BIDDICK MAY FACE INSAN- ITY CHARGES

Man Charged With Arson May Have
Hearing as to His Sanity Be-
fore Case Heard in Court.

From Wednesday's Daily—
An examination to determine the sanity of Steve Biddick, charged with arson, and who has been in jail for several weeks awaiting the time of his trial, may be made before the case is called in court this coming month.

Mr. Biddick has been reported as showing signs of mental trouble for some time and his attorneys are desirous that the case be investigated and tests made as to the man's sanity before the case is brought to trial.

Since his preliminary hearing in county court when he was bound over to the county jail on the charge of arson, Mr. Biddick has been confined in the county jail and for some time he has shown a very sluggish interest in the happenings around the jail and spent much of the time in sleeping and has shown very eccentric actions that led to the belief that he might be falling mentally. Statements alleged to have been made by Biddick which were introduced in the preliminary hearing also showed a tendency to eccentric ideas. County Attorney W. G. Kieck will probably, in view of the request of the attorney for the defense, have the man examined by experts to determine, if possible, his sanity and if he is found insane a complaint will be filed against him for his confinement.

Accidents will happen, but the best regulated families keep Dr. Thomas' Eclectic Oil for such emergencies. Two sizes, 30c and 60c, at all stores.

RECEIVES DESERVED PROMOTION

Miss Anna Seiver, daughter of Mr. and Mrs. Hans Seiver of this city, has just received a well deserved promotion in her line of work as operator in the offices of the Lincoln Telephone & Telegraph company. Miss Seiver has been at David City as chief operator since leaving this city, where her work has been very effective in maintaining the high standard of efficiency of the telephone company. A few days ago she was given further recognition in being called to the position of chief operator at York, one of the most important stations of the Lincoln company. This is one of the main exchanges of the company outside of Lincoln and the selection of Miss Seiver is a very pleasing tribute to her efficiency and worth as a manager of the interests of the telephone company.

DEATH OF G. G. PITZ OCCURRED LAST EVENING

Old Resident of the City Passed Away
After Illness of the Past Week
at Home in This City.

From Wednesday's Daily—
This morning shortly after the midnight hour, Gottfried Gustave Pitz, one of the old time residents of the city passed away at his home on Wintergreen hill, following an illness of a little over a week.
Mr. Pitz had not been in the most robust health for some time and with the infirmities of advancing years there came the illness of the wife and its attendant worry to the aged man. Mrs. Pitz who was at the hospital in Omaha, returned home the middle of last week and since that time the husband has been bedfast a great part of the time.

The deceased was a native of Germany and has resided here for the greater part of the time since arriving in the United States. He has many friends here who have known him for years and will mourn most sincerely his untimely death.
There are left to survive his passing the aged wife and one son, Otto Pitz of this city. Of the other relatives a nephew, Julius A. Pitz, a cousin, Joseph Fetzer, are also left to mourn his loss.
The funeral will be held on Friday afternoon at 2 o'clock from the late home on Wintergreen hill and interment will be made in Oak Hill cemetery.

ALBERT CLABAUGH ILL

A message was received here today by Col. and Mrs. M. A. Bates announcing the fact that their son-in-law, Albert Clabaugh, was quite seriously ill at St. Louis, suffering from a very severe attack of pneumonia. Mr. Clabaugh has been removed to the St. John's hospital where he is being cared for and where Mrs. Clabaugh is assisting in his care during the sickness. The illness of Mr. Clabaugh is reported as being quite grave and caused a great deal of apprehension to the members of the family.

Mr. Clabaugh was formerly a resident here where he was manager of the Nebraska & Electric company for a number of years and his many friends here will regret very much to learn of his illness and trust that he may soon have a speedy recovery from the attack of pneumonia.

BOYS DESTROY PROPERTY

The authorities, for the past few weeks, have been more or less annoyed by reports of the destruction of property by boys over the city and which is going to be the source of a great deal of trouble to the boys if the habit is continued. The residence property of Lawrence Stull in the west second ward has been practically gutted by the depredations of the boys as a part of the doors, window sills and other parts of the building have been torn out and carried away and even some of the furniture has been taken out by the invaders. There are also other cases reported over the city where window lights have been broken out of buildings, as well as plastering and wall paper damaged in vacant houses. These depredations will finally result in the parties doing them being sent to the state reformatory if they are continued and the parties committing them had better cease action at once.

