### CITIZENS' MILITARY TRAINING ENCAMPMENTS

Army Authorities Anticipate Greatest Camp in History For the Season of 1925.

With war department plans drawn for the greatest Citizens' Military Training camps ever attempted in this country during peace time, the Military Training Camps association today announced a nationwide educational campaign to bring the benefits of the 1925 summer camps to the attention of eligible young men and their parents in every state in the union.

Secretary Weeks accepted the offer of the M. T. C. A. to co-operate with the war department in promoting the popularity of the movement.

Charles B. Pike, president, who made the plan public, said the association already has representatives in more than ninety per cent of the 3,000 counties of the United States. Enrollment of 50,000 youths by June 1 has been set as the goal to be reached. Under the arrangements announced, civilian aides to the secretary of war, appointed from each state and from each of the nine army corps areas, will direct the progress of the drive within their own territories, working in conjunction with army officials.

Following the approval of President Coolidge of the house and senate's increase of \$487,471 over the

### WHY SUFFER SO?

Get Back Your Health as Other Plattsmouth Folks Have Done

Too many people suffer lame, aching backs, distressing kidney disorders and dramatic aches and pains. Often this is due to faulty kidney action and there's danger of hardened arteries, dropsy, gravel or Bright's disease. Don't let weak kidneys wear you out. Doan's Pills before it is too late! Doan's are a stimulant diuretic to the kidneys. Doan's have helped thousands. They should help you. Here is one of many Plattsmouth cases:

Leland O. Bennett, 319 Marble street, says: "Heavy lifting, together with exposure weakened my kidneys. My kidneys acted so freely I had to get up several times at night and the secretions scalded in passage. My back became so lame and sore I could hardly work, and a dull, gnawing ache made me lose my sleep at night. After using one box of Doan's Pills the remedy—ask distinctly for DOAN'S PILLS, the same that Mr. Bennett had—the remedy backed by home testimony, 60 cents at all dealers, Foster-Milburn Co., Mrs. Buffalo, N. Y. "When Your Back is Lame—Remember the Name."

### P. E. O. CHAPTER HAS ENJOYABLE LUNCHEON FRIDAY

Held at the Home of Mrs. Frank L. Cummins, Friday—Election of Officers Order of Day.

Yesterday afternoon the hospitable home of Dr. and Mrs. Frank L. Cummins was the scene of a most delightful gathering of the members of Chapter P. E. O., the occasion being a 1 o'clock luncheon arranged by the committee in charge of this week's program.

The home is one of the most attractive in the city and as table decorations the ladies had large bouquets of flowers which had been presented to them by W. A. Robertson, and these features made the occasion one of the greatest beauty and charm.

The annual election of the officers of the chapter was the chief business of the day and the following were chosen:

President—Mrs. H. G. McClusky.  
Vice-President—Mrs. J. E. Wiles.  
Recording Secretary—Mrs. E. H. Wescott.  
Corresponding Secretary—Mrs. George O. Dovey.  
Treasurer—Mrs. Glenn Perry.  
Chaplain—Mrs. C. A. Rawls.  
Guard—Mrs. Albert Wiles.

The election of the delegates to the state chapter meeting to be held at Loup City in May, resulted in Mrs. H. G. McClusky and Mrs. S. S. Davis being named as delegates and Mrs. L. O. Minor and Mrs. C. E. Hartford as alternates.

The new officers were duly installed by Mrs. E. A. Wurl, past president of the chapter in a most impressive manner.

### KEARNS TO CONFER WITH TOM GIBBONS

Manager for Jack Dempsey to Suggest a Match With Challenger in New York or Los Angeles.

Chicago, March 13.—Jack Kearns, whose business is collecting a fortune for the ring appearance of Jack Dempsey, will meet Eddie Kane, manager of Tommy Gibbons, here tomorrow, in regard to the prospects of a match between the champion and the St. Paul challenger in Los Angeles or New York this summer.

Kearns is en route east as a result of several invitations, including one from the government to appear as a witness in connection with the transportation of Dempsey-Carpenter fight films in violation of federal laws. Rival New York promoters have invited Kearns to consider a select assortment of bids for matches between Dempsey and Gibbons, and Dempsey and Harry Wills, the negro challenger. Kane said tonight that Gibbons is anxious to box Dempsey any place, providing the championship would be involved in a contest to a decision.

"Gibbons has been assured of more money to box Wills than we expect to get in meeting Dempsey, but we back him to take less and to get another chance at the championship," Kane said. "We are ready to box any place, New York or California, but it must be to a decision.

"If Dempsey chooses to box Gibbons before meeting Wills, Gibbons is willing to give Wills a hand to determine which shall get the first crack at the champion."

Los Angeles, Cal., March 13.—The Los Angeles Times tomorrow will quote Jack Dempsey, motion picture actor and pugilist, as saying that he positively will not defend his heavyweight title before next fall.

