## Seeds! Seeds! Seeds! FIELD FLOWER GARDEN

Also will have in season all kinds of Nursery Stock — Shrubby, Bulbs, Plants, of all kinds! As in the past, we will be able to supply your every need. Budk garden seeds our speciality.

We take great pride in showing samples of our field seeds. They are of the high grade stock and all good high germination as tested by the Department of Agriculture of Nebraska.

Beware of the Extremely Cheap Seed Offered—There may be something wrong. Good seed of high germination and free of any bad weeds costs more, but is by far the cheapest in the end.