STANLEY FLEMING IMPROVING

The reports from the Wise Memorial hospital in Omaha state that Stanley Fleming, son of Mr. and Mrs. M. P. Fleming of this city, is showing marked improvement there and it is now hoped that the young man may be able to leave the hospital without the necessity of an operation. He is progressing nicely and his many friends here are pleased to learn that he is now getting along so well and trust that he may soon be able to return home.

A healthy man is a king in his own right; an unhealthy man an unhappy slave. For impure blood and sluggish liver use Burdock Blood Bitters. On the market 35 years. \$1.25 a bottle.

L. D. Hiatt of the H. M. Soennichsen Co., was in Omaha today attending to some matters at the wholesale houses.

LIBERTY PRECINCT RAISES ITS QUOTA FOR K. T. HIGHWAY

Amount of \$1,500 for Graveling
Purposes on the K. of T. Allotted
to Precinct Is Raised.

From Wednesday's Daily—
Liberty precinct has come through with their amount of funds needed to insure the graveling of the K. of T. highway in their precinct in fine shape as the boosters there have been busy and in the canvass of the town of Union and adjoining territory has been most successful.

The check for the sum of \$1,500 the amount allotted to that precinct is to be certified to the board of county commissioners at their session this week and had the other precincts been able to get as prompt action the order to start the preliminary work of the graveling would be made by the county board.

This work is desired very much by everyone who resides in the territory that is tributary to the highway, but in this locality the work of the committee was checked somewhat by the bad weather and road conditions altho this should have been a greater incentive to the residents to get their part of the good road program under way.

NEW MASONIC HOME INFIRM- ARY BUILDING

(Continued From Page 1)

tients there are well arranged lighting effects, plugs being made for table lamps as well as one large lamp in the ceiling of the room. Here there are specially arranged call bells for the nurses, the patient desiring the nurse pulls the cord to the automatic call which then rings a bell at the nurses' station at the end of the hall, also illuminating a light over the door of the room from which the call came. The nurse must then enter the room and press the call button to put out the light. The various floors are arranged with large and modern bath rooms and lavatories for the patients as well as special rooms for the nurses. These will be finished in half marble facings along the walls.

On the third floor is the operating room, a large room for the purpose for which it is intended and is finished in white marble that can be washed and kept spotless and free from dirt at all times and will be so equipped that major as well as minor operations may be performed there in time of necessity. It is of the greatest local interest to know that the furnishings of the operating room, which will embrace everything that enters into a modern hospital operating room will be provided by Zion commandery of the Knights Templar of this city, who are literally carrying out the Templar obligation of "Binding up the wounds of the afflicted."

Near the operating room is the living room for the nurses where there is a large airy room provided that is bright and cheerful, with large double windows and a fine open fireplace that will add to the comfort of the room.

The diet kitchen adjoins the office and dispensary of the nurses and each of these will be arranged in a most up to date manner and a small dining room off the diet kitchen can also be devoted to the use of the patients who are able to leave their rooms and desire to enjoy meals with the other patients.

The first and second floors are arranged similar to the third with the exception that on the second floor there are maintained the offices of the physicians and surgeons of the Home which will be ample for all purposes and adjoining which will be a small room devoted to laboratory purposes.

From the third floor to the basement there are clothes chutes arranged and also in the fireplaces in the living rooms there are small chimneys arranged to remove the ashes which are carried to the sub-basement for removal.

Every detail of the construction of the building has been carefully looked after for future comfort and convenience. All piping as well as wiring conduits are so arranged that in case of necessity they can be reached through doors in the walls of several of the closets of the building and easily repaired.

The cost of the building was estimated at \$125,000, while the furnishings, which are all to be uniform and strictly in accordance with modern requirements of a building of this kind, will probably reach the sum of \$20,000.

The general contractors in the erection of the building have been Wind & Hyde of Omaha, the heating and plumbing have been handled by E. Grundwald of Omaha and the wiring by the H. Miller Co., also of Omaha, and all of the work has been carried out under the supervision of the board of control and of Superintendent Evers, who has been on the job constantly since the construction of the building was first begun.

"COLD IN THE HEAD"

is an acute attack of Nasal Catarrh. Those subject to frequent "colds" are generally in a "run down" condition. LEWIS' CATARRH MEDICINE is a treatment consisting of an Ointment to be used locally, and a Syringe which acts quickly through the Blood on the Mucous Surfaces, building up the System and making you less liable to "colds."

RECEIVES MANY BIDS ON PROPOS- ED AUTO BRIDGE

King of Trails Bridge Company Will
Make Award of Contract To-
night or Thursday.