"There is not a chance in the world of my fighting Renault or any one else here in June," were Dempsey's words, according to the Times. "I won't be ready to defend my title then and I don't intend to try. I am fat about the stomach and will have to take off a lot of weight before I can begin to build up. I want to condition myself by tackling a couple of second raters before I step into a championship bout."

Tom Kennedy, prize fight match-maker, today telegraphed Jack Kearns, manager of Jack Dempsey, asking terms for a Dempsey-Jack Renault bout, ten rounds, for the heavyweight title, to be staged in Los Angeles during the Shrine conference here next June. Kearns is en route east. Kennedy, who is a match-maker for the American Legion stadium at Hollywood, said however, that the legion did not figure in the negotiations.

### SEND HURRY CALL TO SENATOR LA FOLLETTE

Senators Howell, Norris and Reed Want His Help When Vote On Warren Is Taken.

Washington, March 13.—Senator Robert M. La Follette of Wisconsin is speeding northward tonight, expecting to reach Washington before a vote is taken on the Warren nomination, at the "earnest solicitation" of Senators Norris and Howell of Nebraska, and Reed of Missouri.

The Wisconsin senator is said to have entrained at Fort Lauderdale, Fla., tonight after having received several telegrams from Norris and Howell detailing efforts by President Coolidge and administration forces to make gaps in the lineup against confirmation of the president's nominee for attorney general.

While claiming that a count of noses has disclosed sufficient strength to defeat the president's program, the Nebraska senators are reported to have wired La Follette that they feared defections, and late today stressed the urgency of having every available vote in opposition recorded.

If the senate reaches a vote tomorrow, La Follette, like Vice President Dawes on Monday, will arrive too late to be of any service to his side.

Howell and Norris declared tonight that if a poll to be recorded tomorrow discloses any weakening of their lines, they will fight to hold the vote off until Monday, when La Follette's presence will be assured.

Leaving his sick bed in defiance of the wishes of his physician, Senator Howell today jumped into the fight being waged against Warren. He said tonight he would be present when the final vote is taken "regardless of what happens."

### LIVE STOCK ONLY NEEDED INDUSTRY

All Other Agricultural Branches are Progressing, Declares Expert After a Wide Tour.

Washington, March 12th.—The greatest need of livestock industry this spring is financial help to replace the cattle on the range and increase the breeding herds, Commissioner Cooper of the federal farm loan board declared tonight on his return from an extended tour of the agricultural sections at the request of President Coolidge.

Cooper is convinced that all branches of the agricultural industry are moving forward satisfactorily except livestock which, he asserted, although the slowness to recover from the depression, struck bottom some months ago and is now on an upward trend. He attributed this improvement to several factors:

First, there is ample credit available immediately for use in financing the industry generally.

Second, practically all banking in-

### NEBRASKA IS FIRST IN DEFENSE PLAY

Lawrence, Kas., March 12.—Altho the University of Kansas won the 1925 Missouri Valley conference championship in basketball, Oklahoma ranked first in scoring and Nebraska ranked first in defense, a checking of season figures revealed today. The Kansas team showed to

### LEGION AUXILIARY MEETING FRIDAY

Mrs. Henry Soennichsen Hostess to Members at One of Pleasant Meetings of the Year

One of the most enjoyable meetings of the year of the American Legion Auxiliary, was held yesterday afternoon at the pleasant home of Mrs. Henry G. Soennichsen on North Fifth street. Despite the inclement weather there was a good turnout of the members present.

The business session was occupied with several matters of importance, including the naming of delegates to the district Auxiliary convention at Nebraska City March 24th. Those who will officially represent the local unit at the district meeting will be Mrs. Lottie Rosecrans, unit president; Mrs. Tom Walling, Jr., secretary, and Mrs. Emil Hild, treasurer. In addition, it is desired that as many of the members as possible attend this all-day meeting a week from Tuesday.

Yesterday's meeting was the occasion of the annual Poppy Day program, from which the members gained considerable knowledge regarding the origin of the poppy as the world war memorial flower, as well as the good that is being accomplished with the revenue derived from the sale of these flowers on Memorial day.

The ladies also discussed the coming Legion banquet, the serving of which will be in their charge, and laid preliminary plans for the big feed.

At a suitable hour a most delectable luncheon was served by the hostess, that was enjoyed by all.

The April meeting of the Auxiliary will be held at the home of Mrs. Michael Hild.

**TO REMOVE COLLINS' BODY**

Central City, Ky., March 13.—C. W. Hunt, a miner who was at Sand Cave, near Cave City, during the efforts there to rescue Floyd Collins from the crevice, has announced that he has closed a contract with Homer Collins to remove the body of his brother. The body was sealed in the hole after it was ascertained that he was dead. The work of recovering the body will begin about April 1, Mr. Hunt said. He believes the work can be accomplished in two weeks.

Advertise your wants.
