Fred Miller has been assisting Bert Willis in the garage while Bert has his injured hand to care for, and again, the work is increasing so that it requires two to handle the business anyway.

Nehawka D. A. R's Celebrate.

Last Monday the Nehawka Chapter of the Daughters of the American Revolution, held an all day's meeting and had as their special guest for the occasion Mrs. Elizabeth Lynn Smith, of Chadron, the state regent of the state of Nebraska. The meeting was held at the home of Mrs. J. M. Palmer, who is one of the members of the local branch of the organization. The members of the Weeping Water chapter were also present as guests for the day as were Mesdames J. S. Rough, R. G. Krats, Mrs. V. P. Sheldon and her mother, Mrs. Stout, and Mrs. Frank P. Sheldon. During the noon hour a most delightful program was given by some of the children of Nehawka which was enjoyed by all in attendance. A delightful dinner was served and in all a most pleasant day was had.

Hears of Brother-in-law's Sickness

Last Friday Frank Robb learned of the very serious illness of the husband of his sister, who makes her home at Smith Center, Kansas, and immediately departed for that place to assist in the care of his brother-in-law. While he is away Edward Wood, who is an all-around good fellow and always ready to assist in work when needed is caring for the Cafe while Frank is away.

Mrs. Henry Thiele has been very sick at her home north of the city, and while everything in treatment and nursing has been done she is not showing all the improvement which is desired she should.

Mrs. Louis Cartens, Sr., living between Nehawka and Avoca has been quite ill for the past week or more, but at this time is showing some improvements which will be good news to her many friends here.

Last Friday George Polls, while starting the engine on the motor car which is used for his work on Missouri Pacific, had the misfortune to get one of his fingers very badly mashed. He is, however, getting along very well, but the finger is still very sore and will be for some time.

Bert Willis, while working on a car at the garage, had the misfortune to get one of his hands in the machinery of the engine of a car on which he was working and crushed the knuckle of one of his fingers which has put him out of the running for a few days. The hand is, however, getting along so he can use it some, and is making rapid improvement.

Harry Knabe was a visitor in Iowa during the present week driving via Omaha and going to attend a fine stock sale in our sister state. Mr. Knabe sure knows a hog when he sees one and is ever extending his knowledge of the porker family. He will hold a sale himself on February 23rd, at which time he will offer some of the best of Hampshire hogs which this vicinity has ever seen sold.

Has Wreck With Coaster.

Marion, the little son of Mr. and Mrs. Grover Hoback, while returning home from school last week, had hitched his dog to his coaster, and at the same time was riding on it,

when they all approached a corner the dog assayed to go one way and the young man another consequently there was a wreck with all getting dumped at the side of the sidewalk, and with the result that Master Hoback suffered a fracture of one of the bones of his legs. The injured member was reduced by the family physician and he is getting along as well as one could expect.

They Were Some Roads.

Last Sunday, John Steffens concluded he would take his family and visit relatives near Lorton, and accordingly started and succeeded in getting across the bridge and part of the way up the hill when the mud and clap rolled up in his wheels so bad that they could not turn. A number of the people went over and with spades dug the mud off the wheels before the car could be moved. After getting to the 'O' street road the going was much better. Dr. J. W. Thomas and wife also started for Weeping Water for a visit Sunday, but the car skidded into a ditch by the road side and refused to come out by coaxing or otherwise until the big team of Sam Martin was attached to the car. When he had gotten back into the road again the going was not so bad.

Entertain at Valentine Party

The beautiful home of Mr. and Mrs. R. C. Pollard was bright with red hearts and other red decorations last Thursday when they entertained the Freshmen and Junior classes of the Nehawka high school, and the teachers were there too. The house was most beautifully decorated, and the evening was most pleasantly spent by the young people who celebrated the event of St. Valentine's day most appropriately. There were games, music and at the appropriate hours, a delightful luncheon, which added much to the already enjoyable praise of the excellent couple as entertainers.

