneys were weak and acted irregularly. I used one box of Doan's Pills and they cured the trouble. It is very seldom anything to stimulate my kidneys."

Mrs. Kaufmann is only one of many Plattsmouth people who have gratefully endorsed Doan's Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S PILLS, the same that Mrs. Kaufmann had—the remedy backed by home testimony, 60 cents at all dealers. ASK TEACHERS' PENSION FUND

Instructors in Smaller Cities 'Would Have Chance at \$500 Yearly After 40 Years' Service.

Pensions for school teachers in districts containing cities of 5,000 to 25,000 population are provided for in a bill which Representative Lee, Kansas, and Wilson of Illinois have introduced in the house. Establishment of the system is to be optional with the board of education in each city district.

The pension fund will be created by assessing teachers from 1 to 1 1/2 per cent of their monthly salaries, and by setting aside from the general fund of the district an amount 50 per cent more than the contributions from the teachers, or whatever additional sum may be necessary to meet the requirements.

Any teacher who does not desire to come under the pension system may be exempted from it, and from the salary assessments, by filing written notice with the board.

Superintendents, principals, supervisors and assistants are classed with teachers and made eligible to receive pensions.

Any teacher may retire on a pension after 40 years' service, while the board of education may allow retirement after 35 years experience, but in either case the teacher must have been employed by the district for 20 years. The pension allowance is \$500 a year for life.

Partial benefits are made available for those who become incapacitated in the service, with a minimum of 25 years' total service and 20 years in the district.

Representative Lee declined to sponsor a state-wide educators' pension bill which was given him by Secretary C. W. Hosman of the state teachers' association. It is expected that this will be introduced by some other member or members, however.

OBITUARY OF FRANK BOYD

Mr. Frank Boyd died at his home in Teigen, Mont., January 20th, after a brief illness.

Mr. Boyd was born in Pittsburgh, Pennsylvania, January 17, 1850. He lived during his childhood in several states including Missouri and Ohio. While still a young boy, he served as an aide to his father, who was a captain in the Civil war.

He was married February 6, 1872, at Raymond, Ill., to Mary McElroy. They lived for many years in Plattsmouth, Nebraska, where he was employed by the Burlington railroad, first as coach builder, and then put in charge of the lumber yards.

He came to Montana twelve years ago, and homesteaded near Teigen. For a number of years he had been landlord of the hotel at Teigen, and owner of a grocery store.

He was a friend to everybody, and was well liked and universally called "Dad," as he was universally called. He was sorely missed in the little community of which he was a member. He was cheerful, honorable and upright and unsparing of his strength in the performance of duty.

Three children were born to Mr. and Mrs. Boyd, two of whom died in young womanhood. He is survived by his widow, Mrs. Mary Boyd of Teigen, and one son and daughter-in-law, Mr. and Mrs. F. L. Boyd, of Cat Creek, Montana.

Funeral services were held at Teigen, January 22, and he was laid to rest in the Winnett cemetery.

HERMAN IS EASY MARK FOR TOMMY

Gibbons Knocks Omaha Fighter Down Three Times in Second Round—K. O. in the Third.

Detroit, Mich., Jan. 30.—Tommy Gibbons, St. Paul, stopped "Tiny" Jim Herman, Omaha, in the third round of their scheduled ten-round fight here tonight. Herman was so completely "out" the referee did not trouble to count him out. Herman was revived after five minutes' work.

Gibbons who was introduced to the crowd as the "claimant of the heavy-weight title" almost finished the fight in the second round when Herman was down three times for the count of nine. With the beginning of the third, Gibbons landed one that sent Herman down for a three count and then the final punch, a solar plexus blow that lifted Herman off his feet and flattened him out across the ring.

Herman weighed 225 pounds and Gibbons 175 1/2.

Renault, Outpoints Roper. Omaha, Kan., Jan. 30.—Renault, Canadian, heavyweight champion, decisively outpointed Captain Bob Roper, Roanoke, Va., in a ten round bout here tonight.

After the first round, which was even, Renault clearly showed his superiority, pounding Roper's left kidney repeatedly.

The fighting was entirely at close range; Roper held on considerably in the latter rounds.

Johnny Nicola, St. Paul welterweight, was given the decision over Henri Malcor, Kansas City, in their ten round bout final ended in the eighth when Malcor injured his left elbow. Nicola was winning up to that point.

Jim Mahoney Knocked Out. Des Moines, Ia., Jan. 30.—Warnie Smith, Oklahoma middleweight, knocked out Jimmy Mahoney of Kansas City, in the third round, and Connie Curry, Sioux City heavyweight, knocked out young Leopold of Denver in the first round of a scheduled ten round bout featuring a boxing show here tonight.

In the semi-windup, Jimmie Ness of Waterloo, outpointed Jim Gory of St. Louis, in eight rounds. They are middleweights.

St. Paul, Jan. 30.—Harry Greb, world's middleweight champion, outpointed Jimmy Delaney, St. Paul light-heavyweight, in ten rounds here tonight in the opinion of newspaper men. The third round at catch weights; Greb weighing 167 1/2 pounds at 3 o'clock and Delaney 171. Greb fought his usual windmill battle and clearly demonstrated his superiority over the St. Paul fighter. Delaney at times appeared bewildered by the blow, but the fight at the Pittsburgher threw at him, and seemed unable to perfect adequate defense against the blows that came from every angle. The state boxing commission announced that Greb had been fined \$250 for failure to appear here the night before the fight as required. Greb arrived yesterday.