Yesterday the stockholders and officers of the King of Trails Bridge Co. met at Omaha to take up the matter of opening the bids received for the construction of the proposed new steel and concrete bridge over the Platte river north of this city, which is to be operated as a wagon and auto bridge on its completion. There were seven bids received at the meeting which were very satisfactory and embraced some of the largest bridge companies of the state, with excellent bids, officers of the company state.

There were several small matters to adjust before the formal letting of the contract and the officers of the bridge company will take up tonight or early Thursday morning the matter of the letting of the contract. It was stated at Omaha that the lowest bid received was one from the Standard Bridge Co., for \$116,000. Other bids ranging upward to \$142,000.

The Plattsmouth officers of the company present state that there was much interest shown as the bids were opened and tabulations of the bids as read were made by the large number of bidders and contractors present who had interest in the work. The speedy construction of the bridge is one of the important matters that is being stressed by the bridge company as it desires to have the structure in service by late summer or early fall if possible.

LOCAL NEWS

From Monday's Daily—
W. R. Young, the auctioneer, was at South Omaha today, where he was called to attend a sale being held here this afternoon at the stock market.

Mrs. Henry Nolting and Mrs. Fritz Nolting were among the visitors in Omaha today, spending the day in that city visiting with Mrs. Ida Fritsch at the St. Catherine's hospital, where she is taking treatment.

Max Adams, representative in the legislature from Howard county, was in Plattsmouth in company with Mrs. Adams to spend the day here with Mr. and Mrs. W. T. Adams and enjoy the rest from the legislative grind.

Mrs. B. F. Stuart departed this morning for Ainsworth, Nebraska, where she goes to open up a moving picture theatre in that place and will remain there to look after the management of the same.

Mrs. P. A. Hill and son, Verner, and Mrs. Jacob Kraeger departed this morning for Omaha, where they go to spend a few hours with Mrs. L. H. Puls at the Immanuel hospital, where she is recovering very nicely from an operation.

Dr. J. F. Brendel came up this morning from Murray in company with Ben Albin and the two gentlemen departed for Omaha on the early Burlington train to spend a few hours and where Ben will have an examination made of his nose by a specialist.

Mr. and Mrs. Harry Wiles and children were here Saturday afternoon from their home near Murray, to where they have just moved from the old Wiles home south of this city. The trip here was made in their new car and despite the bad weather was very pleasant. While in the city, Mr. and Wiles and family called at the Journal office and entered their names as readers of the daily edition.

From Tuesday's Daily—
O. A. Davis of Murray was here Saturday afternoon looking after some matters in the county court.

Frank H. Johnson of Weeping Water was here today for a few hours looking after some matters of business for a few hours.

Attorney C. E. Teft, of Weeping Water came up yesterday to look after some matters of business and visit with his friends in the county seat.

Louis W. Egenberger and wife, who have been enjoying a six weeks' visit on the Pacific coast with relatives and friends as well as a short sojourn at Salt Lake City, returned home yesterday and are feeling that they have had a real trip and viewed many points of interest.

From Wednesday's Daily—
Sheriff H. A. Oldger of Sarpy county, came down from Papillion last evening and spent several hours here looking after some matters of business.

Dr. G. H. Gilmore and H. F. Gansner of Murray were here yesterday for a few hours looking after some matters of business and visiting with friends.

MUSIC MEMORY CONTEST PLEAS- A LARGE CROWD

Prizes Awarded to Young People of
Grade Schools for Proficiency
in Music Test.

From Wednesday's Daily—
Last evening the music memory contest, an annual event in the musical department of the city schools, was held at the high school auditorium under the supervision of Miss Frances Fields, supervisor of music of the city schools.

Blanks had been arranged on which the scholars were to write in the names of the selections, a small part of each selection being played, and from these blanks the judges selected the list of the winners.

The building was filled to its capacity and the greatest interest was shown as the various numbers were given in the course of the evening. The students had been separated into two groups, one composed of the fourth and fifth grades and one composed of the sixth, seventh and eighth grades, and the prize winners in the two groups were as follows:
Group 1—Parnelle Dovey, first; George Adam, second; Velma Sharp, third; Stuart Porter, fourth; Virginia Galloway, fifth.
Group 2—Beatrice Knudick, first; Irma Pitman, second; Josephine Janda, third; Eunice Burbridge, fourth; Vestetta Robertson, fifth.

While the judges were busy compiling the answers of the students, the audience were entertained by a very artistic musical program of some length in which the leading musical talent of the city was heard and which was a feature of the evening that everyone enjoyed to the utmost.

The banner offered to the room with the largest number of successful students was secured by the room of Miss Marie Svoboda, in the fifth grade and will be kept by this room until the next contest is held.