Clarence Beal Sick

The latest victim of the general epidemic of sickness that is sweeping over this locality is Clarence L. Beal, clerk of the district court. Mr. Beal has not been feeling the best for several days past and this morning while at the office in the court house was taken with a slight sinking spell which made it necessary for him to return to his home and take an enforced rest. It is to be hoped that the indisposition may not be serious and that the clerk may be able to be back on the job in a short time.

James Stander, well known resident of Louisville, was here today for a few hours looking after some matters of business and visiting with his many friends in this city.

YANKEE CHAMPION—Junior Champion boar of National Swine Show. One of the most outstanding boar pigs ever shown. Bred by Harry M. Knabe, owned by Ed S. Rennick, Pilger, Nebr.

At the left will be seen a real Hampshire litter. These are the kind of litters that my sows are producing.

At the right are three Hampshire barrows from my herd that have won in the hottest of competition at the big shows. A Hampshire barrow is an especially early maturing hog and very easily finished.

**Plan to attend this sale and look 'em over!**

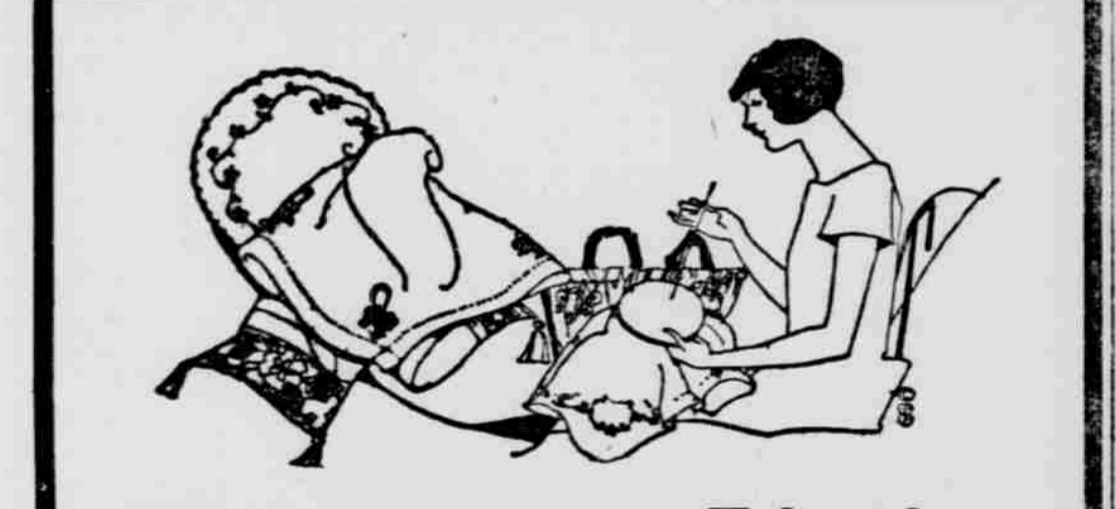

YANKEE KING 118623—HERD BOAR AND HIS RECORD FOR THIS YEAR—He sired 1st, 2nd and 5th boar pigs, junior champion boar and 1st prize boar pig in the Pig Club at the Nebraska State Fair; 1st, 2nd and 5th boar pigs, junior champion boar, 3rd on junior sow pig, 4th on get of sire, which is undoubtedly the first time spring pigs ever placed above older hogs in such strong competition. Without any question he is the only boar that ever sired both 1st and 2nd prize boar pigs (which is claimed to be greatest pair of pigs ever shown at National show) and junior champion boar. He also sired 1st junior champion boar pig and grand champion sow of Cass county. And again he sired the grand champion carload of barrows (59 head) at the American Royal. Not satisfied yet, he had to sire 1st light weight barrow, 1st and reserve junior champion boar; 1st junior sow pig at National Western Stock Show. ALL SOWS ARE Sired BY OR Bred TO THIS FAMOUS BOAR.

I am offering \$50 in cash to any Pig Club boy or girl who buys a sow in my sale and wins a 1st prize at Nebraska State Fair in the Pig Club, either on boar or gilt. If you win both prizes on boar and gilt it will be \$100.00 for you.
